FOREWORD

We, in Coventry, have been fortunate. Here we have received a liberal education in a modern, up-to-date school with a curriculum flexible to our individual needs.

In our school we have journeyed from childhood to adulthood and we have discovered our weaknesses as well as our fortitudes. With the assistance of our teachers we have been molded into citizens of integrity.

It has taken us four years to complete our course of study here. In this our fourth and final year many events have occurred. Our last impressions have been made here. May we look back and proudly say, "It happened in '60," being always conscious that we are not made of ourselves, but of God.

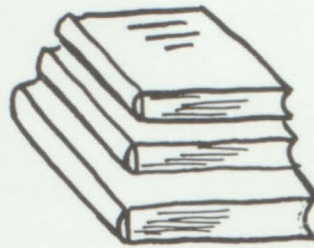

May His hand of guidance give of each a measure of His bounty as we "trust in the Lord; and lean not unto our own understanding."

CEJ

DEDICATION

*"... and gladly would be learn
and gladly teach."*

In recognition of her willingness to help, and in appreciation of the many occasions when she has given of her time, energy, and counsel, we, the Class of 1960, take pleasure in dedicating this edition of the *KNOTTY OAK*

To Mrs. Marion A. Henry.

To the Class of '60

We all dream of great deeds and high positions, away from the pettiness and humdrum of ordinary life. Yet success is not occupying a lofty place or doing a conspicuous work; it is being the best that is in you. Rattling around in too big a job is much worse than filling a small one to overflowing. Dream, aspire by all means; but do not ruin the life you must lead by dreaming pipe-dreams of the one you would like to lead. Do the things near at hand, and great things will come to your hand to be done. My wish for each of you is that you will always be the best of whatever you are.

To the class of '60

In the past four years, our frontiers into space have been advanced and we find our planet becoming even smaller. Nations struggle for strategic positions and the tempo of life quickens in our shrinking world. In these same years, you have been conscious of the rapid change of personal growth and you have had to adjust yourself to these external changes as well. Faced with the many demands of the day in which you live, your pulses have quickened to the tempo of our times.

Occasionally you will realize the need for better perspective as the pace increases. At such times, seek quiet and solitude and reaffirm that faith which will help you gain new courage to face the obstacles ahead. We hope this is one of the many lessons you have learned as you face these challenging years.

To the class of '60

Sincere congratulations to each of you on the attainment of your secondary education, — "Don't let people look down on you because you are young; see that they look up to you because you are an example to them in your speech and behavior, in your love and faith and sincerity. Be busy with your own affairs and do your work yourselves. The result will be a reputation for honesty in the world outside and an honorable independence."

Ponder these teachings of St. Paul, recently echoed in the schooling which you are presently finishing, apply them to your lives, and contribute your best for the betterment of mankind. My best wishes in your future endeavors.

Miss Shirley Cournoyer, Miss Meredith Matteson, Mrs. Marion Mathewson, Miss Jean Derouin, Secretaries.

SENIORS

*"Our todays and yesterdays are the blocks
with which we build."*

In '60, the last class to attend the old high school became the largest to graduate from the new.

To more clearly depict school life in '60 candida have been employed throughout the senior section.

In '60 there were

SENIOR EXECUTIVES

Lance Murphy, Treasurer; Joyce Havens, Vice President; James Rodolewicz, President; James Cunningham, Editor-in-Chief of the *Knotty Oak*; Shirley Norman, Social Committee Chairman; Hope Murphy, Secretary.

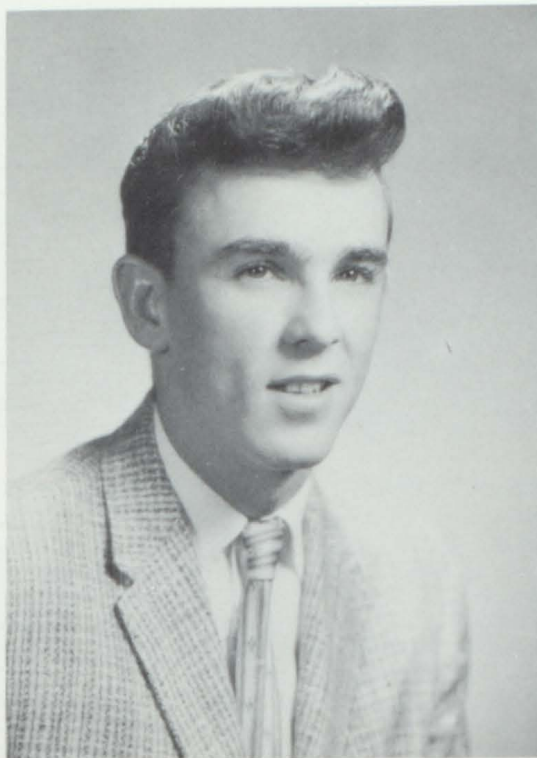

To The Class of '60

It is not enough that you have inherited the basic freedoms of a democracy; it is necessary that you train yourselves in the use of these freedoms. It is our hope that each one of you will equip yourselves with sufficient knowledge and understanding so that you can meet your responsibilities with courage and judgement.

We have faith in you and in your willingness to develop high character and citizenship. Remember that democracy is a priceless heritage. You must guard it well but above all you must prove yourselves to be worthy of it.

MARY J. MURPHY
Senior Class Advisor

opportunities for leadership.

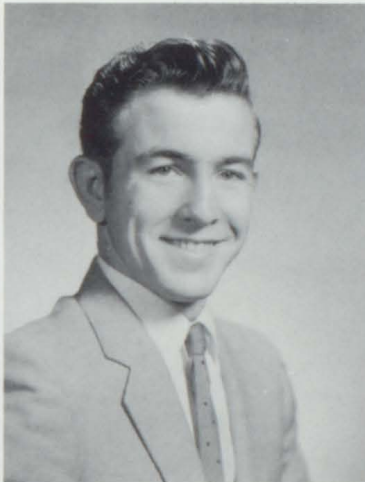

To The Class of '60

Our Senior Class is quite unique. It is the last class to attend the old Coventry High School, yet one of the first to graduate from the new one.

Here at Coventry, we have arrived at the cross-roads of life. Some of us will immediately enter the business world; some will volunteer our services to the Armed Forces; still others will go on to higher education. We pay tribute to our teachers, as well as our parents, who have prepared us for the roles each of us will play as citizens in a democratic society.

May we, the class of 1960, be successful in every task that we may undertake so that our teachers and parents may be proud of our achievements. To you my classmates I wish sincere happiness as you look back on these years spent at Coventry High School.

CLASS

Chapter one takes us back to our freshman year. This was to be the last year we were to climb the stairs of the old school. Overwhelmed with excitement, we received our schedule cards, and were continually losing ourselves in the corridors. Shy, silly, and frightened freshmen were we, but as the days flew by the characteristics of being freshmen finally disappeared and we formed a happy band of classmates. The first class meeting was held to elect our officers and we chose Russell Cavanaugh as our president, Milton Tarbox as our vice-president. Jeanne Gervais became our secretary and Raymond Corp guarded our pennies. As social committee chairman we chose Helen Simone. Our only social event of the year, the Freshmen Dance, proved to be a success with the aid of our advisor, Mr. Oliver Collard, and our social committee which consisted of Joyce Fairbrother, Walter Langlois, Joyce Havens, and Arnold Senerchia.

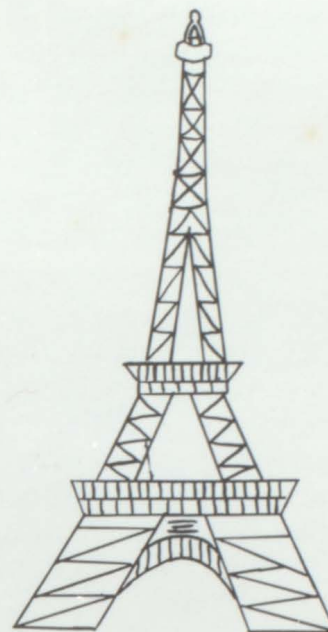

As we turn the pages of our high school life we fall upon Chapter Two, our sophomore year. After an extended vacation we entered our new school with excitement, curiosity, and pride. This time we chose Milton Tarbox as president and Russell Cavanaugh as vice-president. Our board was completed by Helen Simone who recorded our minutes and Michael Mucha who tended our vault. To head our social events we elected Shirley Norman. Her able assistants were Jeanne Gervais, Inez Connelly, Raymond Corp, and James Cunningham. We are proud of having the honor and pleasure of being the first class to sponsor a Sophomore Dance. We will always remember this dance as a success with the help of our able advisor, Mrs. Beatrice Andrews.

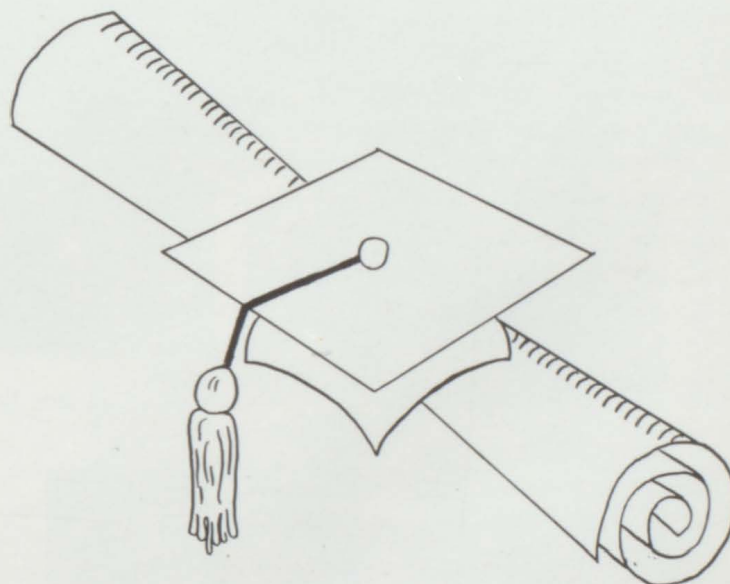

HISTORY

Chapter three takes us back as juniors, having reached the goal of being upperclassmen. A year filled with activities lay before us which was capably handled by our class officers. The gavel was passed down to Raymond Durand who was ably assisted by Joyce Havens, our vice-president. As our recorder we chose Jeanne Gervais and Raymond Corp became the keeper of the coins. As chairman of our many social events we chose Ellen Blaisdell. Her assistants were Inez Connelly, Janice Cooper, Russell Cavanaugh, and Stanley Grygiel. The chairman of our Ring Committee, Shirley Norman, together with Arline Brouillard and Lance Murphy aided us in selecting our class rings. Our many events were under the supervision of Mrs. Claire Clary, our advisor. Our activities included the Christmas Dance, followed in March by the St. Patrick's Dance and the most memorable of all, our Junior Prom. Our theme was "Evening in Paris". Shirley Norman reigned as our Parisian Queen. The conclusion of our Junior year came as we took our places as Seniors at the Class Day exercises.

The last chapter of our high school life lies in our senior year. Our executive board was headed by James Rodolewicz as president. Joyce Havens once again took her position as our vice-president. Hope Murphy, as secretary, recorded our many events and Lance Murphy fulfilled the duties of the treasurer's position. We owe the success of our many social events to Shirley Norman, chairman of our social committee, who was assisted by Cynthia Waters, Janice Cooper, Stanley Grygiel and Russell Cavanaugh. This year our advisor was Mrs. Mary J. Murphy. Our first social event of the year, the Harvest Dance, proved successful due to careful planning and hard work. The events we have left to enjoy are our Senior Play, our Class Banquet, our Senior Ball, and finally Graduation, when our book of high school life ends and a new book begins. From this day on we will look back and say "It happened in '60."

UNDERCLASSMEN

"Education is the apprenticeship of life."

The underclassmen, all of whom started their high school careers at the new school, contributed in large measure to our success in social, athletic, and scholastic events in '60.

They are shown, with their officers and class advisors, by home rooms.

ACTIVITIES

*"The true character of a man is found out
by his activities."*

On the following pages we catch a glimpse of the many and varied activities in which Coventry students participate. Beyond producing an educated person, American public schools aim to provide the individual with activities to enrich his increasing leisure.

The pictures on this page demonstrate the three-fold purpose of the club program at Coventry: to inform, to teach skills, and to provide enjoyment through activity. Information broadens one's outlook; acquired skills help in the performance of a job; activities which one can enjoy make leisure worthwhile.

... to understand our own bodies and minds.

... to acquire the skills of journalism.

... to enjoy self-expression through dramatic art.

SPORTS

*"He also serves
who only stands and cheers."*

Basketball, wrestling, golf, and sportsmanship are the key words at Coventry in '60 as this edition of the *Knotty Oak* goes to press. The basketball team completed its most successful season ever; wrestling formally joined the ranks of the major sports in our school; golf has been re-introduced officially, and players and fans alike have distinguished themselves by their conduct on and off the field of action.

Write-ups on baseball and cross country, as well as the sports mentioned above, will be found in a special section on pages 92 and 93.

Mr. Douglas Hopper, J. Laurent, N. Vadnais, P. DiCarlo, M. Copice, L. Murphy, J. Conn, A. Lundwall, R. Cavanaugh, C. Kuipers, Mr. DaVinci DeLuca. Kneeling, M. Tarbox, captain.

CROSS COUNTRY AND WRESTLING

Row one: E. Lamountain, J. Capron, D. Marcello, R. Laporte, B. George, G. Duquette, D. Addy, J. Laurent, R. Lamoureux. Row two: M. Copice, D. Smith, E. Hall, L. Blanchette, J. Robertson, Mr. Richard Lee, D. Souliere, D. Read, R. Pizzi, N. Vadnais, R. Moschetti.

A. McKinney, J. Reynolds, W. Harpin, J. Rodolewicz, A. Eklof, D. Olney, R. Anderson, E. Wragg, Mr. Philip White. Kneeling, A. Anderson, P. Tabolinsky, R. Duperron.

CROSS COUNTRY

Now in its seventh year at Coventry, the cross country team under the direction of Mr. Lee compiled a record of 4 wins and 3 losses in dual meet competition and won third place in the class B championships. Paced by captain Bobby LaPorte and Don Addy, Jr., who won medals in the Cross Country Carnival, the team gave a good account of itself in class B competition against such schools as Moses Brown, St. Raphael's Academy, and Woonsocket, and figures to do even better next year as a member of the newly-formed class C league. Only members of the team to be lost through graduation are Bobby Laporte, team captain, Mickey Vadnais, and Bernard George. With a year's experience behind them, and Don Addy, winner of six out of seven dual meets as well as a medal in the class B championships, returning next year, the season from September — November, promises to be an eventful one.

BASKETBALL

In completing their most successful season to date, the varsity team, under the coaching of Mr. Hopper, finished in a tie for first place in class C with a record of eleven wins and three losses. Subsequent losses to South Kingstown and Tolman after league play had ended failed to diminish the pride of the student body in a team which had won three of their victories in overtime play and maintained high standards of sportsmanship throughout the season. Not to be overlooked are Coach DeLuca and his junior varsity team who not only completed a highly successful season in their own right, but provided able substitutes for the varsity players on numerous occasions. It is difficult to give credit to individuals without mentioning the entire team, but Mike Copice who was individual high-scorer for Coventry as well as second high-scorer in class C, and Dennis Provencher and Arnold Lundwall who distinguished themselves in varsity play as sophomores provided pleasant surprises for Coventry fans.

Next season promises to be equally bright as many of the present varsity players are in their junior year, although the following members of this year's team will have graduated or become ineligible: Russ Cavanaugh, James Conn, Lance Murphy, Milt Tarbox, and Mickey Vadnais.

WRESTLING

A newcomer to the sporting events at Coventry this year, the wrestling team finished its first official season against strong opposition from such metropolitan schools as Warwick, Cranston, LaSalle, Mount Pleasant, and East Providence. In exhibition and unofficial matches, boys in grade 9 may participate, but in all official matches participation is limited to grades 10, 11, and 12. In spite of the fact that the wrestling and basketball seasons conflict, both interest and participation in wrestling is on the upswing here at Coventry and throughout the state as evidenced by the proposed expansion of the league to include Bishop Hendricken, North Kingstown, and West Warwick next year. Coach White is counting on the experience gained by the sophomores and juniors this year to offset the loss of three members by graduation: Arthur Anderson, Paul Tabolinsky, and Roland Duperron who took part in the R. I. Injury Fund wrestling meet and won a 2nd place medal in the heavyweight division.

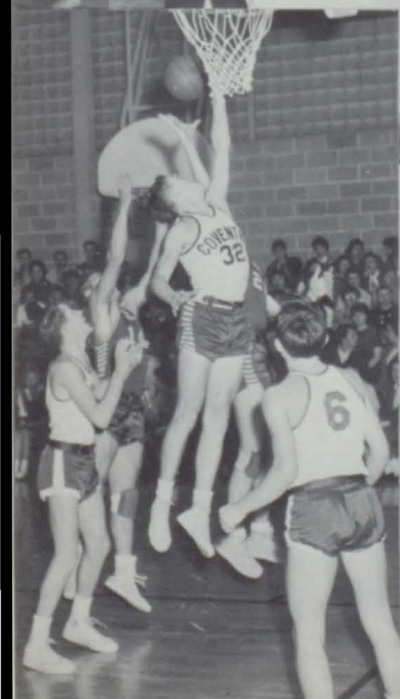

GOLF

Returning to the sports scene for the first time since 1955, the golf team, under the coaching direction of Mr. Montanaro who earlier coached the sport at Coventry, opens its season on April 18, against Mt. Pleasant. Tryout competition is expected to be keen as only five members are finally selected for the team which will play at the Coventry Pines course on Harkney Hill Road. Coventry is expected to make a good showing in the strong Southern League which includes West Warwick, Warwick, Hope, Mt. Pleasant, South Kingstown, Bishop Hendricken, and Classical.

BASEBALL

The last major sport to get under way this year will open its season against Westerly at Rice Memorial Field on April 19. Figuring to improve on its 6 — 6 record last year, Coach Ciesla's team will have a good number of returning players with varsity experience in the quest for the Southern Division championship which last came to Coventry in 1957. Other teams in the league, which promises plenty of action, include West Warwick, Westerly, East Greenwich, North Kingstown, Scituate, and South Kingstown. Baseball, at Coventry, has a history extending back to 1934, but 1960 holds as much in store for baseball fans at Coventry as at any time in the past.

ADVERTISEMENTS

The codfish lays ten thousand eggs,
The homely hen lays one.
The codfish never cackles
To tell you what she's done.
And so we scorn the codfish,
While the humble hen we prize,
Which only goes to show you
That it pays to advertise.
