Harriers Finish Second In Class

Led by all-stater John Freitas and all-class Roland Davide, the harriers of Coventry High School made a strong bid for the Class B Championship. Through the season the Oakers were undefeated until they met the Wizards of West Warwick who defeated them quite handily. Adding to the problems of the day was the loss of Coventry's ace third man, Tom Lawson, who sprained his ankle and could not compete.
During Losing Season

Defense Exceeds During Losing Season

It's not often that Coach Bob Peltier is faced with a losing season, and to finish the year with a record of 4-6-1 is rare indeed. Despite the losing season, Coach Peltier had some fine personnel to work with, and leading the way were co-captains Mark Andoscia and Ray Mann. Other standouts included Jimmy Giblin, Steve Varrecchione, and Jimmy Fontaine. The team's strong point this year seemed to be the defense which allowed 1 touchdown or less in 7 of the eleven games.

Rebuilding Effort Makes Future Bright
After a slow start on the diamond last year the Oakers showed signs of progress with teamwork and power. As a result the team closed out the season with a fine six and five record. Last year’s batting crown just had to go to Jimmy Vincent for his great average, and pitching honors were in order for Ray Mann. The Oakers lost only Jim Vincent and George Radick, two of the team’s great players, as the season ended. The team still looks as sharp as ever, though, and Coach Ciesla can look forward to a successful season with both the players and the personnel, a promising group of men working with him.
After two years of champion golf teams, coach Ted Szymkowicz, had to settle for a heartbreaking second place as the Oakers finished the season one game behind North Kingston. A slight turn of fate, however, should in no way discredit the team, for the Oakers wound up the season with an impressive 10-2-1 record last year. Honors go to Joe Cote who earned a trip to Scotland and Ireland last summer to work along with the other players on a team of Rhode Island's top high school golfers. Coventry's other great golfers included Jeff Barber, Bob McCartney, and Dick Hopkins.

Track: A Team Of Individuals

Despite the lack of depth in Coach Dale Binegan's track team last year, Coventry Oakers made a good showing in the field. Team standout was Gary Hudson who led the team in four events. Gary also qualified to compete in the New England Track Championship. Injuries plagued the team when John Freitas, our ace two-miler's, wrist was broken, and half-miler Brian Campbell was spiked. The outlook for next year, though, looks bright. With John Freitas back in the running along with Roland Davide, Phil Maez, and the other fine Coventry trackmen, Coach Binegar will have all the depth he needs.

Pizzazz

Enough cannot be said about Coventry's fine cheerleaders who sacrifice many hours to keep spirits high at our athletic events. A team is only as good as the people backing it and the cheerleaders have done a great job showing their support and faith in the Oakers' teams. Neither rain or snow or sleet or hail could make the cheerleader's efforts fail! Adding Pizzazz and color to our football field, track meets, hockey rinks, basketball court, wrestling matches, and baseball field, the cheerleaders have truly added to the excitement at the games through the seasons.

Yesterday
Its gone by now
Those years—and remember back
   To all the old people saying
      ‘‘Best years of your life’’
      ‘‘Enjoy yourself while you’re young’’
But those best years are
Gone now
And remembering whether they were
   Or weren’t really
      Gets to be a drag
Because you can’t tell
Yet and maybe they were
   Just saying that because
Those years weren’t that good for them
But they knew that they were
   Supposed to be because
All the old people told them
Yes it gets to be a drag looking
   Over your shoulder
Can’t look back
   it makes your neck hurt
But you know
   It’s all floating around in there
      Inside your head
   All those pictures and
      Words and things about
      Those years
And they make you warm
   The way they stick to the sides
      Of your brain
But they get in the way alot
Can’t look too long because it
   Hurts your eyes
Can’t look back because it’s
Gone now
   Those years
And there’s more coming
Which means there’ll be more
   To remember and it will
      Get to be a drag again
But there’s always
   More coming
They’re coming
Now
   Too soon
Tomorrow
so when you
look into the sun
see all the things we haven’t done
its not too late—only begun
