Without a consistent defense the football team had a mediocre season. Highlights were the victory over Hendricken and strong efforts against Cranston West and Central.

For the third consecutive year our cross country team has gone undefeated until its final meet. Then lacking depth it had to settle for second place. Lucki and Neil finished first and second in all dual meets. With only two varsity members returning, next year will be one of rebuilding for Coach Binegar.

During his three years at Coventry cross country Lucki has amassed over a half dozen course records and victories in major races. He closed his final season with a fourth place finish in the New England championships.

The wrestling team has successfully defended the title they captured last year. Coach Magarian has developed a team that can hold its own against any in the state. They proved this by going undefeated in matches against divisional opponents. With two-thirds of the varsity returning they should repeat next year.

During this season the hockey team became known as "The Big Red Machine" as they rolled over the opposition, out scoring them at the rate of over 4 to 1. With Paul Ridgewell setting the example, the seniors rewrote the record books. Sophomore Glen Jennings will be the "Machine's" threat next year.

Ron has become one of Coventry's top three all time scorers. Averaging 20 points a game, he is accurate from underneath as well as on the long shot.

Good efforts by last year's seniors brought the baseball team surprising victories. With many varsity returning and solid players from the freshman team, this year's team should be in contention.

All Class

All State
John Freitas

The golf team under Mr. Cupples has begun rebuilding to the status they held a few years ago. With many veterans from last year they could easily be in contention for the divisional title.

The cheerleaders have always added color and encouragement to sports. This year they were always present to support us in victory and in defeat.

A long way have we gone
A long way must we go
To achieve the goals we so desire
And hereby set the world afire
With Love and Peace and Happiness
So that this world a better place may be
Rid of war and hate and loneliness
Where all men can live and learn to be free.

Let us seek to finish the work undone
Pursue the knowledge we have acquired here
Cherish the memories of everyone
Whose friendship we have enjoyed o'er the years.

Hence, as we walk in the path of life
May we overcome all toil and strife
For tomorrow's leaders we shall be
We the Young people of Coventry!

Here we are,
Here we come,
Here we come.
