

HOMECOMING DAY 1973

It was a cold and rainy day when Sophomore Fran Pare was crowned our Homecoming Queen of 1973.

But it wasn't such a happy day for the Mighty Oakers; our football team lost to Rogers, 47-0.

Homecoming Queen: Fran Pare

EXECUTIVE BOARD

The Yearbook Staff of 1974 would like to dedicate this book to Mrs. DelBonis for all her hard work and time she put into this book for all of us. This was Mrs. DelBonis's last year as Yearbook Advisor and this is her last yearbook, so it is only fitting that this dedication be made. We couldn't have done it without her. Thank you so very much Mrs. DelBonis.

And though he tried to look properly severe for his students, Fletcher Seagull suddenly saw them all as they really were, just for a moment, and he more than liked, he loved what he saw. No limits, Jonathan? he thought, and he smiled. His race to learn had begun.

Jonathan Livingston Seagull

A N E W W O R L D C O M I N G

For the graduating class of 1974 our old world is coming to a close, and a new and different world lies ahead. In the opening pages of the yearbook, we tried to give the idealistic concepts of the young about the world around us. A world where everyone is free to live his life his own way. We also know that most of us have matured enough to know that life isn't always a straight and narrow road, that has been smoothed out for us.

Life is hard; any happiness that you have — hold onto as it might be the only time you'll ever be happy. Enjoy every minute of life, and be aware of everything around you. Don't live in the past; always look ahead to the future, but also don't forget the past but rather think of it as an old friend and source of experience. I hope we all have matured enough to know that the new world is going to be tough but we can make it a better and brighter world than the one we live in now. We hope you enjoy the lyrics to some recent popular songs, but look a little deeper; think of what we are trying to tell you and what the songs really mean. Think of it as good advice, but it's up to you, only you, because nobody can tell you how to live, but someone is always willing to help.

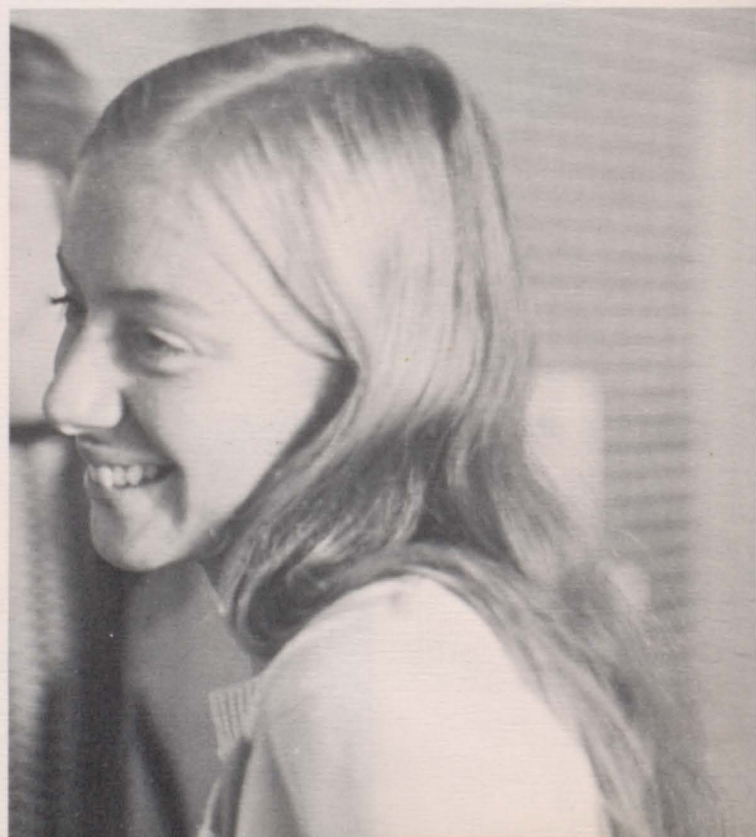

Good luck Class
of 1974

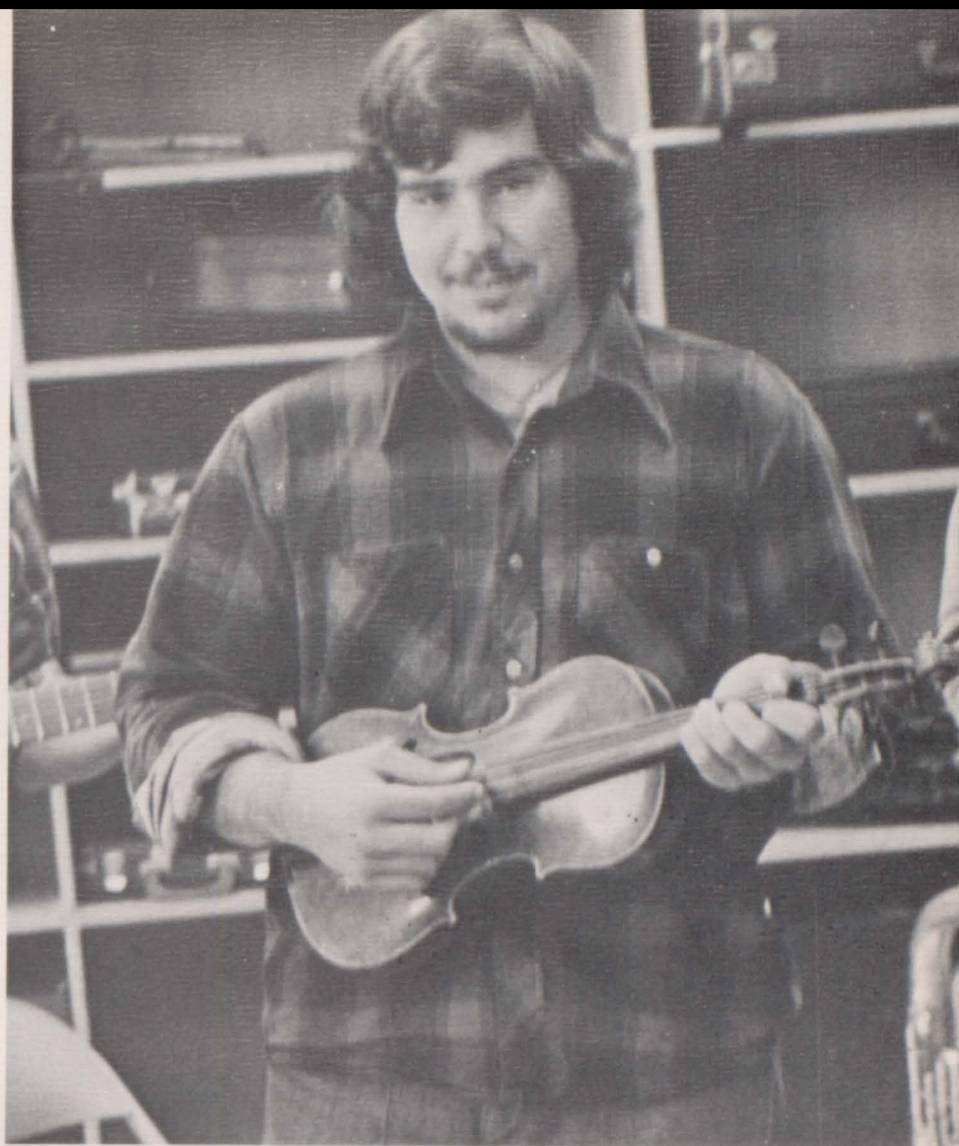

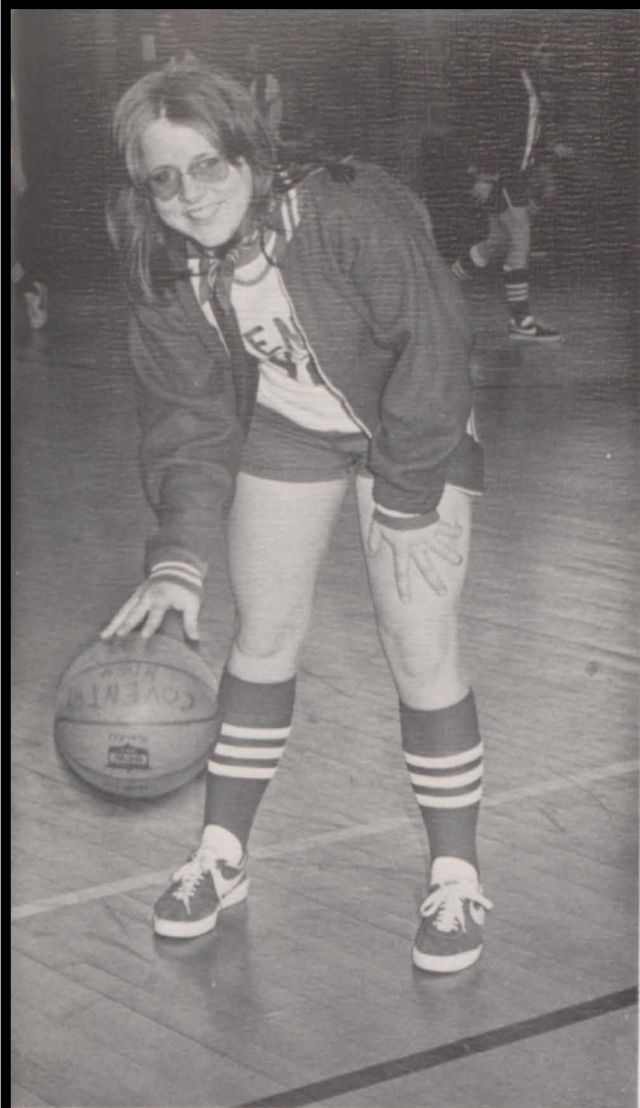

"One life is finished and the time has come for another to begin."
Jonathan Livingston Seagull

LIVING ...

Most of life is not full of kicks
but there must be some kick in life
to make it worth living!

Sweeping cobwebs from the edges of our minds
Have to get away to see what we can find
Hope the days that lie ahead
Bring us back to where they've led.

The day the world gets 'round
to understanding where it is.
Using all its found,
to help each other, hand and hand.
