Future Teachers of America?

It may not be edible, but it makes great nail polish.

Plans for an ant palace.

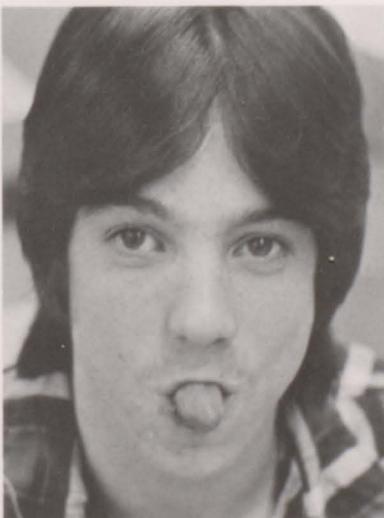

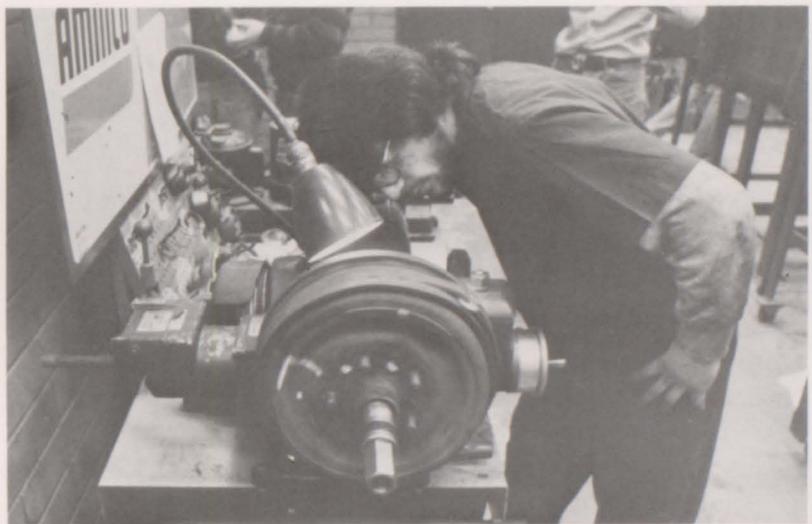

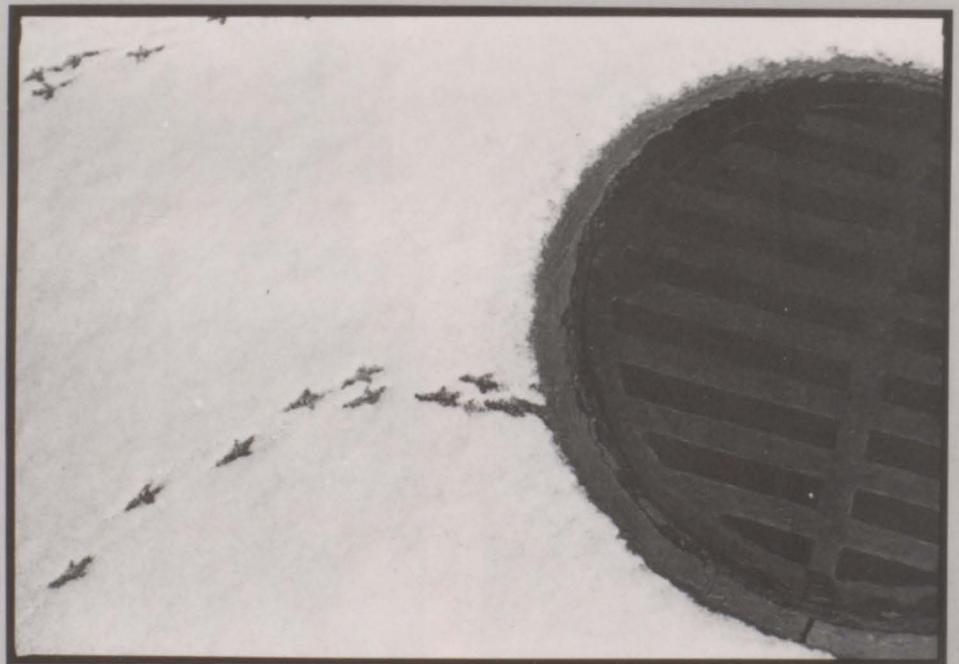

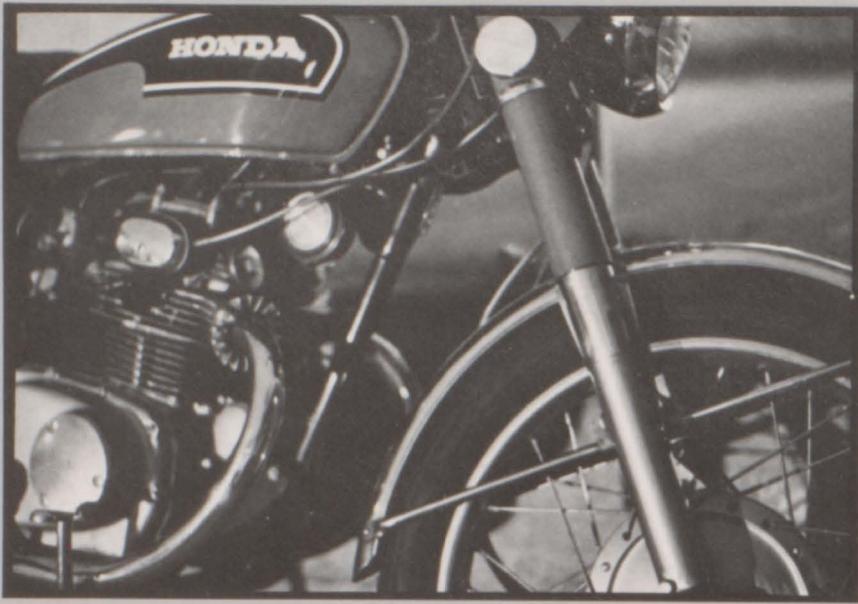

To the best of my Calculations . . .

Should I eat it, or have I already?

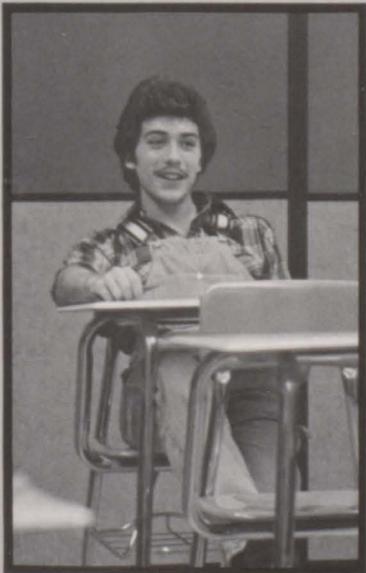

The old believe everything:
the middle-aged suspect
everything: the young know
everything.

- Oscar Wilde

“The Answer”

Then what is the answer? - Not to be deluded by dreams. To know that great civilizations have broken down into violence, and their tyrants come, many times before. When open violence appears, to avoid it with honor or choose the least ugly faction; these evils are essential. To keep one's own integrity, be merciful and uncorrupted and not wish for evil, and not be duped. By dreams of universal justice or happiness. These dreams will not be fulfilled.

To know this, and to know that however ugly the parts appear the whole remains beautiful. A severed hand is an ugly thing, and man dis severed from the earth and stars and his history . . . for contemplation or in fact --- Often appears atrociously ugly. Integrity is wholeness, the greatest beauty is Organic wholeness, the wholeness of life and things, the divine beauty of the universe. Love that, not man Apart from that, or else you will shore man's pitiful confusions, or drown in despair when his days darken.
- Robinson Jeffers

Hey there, peaches.

And what do you suppose that's all about?

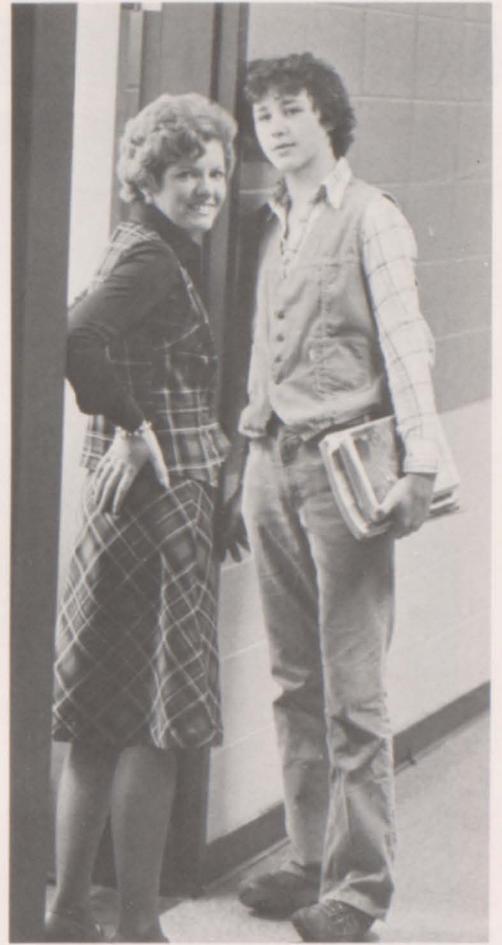

Doy!

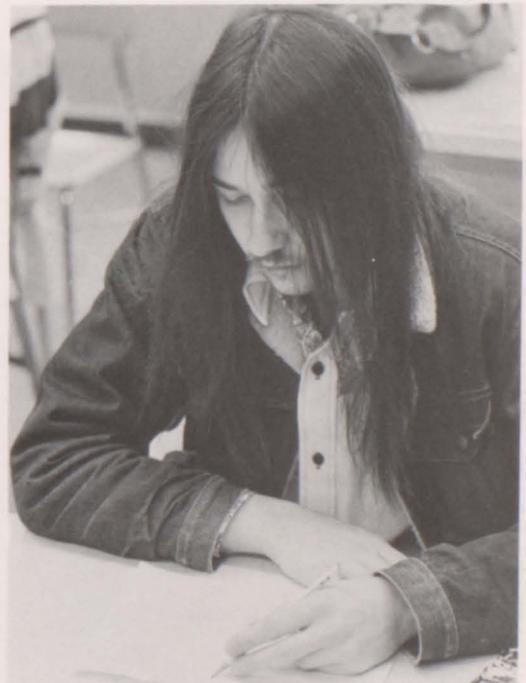

She said it, not me.

Now if I can just get this to stick there.

... And in twenty years they all came back, -
In twenty years or more;

And everyone said, "How tall they've
grown!

For they've been to the Lakes, and the
Terrible Zone,

And the hills of the Chankly Bore."

And they drank their health, and gave
them a feast

Of dumplings made of beautiful yeast;

And everyone said if we only live,

We, too, will go to sea in a sieve,

To the hills of the Chankly Bore.

Far and few, far and few

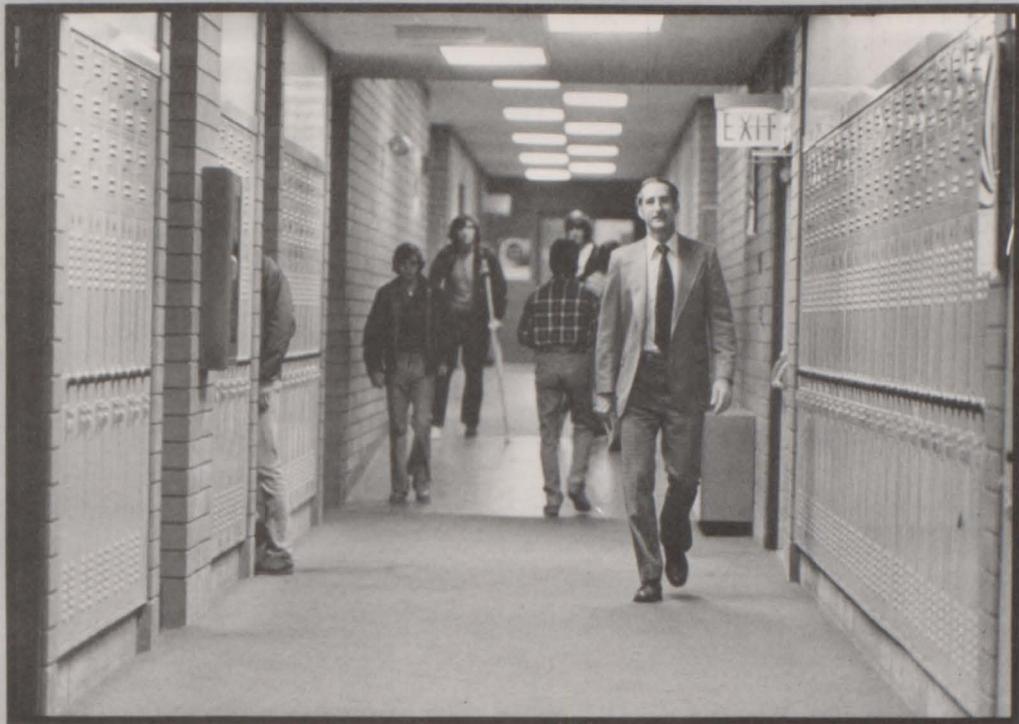

Are the lands where the Jumblies live:

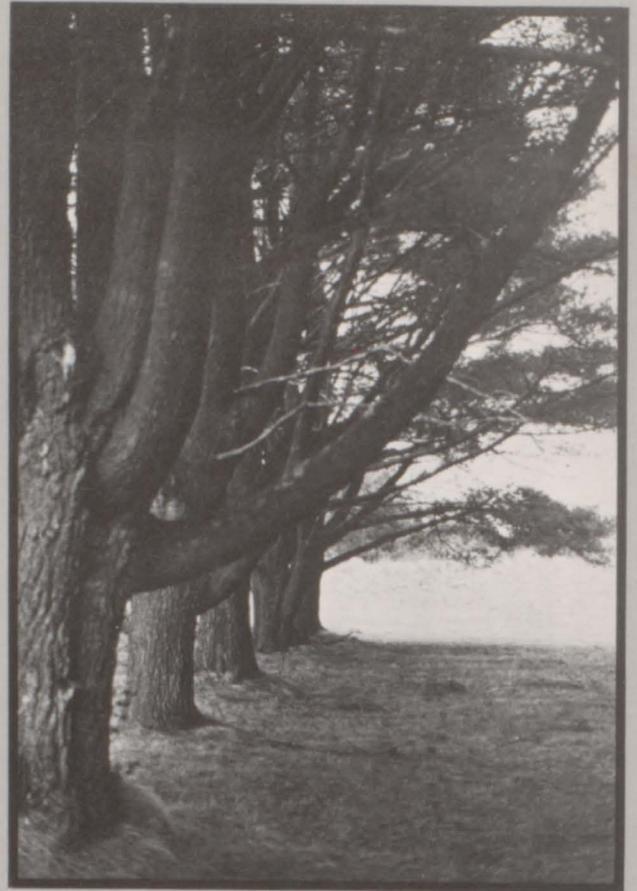

Their heads are green, and their hands
are blue;

And they went to sea in a seive.

- Edward Lear

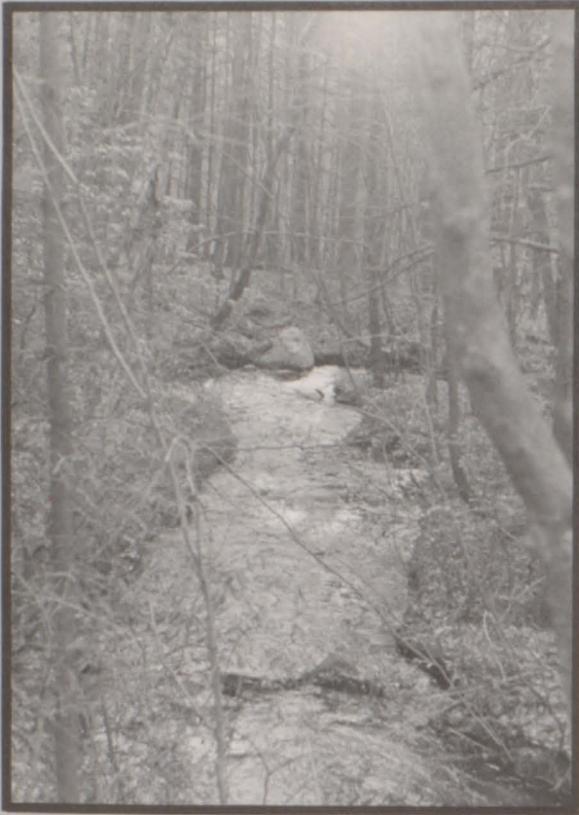

I Swear There Is Nothing But
Immortality!
That The Exquisite Scheme Is For It,
And The Nebulous Float Is For It,
And The Cohering Is For It!
And All Preparation Is for It- And
Identity Is For It- And Life And
Materials Are Altogether For It!
-Walt Whitman

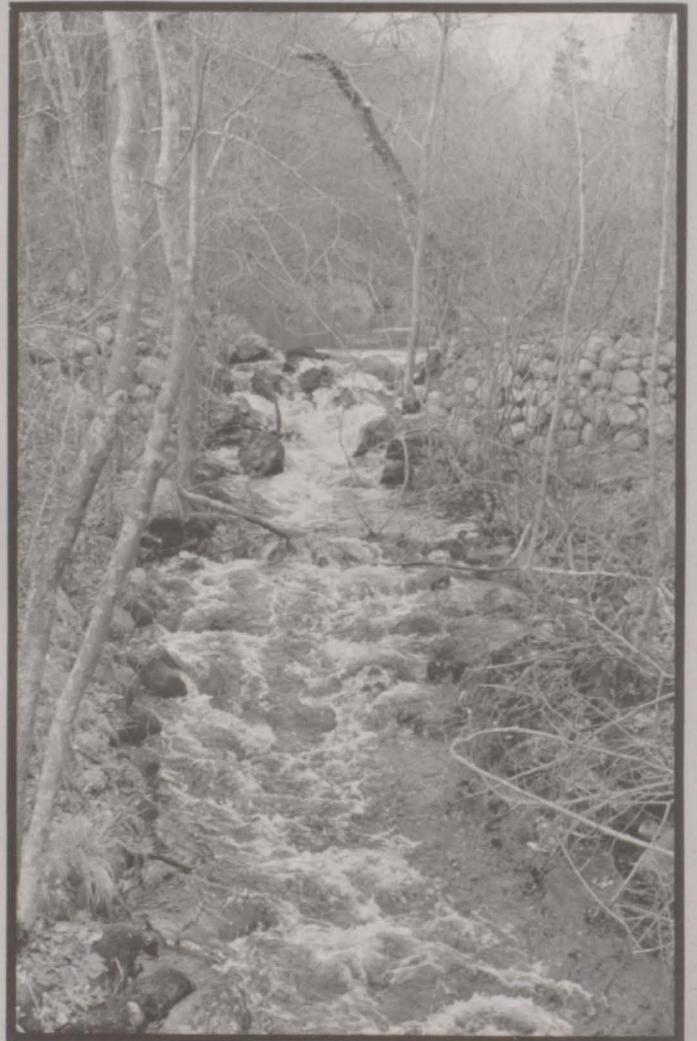

Only Themselves
Understand Themselves
And The Like Of
Themselves,
As Souls Only Understand
Souls.
-Walt Whitman

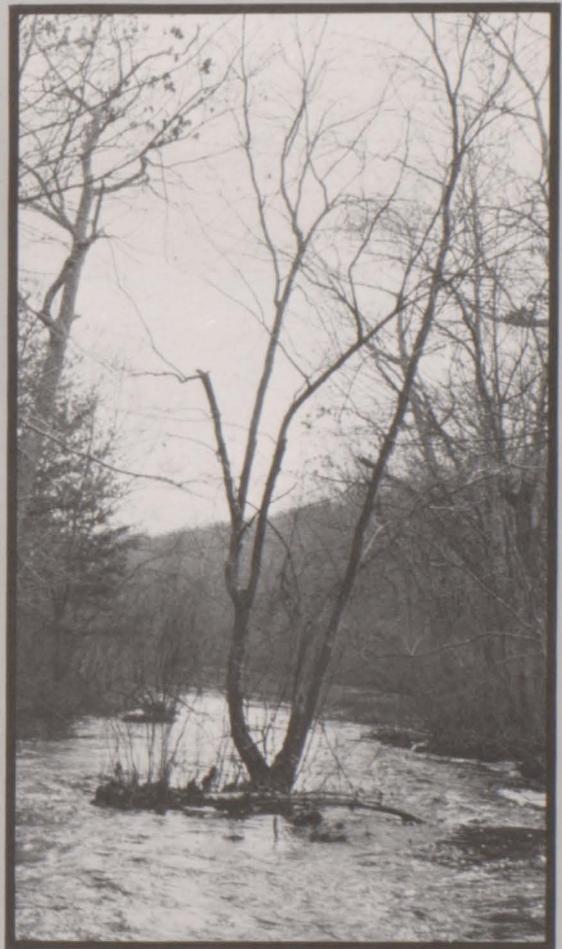

We Shall Not Cease From
Exploration, And The End Of
All Our Exploring Will Be To
Arrive Where We Started
And Know The Place For
The First Time.
-T.S. Eliot

O To Realize Space!
The Plenteousness Of All, That
There Are No Bounds,
To Emerge And Be Of The Sky,
Of The Sun And Moon And
Flying Clouds, As One With
Them.

-Walt Whitman

Behold, we know not anything;
I can but trust that good shall fall
At last -far off- at last, to all,
And every winter change to spring.

So runs my dreams; but what am I?
An infant crying in the night;
An infant crying for the light,
And with no language but a cry.
-Tennyson

Call and dance, Innocence, call and dance
while you may. For this is a prelude, it is
only a beginning. Strange things will be
woven into it, by men you have never
heard of, in places you have never seen.
Call and dance, call and dance. Now, while
you may.

-Vladimir Nabakov

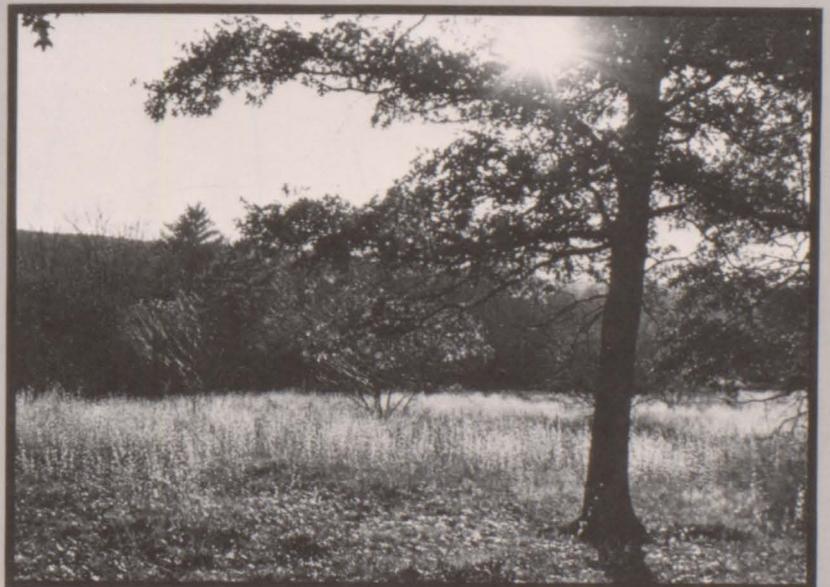

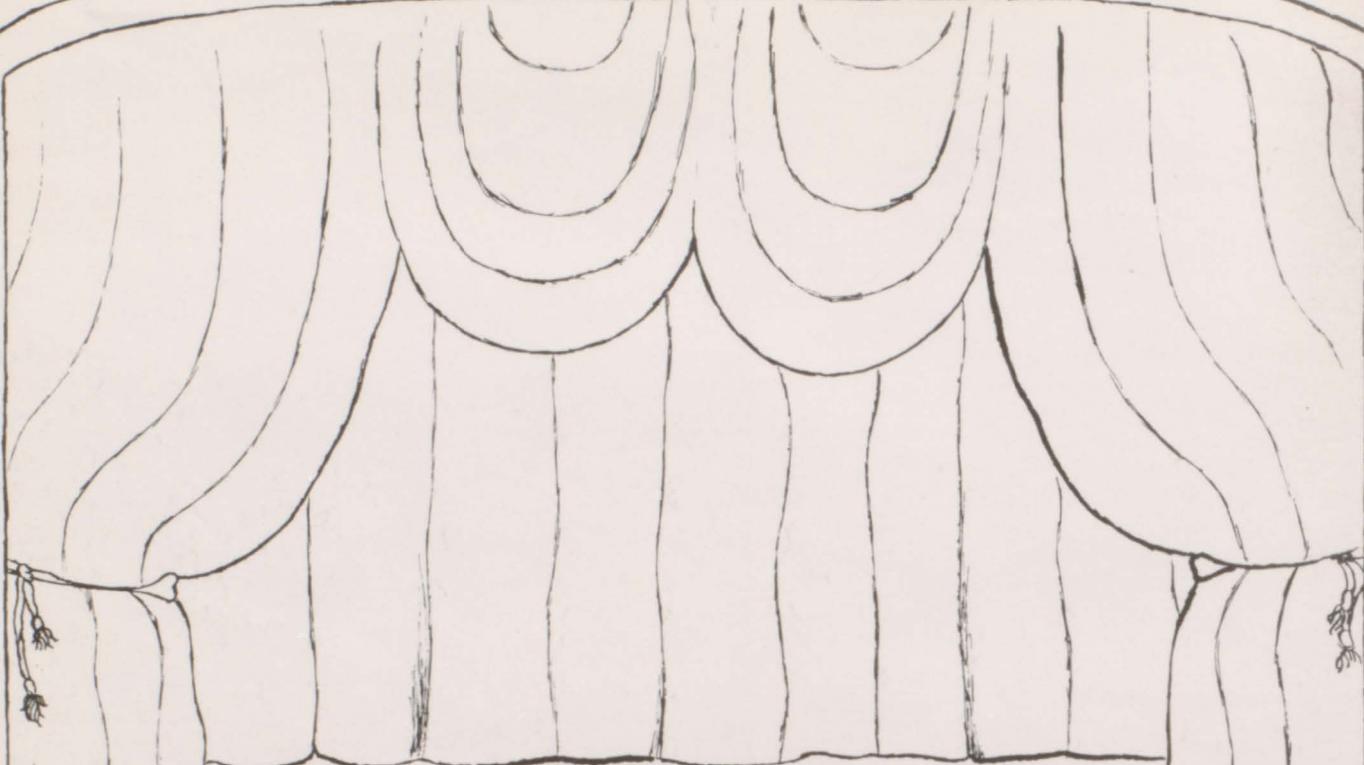

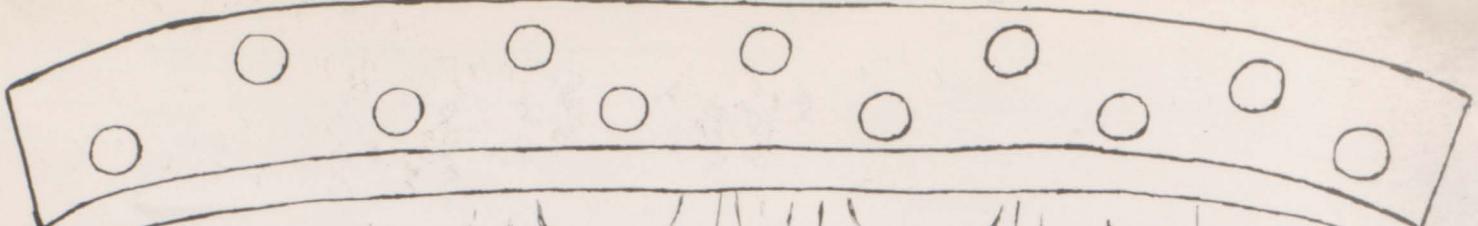

I Sometimes Think The Dawn Of A New Day,
The Magic Silence Of MidWinter Is About All
There Is, And However That May Be, It Is
Good To Know No Better.
--- Maxfield Parrish

It's Going To Come Out All Right - Do You
Know?
The Sun, The Birds, The Grass - They Know.
They Get Along - And We'll Get Along.
