

Where'd he go?

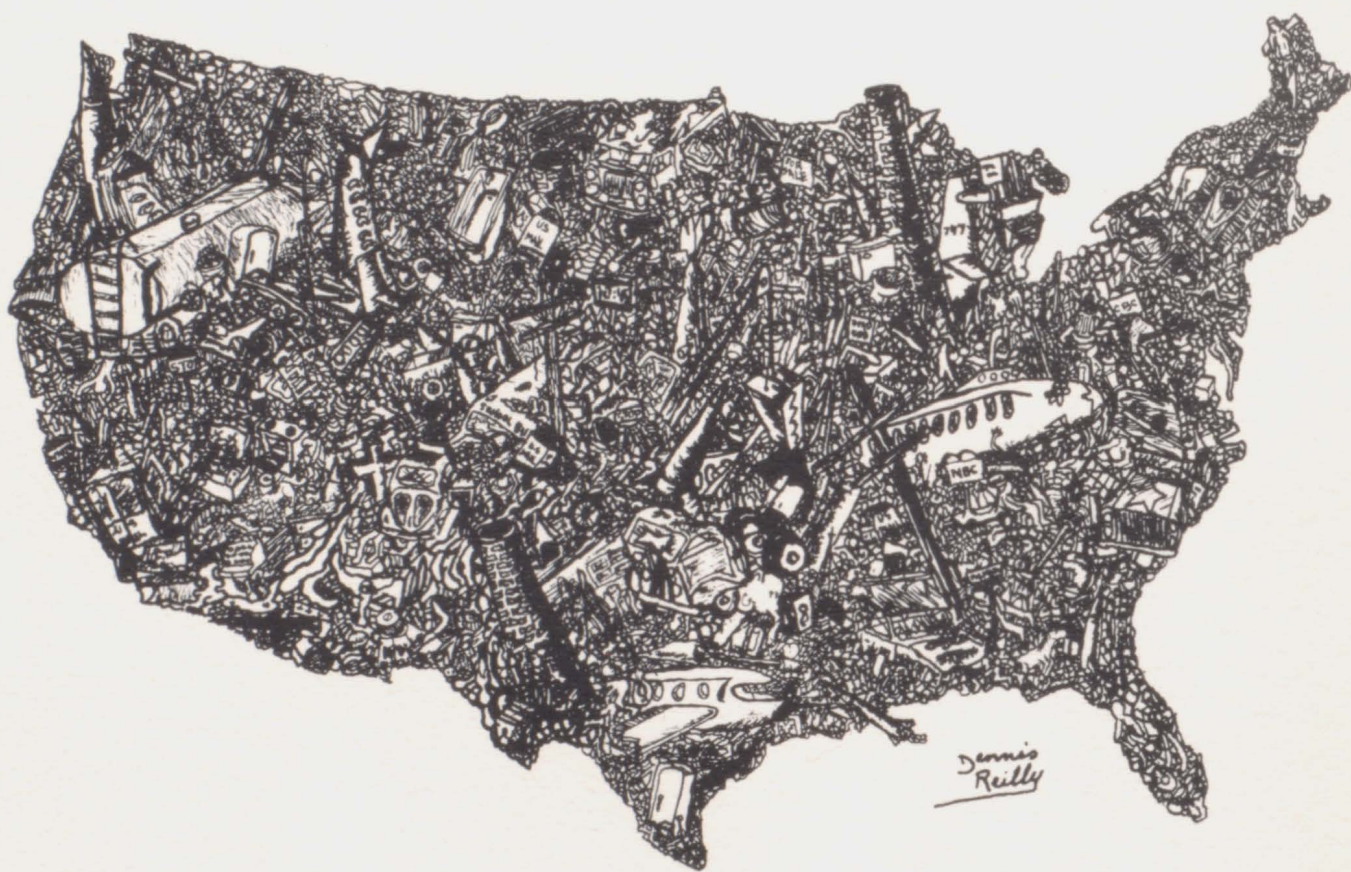

I wonder if I've got a test in Chemistry today . . .

Listen, I tell you they'll never find the body.

Wow! They never had anything like this in the Teacher's Manual.

Activities

Even though the entire student body is not represented in the school organizations, membership of most of the groups and clubs reached incredible proportions on the day photographs were taken.

PSALM TWENTY-THREE

*The world is my oyster;
I shall not suffer from insecurity
It maketh me to lie down on posturpedic mattresses
It leadeth me to carbonated waters
It restoreth my hair color
It leadeth me over turnpikes and throughways
for the sheer sake of speed
Yea, though I drive through Death Valley,
I fear no bad guys
For I carry insurance, Blue Cross will comfort me.
Gourmet magazine prepareth a menu before me
in the presence of rival epicures
My wave is set.
My Martini is dry.
Surely doughnuts and dollars shall follow me
all the days of my life.
And I shall dwell in a cooperative apartment
for senior citizens forever.*

The '72 football season saw Dave O'Donnell become the new head coach of the Oakers. Under his guidance and leadership, the team played well. Also, for the first time in Oaker history night football was played at Rice Field. The highlight of the season was the annual Thanks-

giving Day game. The Wizards were the victors, but next year may be different. For the first time in quite a while the Thanksgiving game will be played at the Oaker's home field. Hopefully, with this change, the team will be able to hand the Wizards the defeat they deserve.

After last year's championship season, the Oaker matmen have a new head coach, Mr. Robert Smith. Even though this year's team has lost many of its former wrestlers, such as Glen Myers and Scott Pucino, the team is keeping its winning ways. Under new head coach Bob Smith the wrestlers should remain a threat to opposing teams for years to come.
