IN MEMORIAM

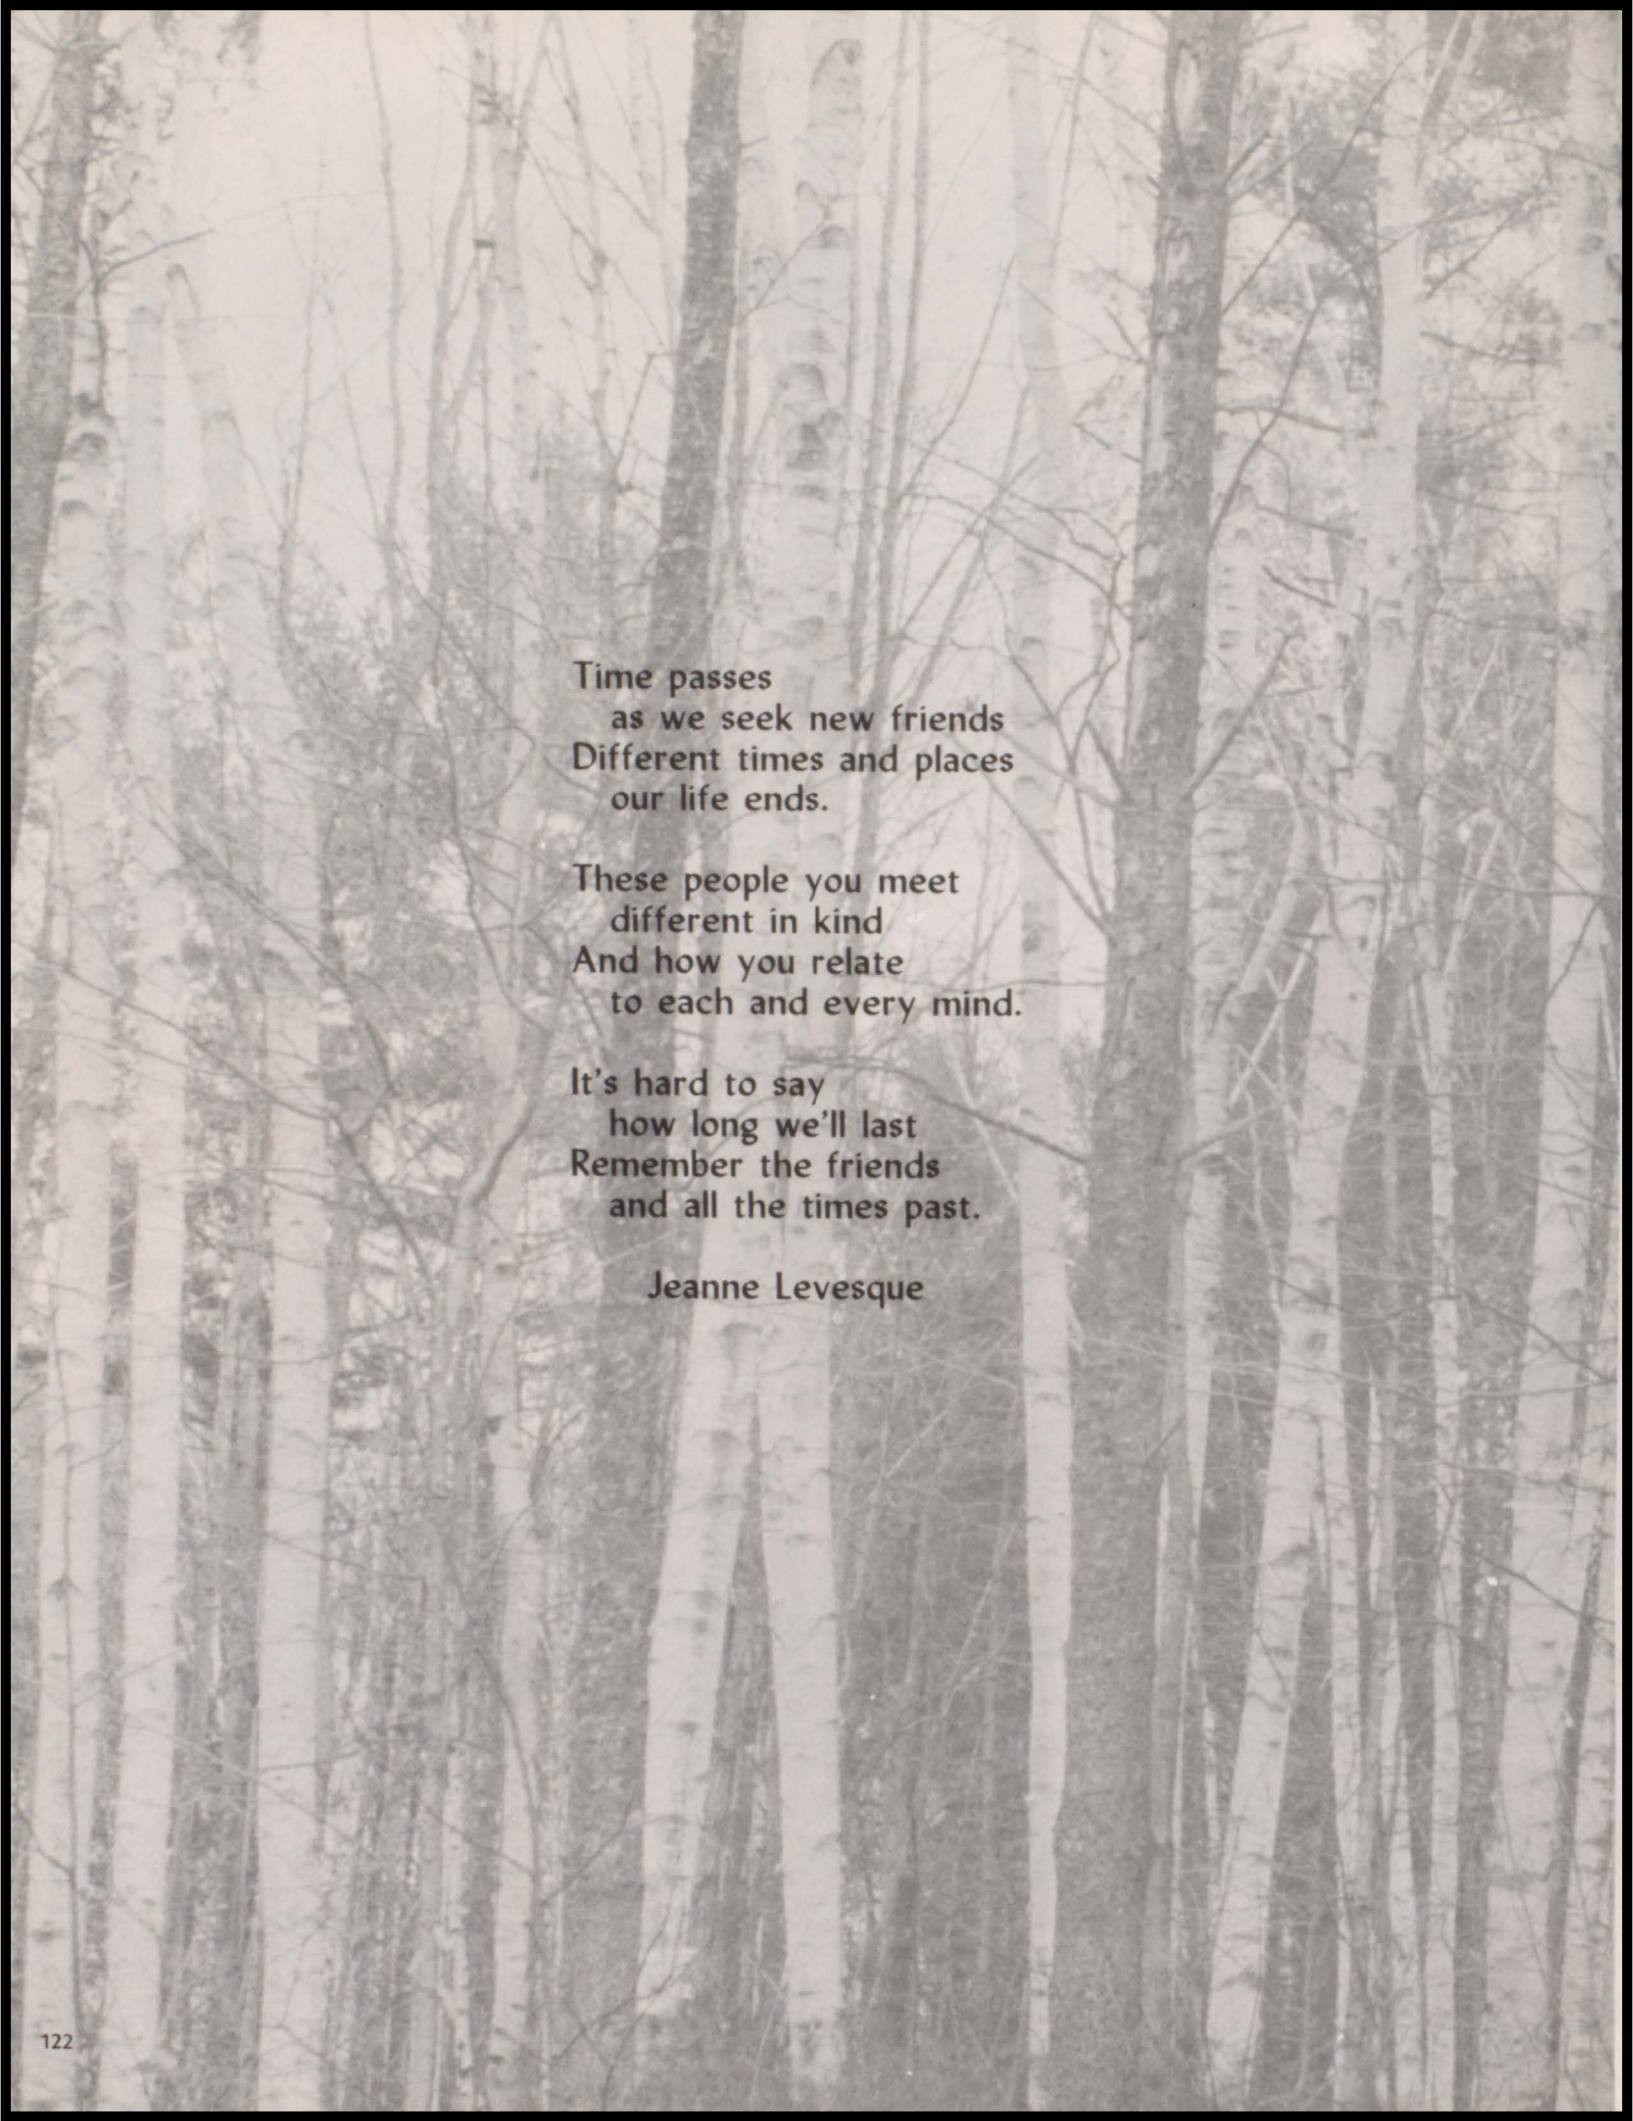

RICHARD HAMMOND

This World is not Conclusion.
A Species stands beyond-
Invisible, as Music-
But positive, as Sound-
It bekons, and it baffles-
Philosophy- don't know-
And through a Riddle, at the last-
Sagacity, must go-

Emily Dickinson

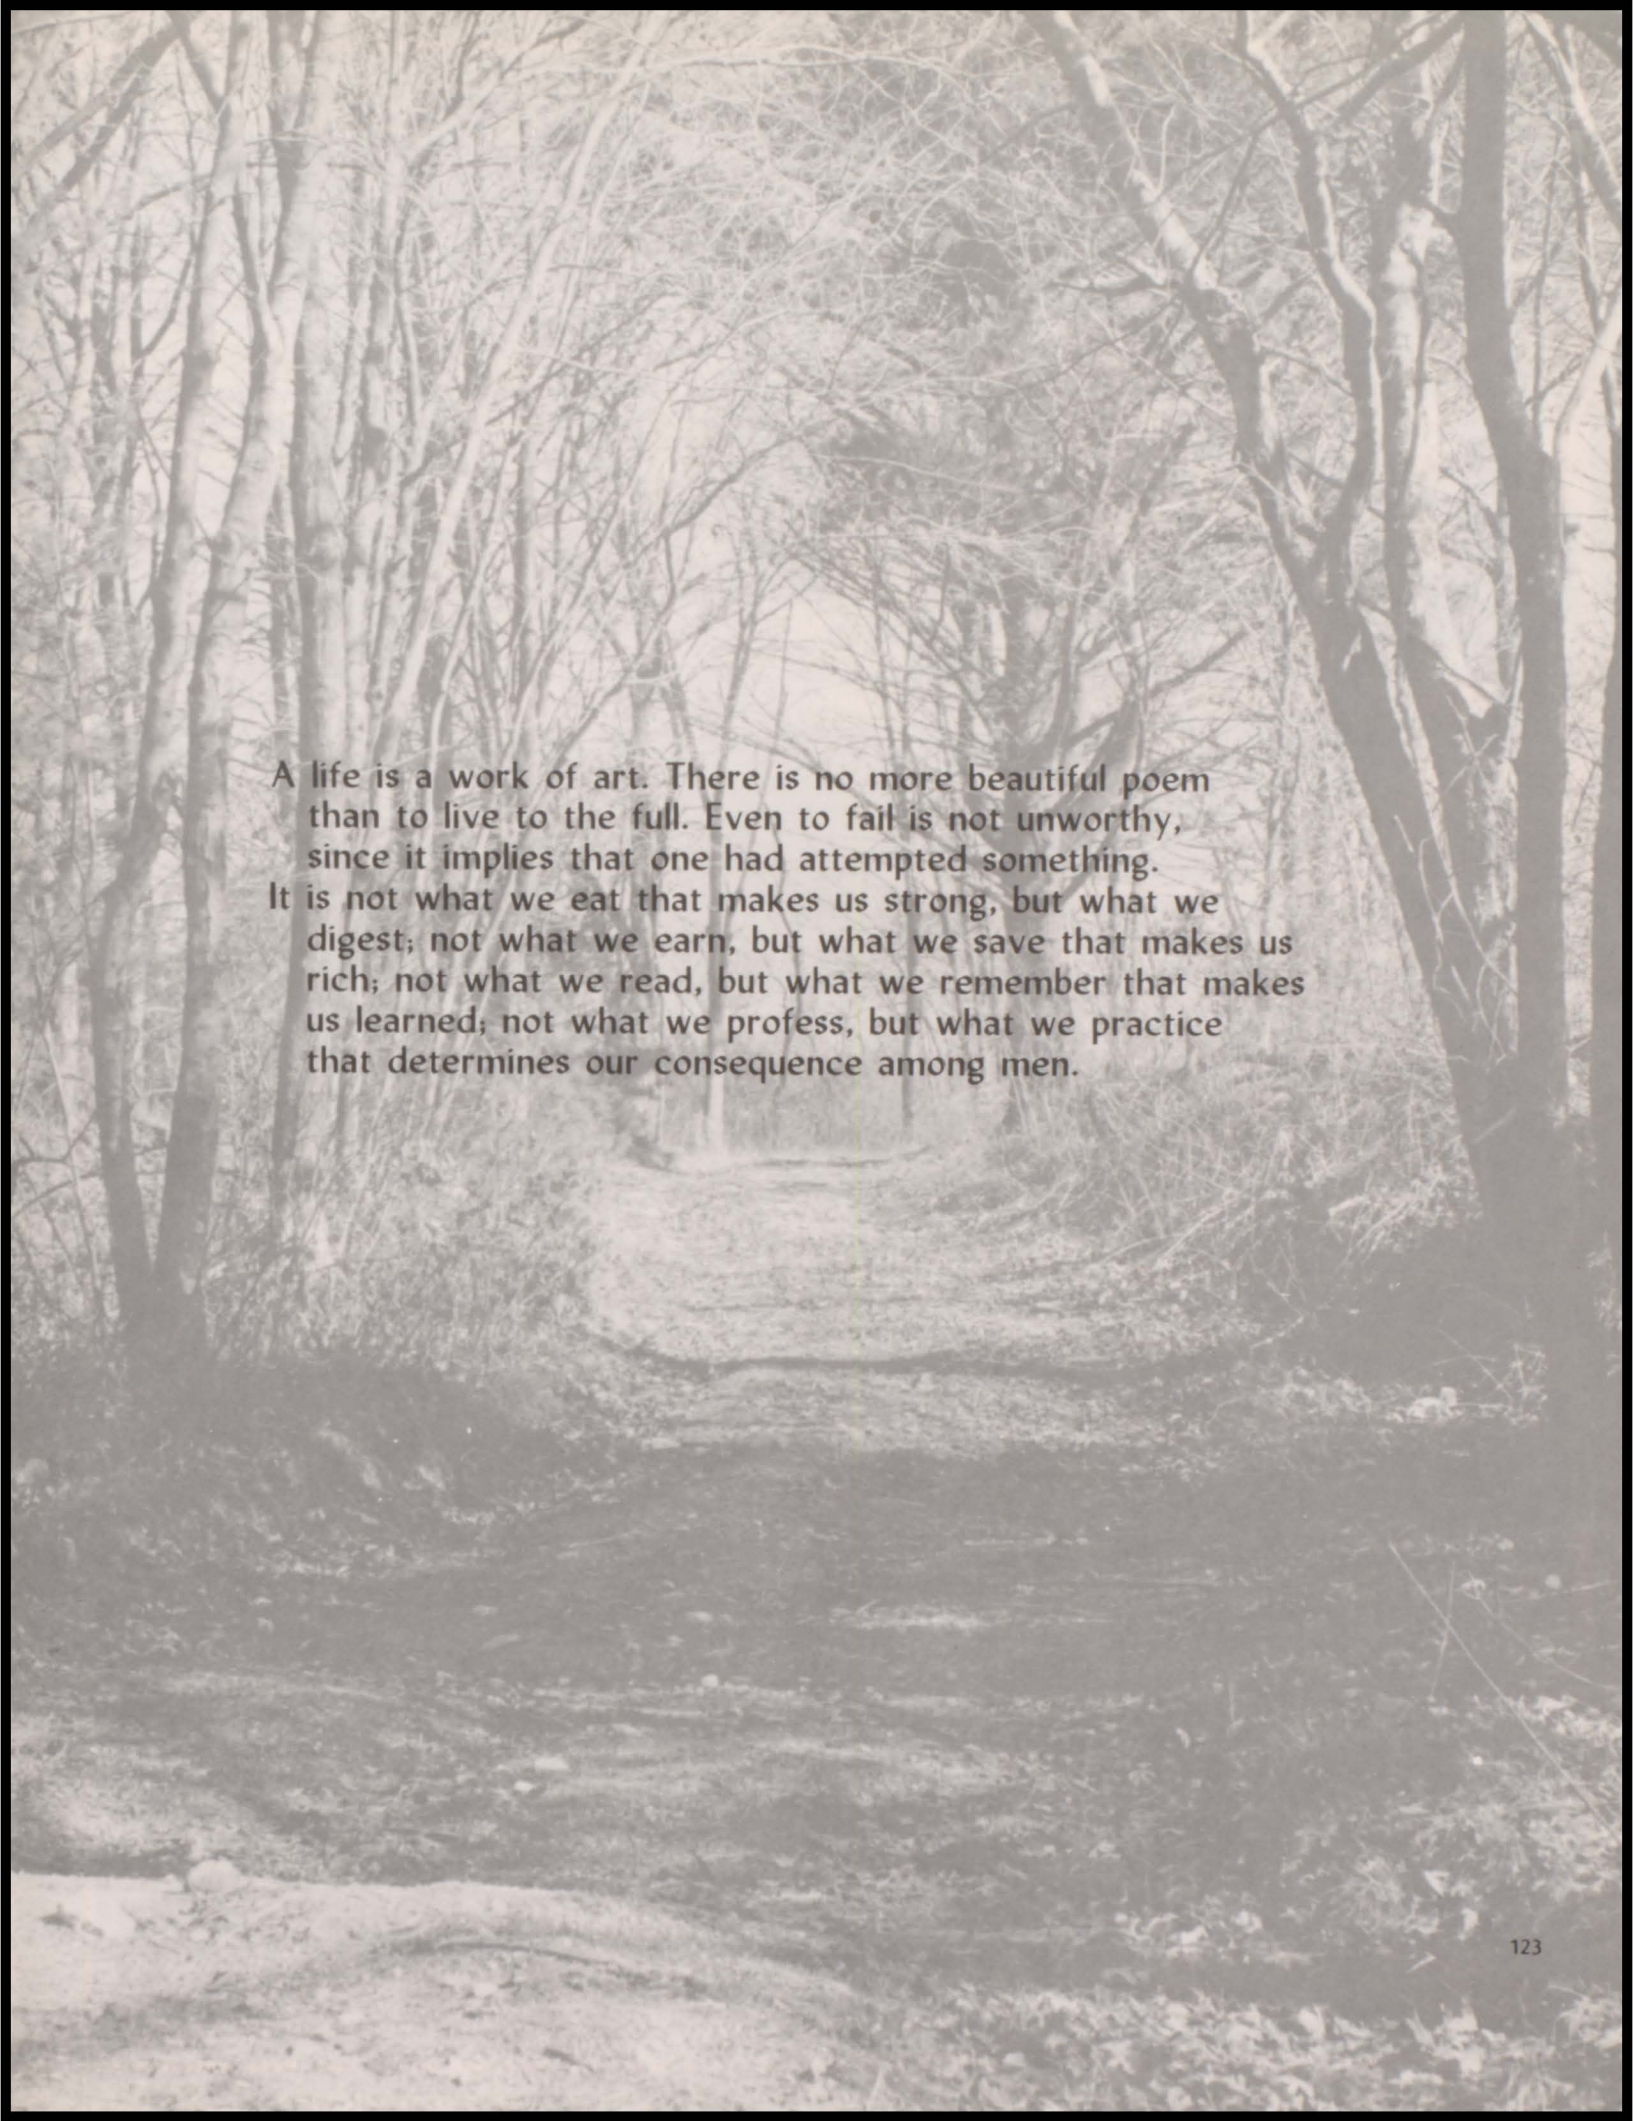

Time passes
as we seek new friends
Different times and places
our life ends.

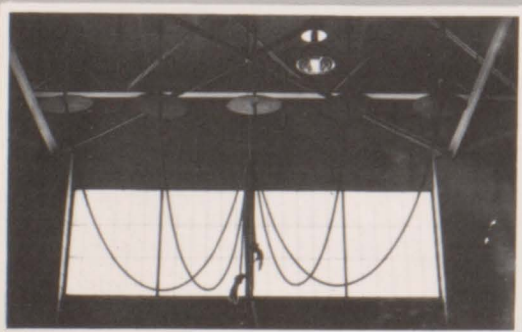

These people you meet
different in kind
And how you relate
to each and every mind.

It's hard to say
how long we'll last
Remember the friends
and all the times past.

Jeanne Levesque

A life is a work of art. There is no more beautiful poem
than to live to the full. Even to fail is not unworthy,
since it implies that one had attempted something.
It is not what we eat that makes us strong, but what we
digest; not what we earn, but what we save that makes us
rich; not what we read, but what we remember that makes
us learned; not what we profess, but what we practice
that determines our consequence among men.

Faculty

May I extend to you every good wish on your graduation. Although at times it may have seemed that the time for your commencement would never arrive, you are now about to join the ranks of the Alumni, and within a few short years you will wonder at the swift passing of your high school careers.

We hope you will look back in fondness on your high school days and in appreciation for what the Coventry High School faculty and community have attempted to offer you in quality educational programs.

As you begin a new period in your life, bring with you an understanding of the worth of both formal education and life experience. Bring, too, an attitude of concern for the needs of others, so that our schools and communities can become more effective and responsive.

Again, best wishes and God's blessings.

Sincerely,

James A. DiPrette
Principal

IN MEMORIAM

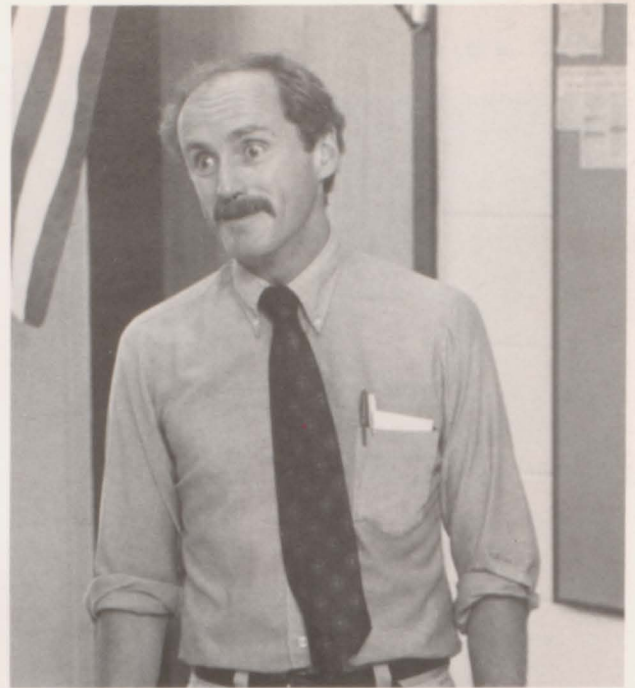

SUPERINTENDENT
THOMAS J. ROCHE

There is no death, nor change, nor any ending,
Only a journey, and so many go,
That we who stay at length discern the blending
Of the two roads, two breaths, two lives, and so
Come to the high and quiet knowledge that the dead
Are but ourselves made beautiful instead.

Oh noooooo! Mr. Bill!

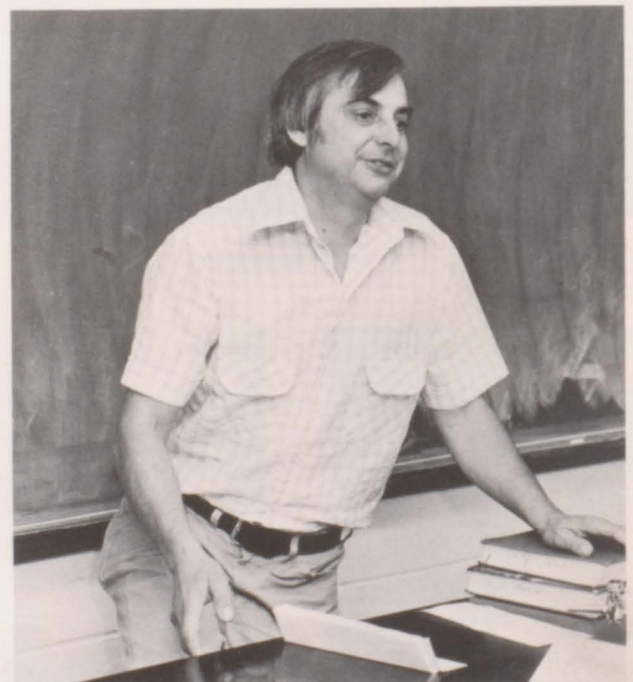

Phew!! Nice legs!

Geta outa my classa, now!

Elementary my dear Watson, elementary.

Does your mother make studjaleinna stew?!?

"Nobody knows the troubles I've seen . . ."

You won't believe it - but this stuff just moved!

Put "mi lapiz" where?!

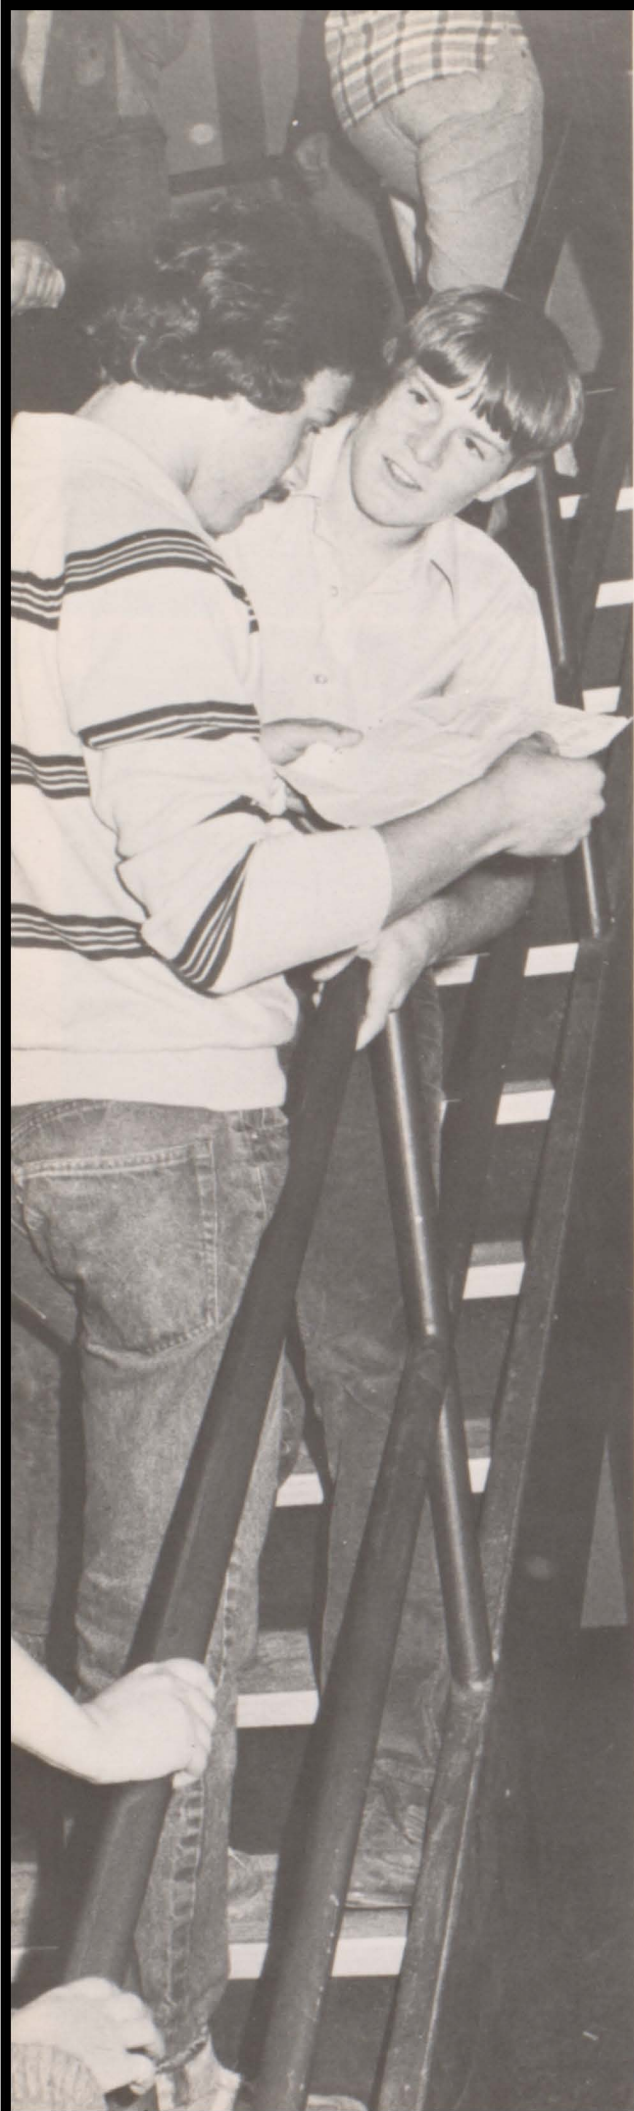

How many more thousand dollar bills should we print?

A man and his best friend.

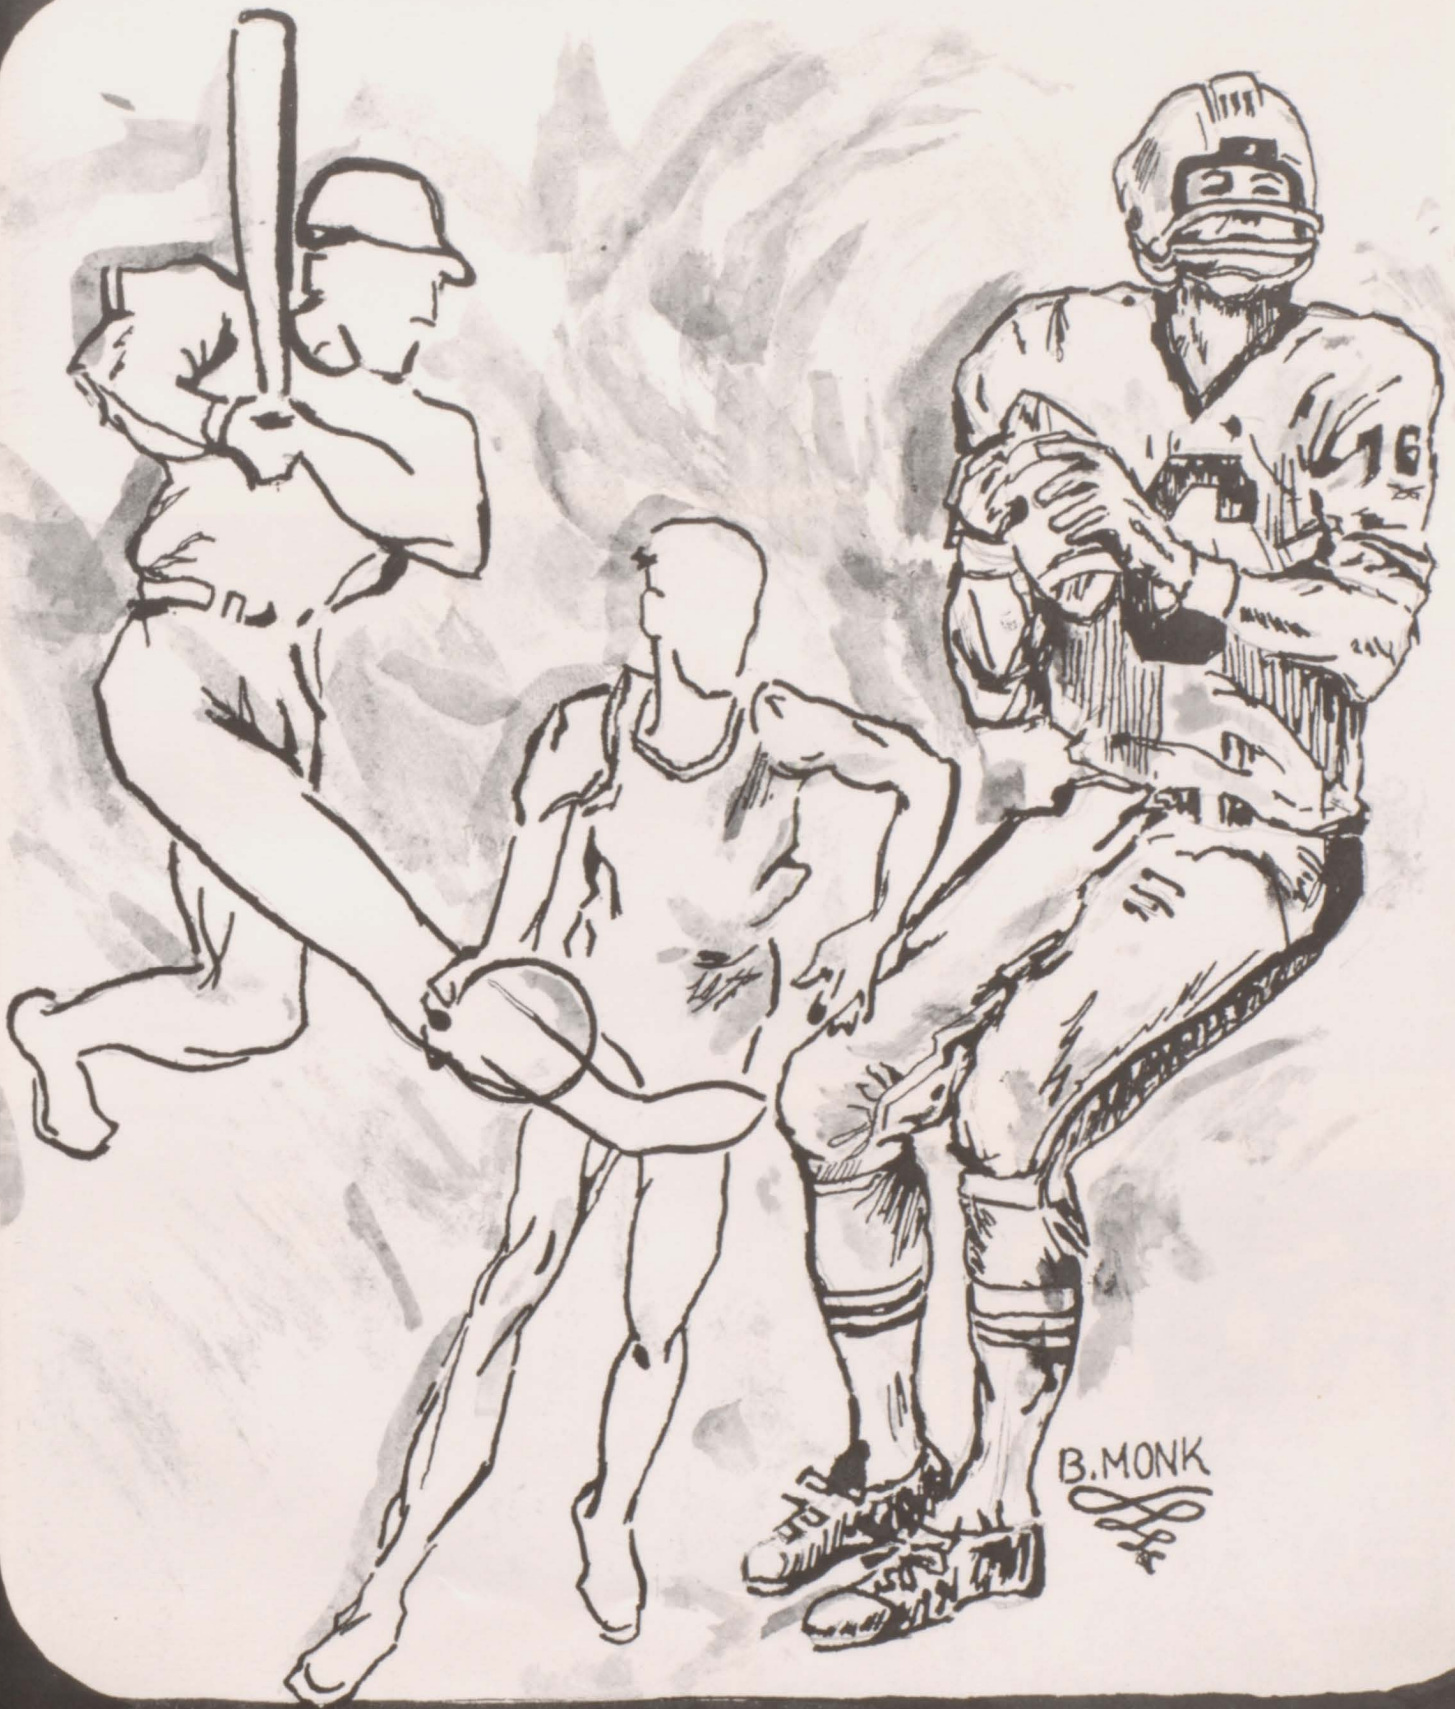

Nothing is lost on him
Who sees
With an eye that
Feeling gave;
For him there's a story
In every breeze,
And a picture in
Every wave.

Football

"Coventry football prepares groundwork for the future."

The Coventry High football team, with a record of 1-9, spent the year learning and setting the groundwork for the future. The program, in it's second year, was successful in that it welcomed a large number of inexperienced players, maintained their interest, and provided them with the amount of game time necessary to become veterans. The program graduates four seniors and welcomes 32 returnees for what should be a successful and winning year.

"Wadda 'ya mean you never read the playbook?"

Soccer

"Coventry's first varsity season proves to be a learning experience."

This was Coventry's first season playing varsity soccer, and as a result, it was a learning experience in many aspects. Before the season started, we had no idea how well we would do. A few games into the season we learned we would be competitive with many of the teams in our league. Our main problem was a lack of scoring, but this can be expected from a new team. Although we only won 2 games and tied 1 game, we were in most of the games.

Girls Cross Country

"Coventry Harriers Have A Patented Season."

The 1979 Woman's Cross Country team endured the same patented season as 1978. The outlook was promising and full of potential, but the outcome was a depleted squad attacked by serious and crucial injuries. The season? It's a simple one according to Oaker mentor Mike Mangasarian, as he states, "The terrain in this area is one of continuous hard surfaces such as roads and impacted dirt paths. These types of practice areas cause eventual muscle strains and are especially hard on ankle and knee joints. This can and will be avoided with a new practice facility for 1980."

Led by senior captain Denise Rocciotti, the Oaker harriers finished with a respectable 5 - 3 record in the Western Division. Team honors also went to junior Eileen Carr who was voted to the Western Division's second team.

The 1980 team will be one of rearrangement and rebuilding as the team will be losing three of the top four harriers. With the promise of last years new comers Dawn Diehl and Patti Hampson, and the already established veterans JoAnn Hampson and Holly Cotnoir, the Oakers should still be able to hold their own.

Coventry's Cross Country

"Oaker Harriers Finish Season With 2 Wins And 5 Losses In Duel And Triangular Meets."

The 1979 Cross Country team had a record of 2 wins and 5 losses in duel and triangular meets. They placed 5th out of 7 teams in the Cross Country Carnival and 8th in the class championships.

The team was paced by seniors Jerry Freitas and Bob Nadeau. Jerry finished the season first team Class B and Bob finished by making the 2nd team Class B.

Tom Krowleski, Joe Lambert, Scott Puopolo, and Pat Butler will be returning next year so Coventry can look forward to having a successful season in 1980.

"I thought you said this sport was fun."

Tennis

"Coventry Will Be A Tough Match In The Upcoming Tennis Season."

With the loss of only two senior varsity players, the women's tennis team should be ready for strong competition in the fall. The first half of the season was a slow one for the Oakers as they won 1 of 5 matches. The second half of their season proved to be much better than the first as the team finished the season with a 4-7 record. The team was paced by captain Jean Seltzer. Jean, who will be back next year, faced only the top players in Division C this year. Number two singles player Kelly Bettez is also expected back next year.

Basketball

"Oakers Capture The Western Division With A Perfect 18-0 Record."

The 1979-1980 men's basketball team ranks as the best team in the history of Coventry High School. Many records have been broken by these outstanding unselfish athletes. They have set the records for the most wins in a season, and have established the longest winning streak in the history of the school. The Oakers also won the West Warwick Christmas Tournament for the second year in a row. They are presently the only undefeated team in the state, and have won their first championship since the 1961-1962 season. The main reason for the Oakers success is their dedication of winning as a team. The top eight players on the team are seniors, and the starting five all average in double figures. Co-captain Doug Hopper leads the team with 15.6 pts. Next are seniors Pete Lambert with 13.5 pts., Steve "Too Tall" Lawton (Coventry's 6'6" center) with 13.2 pts., Jeff Clark, co-captain and jumping-jack of the team, with 11.2 pts., and Kevin Cloutier, the Oakers point guard, with 10.4 pts. Leon Finneran and Mark Ware are the first ones off the bench for the Oakers, and have contributed much to the team. Dan Molineaux has also played an important part in the teams success.

Leon Finneran

"Marco" Ware

Girls Basketball

"Womens Basketball Team Has Its Most Successful Season Ever."

The womens basketball team ended its 1979-1980 Western Division league play with six wins and six losses. This has been the most successful season ever for the women basketballers at C.H.S. Going into the second to the last game of the regular season schedule, Coventry still had play-off hopes (still mathematically in the race for the last two play-off spots) but were thwarted off by a strong Chariho five. Two major high lights of the season occurred when Coventry beat West Warwick not once, but twice, both being first wins over West Warwick ever. Another high light came this season when three members of the team were selected for the Division team. Senior center Liz Hoover was selected to the first team, and senior Denise Ricciotti and junior Donna Konuch were honorable mention selections. Pat Hill, the other senior on the team, contributed greatly to the teams success with her outstanding shooting. The J.V. team, not to be forgotten, had a fine year with an 8-4 record. All-in-all, it was a very good year.

WRESTLING

"Oaker Matmen Have An Impressive 10-2 Season."

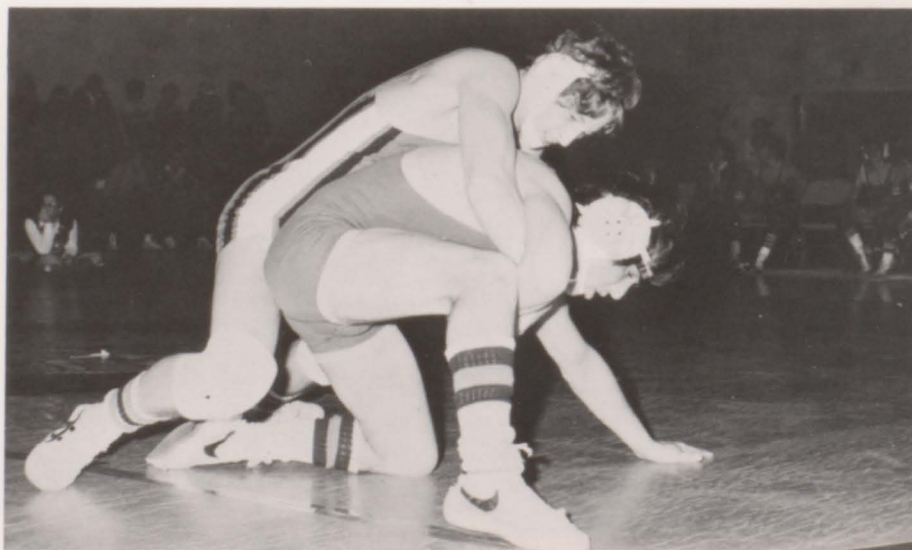

The Coventry wrestlers had another impressive year ending the season with a 10-2 record. The team was led by senior John Beese who, for the second straight year, was undefeated in dual meets. Beese also set a new school record for the highest number of pins in one season. Other seniors who contributed to the team's success were Dave Cotnoir, Pat Bullock, Mario Florenzano, Alfred Harrel, Richard Casmero, Bill Babcock and Chris Barnett. Although the team will be losing eight varsity wrestlers this year, the Oakers can still look forward to a strong season next year. Dennise Derocher, who had an outstanding year for the Oakers, is expected to return to the team for the 1980-1981 season along with many other fine wrestlers. Coventry had a fine freshman team this year. The young matmen emerged victorious with a first place finish in the Freshmen Championships.

Gymnastics

"Coventry gymnasts capture Class C Championships."

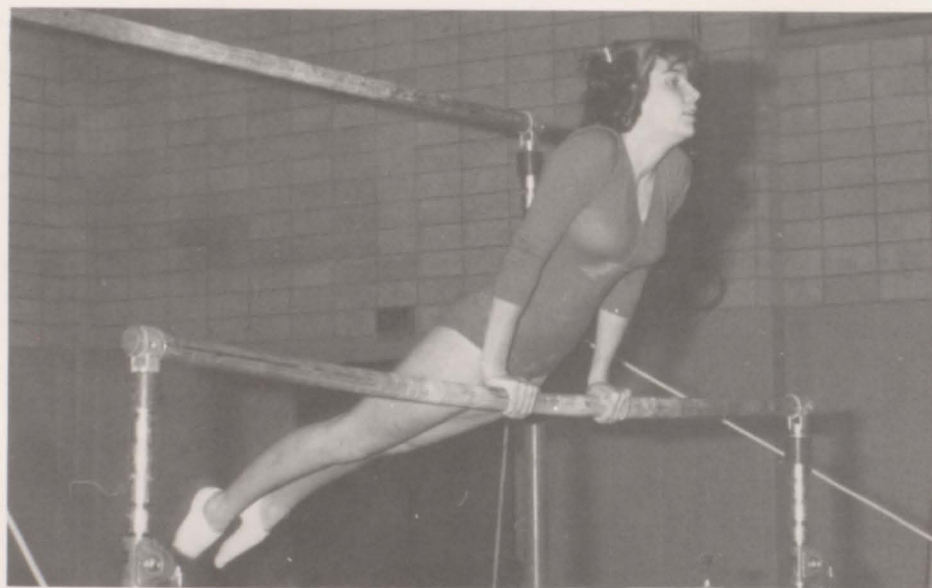

Under the direction of coach Debbie Reels, the gymnastics team ended the season with a near-perfect 8-1 record which enabled them to capture the Class C. Championships. The team scored an all-time high this year when they reached 76.55 points against rival team Cranston West. Dana Tognetti qualified for the state meet in the all-around competition while Michele StPierre qualified for the state meet in the uneven bars and floor exercise competition. With only two members of this year's squad graduating, next year's team should be a powerhouse.

"Talent In First - Place Finishers, But No Back - Ups"

The 1979 Oaker Track team was spearheaded by Don Duchesneau. Don was the strength of the weight team and on a number of occasions won the shot, discus, and javelin all in one meet. The running team was lead by Bob Nadeau and Gerry Freitas in the 880 and one - mile respectively. Nadeau, a seasoned veteran, broke the 880 record in a time of 2:01 - a record that had been standing for nine years. Meanwhile, Gerry ran his best mile at that Class Championship in a time of 4:38. The team was strengthened by Mark McQuaid in the sprints, Dave Lebrun in the hurdles, and Mario Florenzano in the shot put. The team finished the season with a 2 - 5 record, but with the addition of some new talent, they are anxiously looking forward to 1980.

girl's Track

"You've come a long way baby."

Coventry High School's women's track team has to be considered the most developing sport of any of the programs in Oaker territory. In the Western Division, Coventry finished in third place. Only state champion South Kingston and second place Westerly finished in front of the Oakers. In the state meet, however, Coventry was not to be denied as they emerged with three state champions- more than any other school in the entire state. The team was led, by tri-captains Kim DuBois, Becky Butler and Pat Krolewski, to its most successful season in the teams history. Amongst its many honors for 1979, Coventry's Becky Butler was awarded the state meet's outstanding competitor in the field events for setting a new state record in the discus. She was also the team's highest point scorer leading a talented group of tracksters that accounted for twenty-three broken school records. With only five of the twenty-five teams finishing ahead of the women Oakers, the 1979 season is anxiously being anticipated. The team will be led by state champions Laura Colborn and Liz Hoover. Oh, before we forget, back up to the first sentence of the article. It was three years ago (1977) that Coventry was undisputedly labled as the "State's worst" by finishing dead last in the state meet with zero points and by not winning a single meet all season long. You've come a long way baby!"

Donna Konuch

Laura Colborn

ROW 1: L. Krolewski, S. Bestwick, J. Hampson, K. Harrigan, H. Cotnoir, P. Robinson, S. Ruzenski, E. Carr, *ROW 2:* P. Ruzenski, L. Tatalo, D. Latraverse, S. Jarrel, H. Virtaneva, J. Setzler, N. Walker, H. Randall, *ROW 3:* Coach Mangasarian, Mgr. S. Lavoie, P. Krolewski, B. Butler, D. Konuch, L. Hoover, D. Konuch, K. DuBois, R. Corrivoie, L. Colborn, K. Hogan.

Liz Hoover

"Do you really think she can make it rain?"

Jean Seltzer

Volleyball

"Volleyball Expects To Have An Even More Successful Up-Coming Season."

The women's volleyball team which was led by Claudia Boissou, had an impressive season. The team greatly improved their record over last season's. The Oakers, who will have a flock of returning veterans in the up-coming year, will have to adjust to a new coach but are still expected to do well and hope to improve their record over last year's. Returning veterans include seniors Liz Hoover, Laura Tatalo, Chris Lowe, Paula Peltier, JoAnn Pasarelli, Sue Cabral and Carleen Quinn. Also returning are juniors Donna and Debbie Konuch.

READY... SET... GO!

TENNIS

"Tennis fares well in its first year as a club team."

Tennis finally got off the ground last spring at a club level; approximately twenty boys took part. We challenged other teams to matches and won four of ten. I thought that the team would have trouble winning one match. Our outstanding player was by far Steve Carlson. Other outstanding players were: Tim Hurley, Steve Mathias and Frank Bestwick. New comers Kurt Craig, Tom Bianco, Arther Dubuc, Jeff Monez and Pete Lambert, should complement the squad in the upcoming year. Also figuring to help this year's team are: Todd Beal, Bob Bennett, Bob Peltier, Steve Shippee and Chris Iaconna. Coventry will be playing in the Southern Division and figures to surprise many people this year. For a first year team, big things are expected — at least from their coach

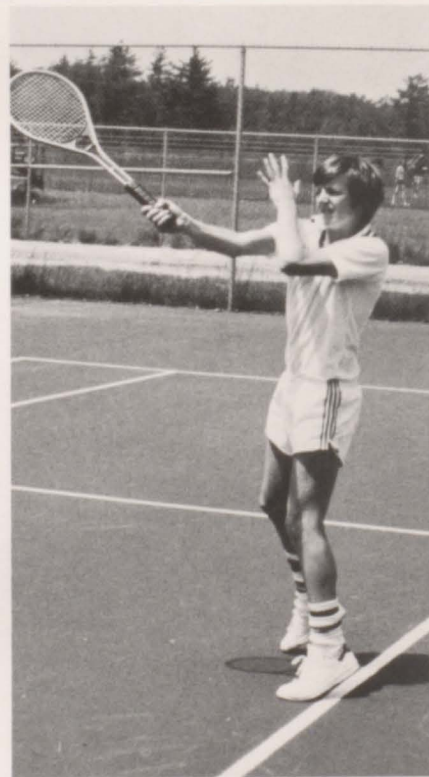

Tim Hurley

Paul Casavant

GOLF

"Golf Team Finishes Third."

The 1979 golf team finished third in their division even though they defeated the top two golf teams. Two members of Coventry's team were chosen for All-Division. They were Kevin Cloutier, third man, and Carl Nisbet, fifth man. This accomplishment made Coventry the only team in their division to have two players in the All State team. Good luck in your up-coming season.

Carl Nisbet

Mike Hopkins

Strategy.

A swing and a miss!

The crowd watches anxiously as a Coventry High golfer shoots for a birdie!

C.H.S. Golf Pro - Pete Cupples

If you think you're beaten, you are.
If you think you dare not, you don't.
If you'd like to win, but think you can't,
It's almost a cinch you won't.
If you think you'll lose, you're lost.
For out in the world you find,
Success begins with a fellow's will:
It's all in a state of mind.

If you think you're outclassed you are:
You've got to think high to rise,
You've got to be sure of yourself before
You can ever win a prize.
Life's battles don't always go
To the stronger or faster man,
But soon or late the man who wins,
Is the fellow who thinks he can.

Full many a race is lost
Ere ever a step is run:
And many a coward fails
Ere ever his work begun.
Think big, and your deeds will grow:
Think small and you'll fall behind:
Think that you can, and you will.
It's all in a state of mind.

"I know that you believe you understand what you think I said, but I am not sure you realize that what you heard is not what I meant."

"How much will you give me if I buy and eat a school lunch?"

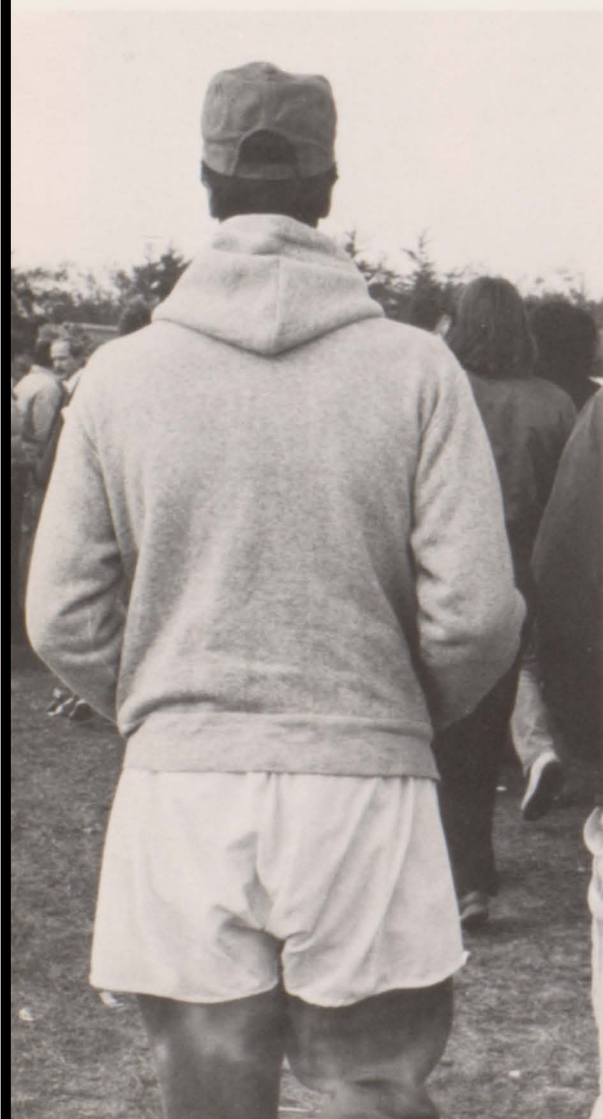

"Which key do I press to make the paper come out of the typewriter?"

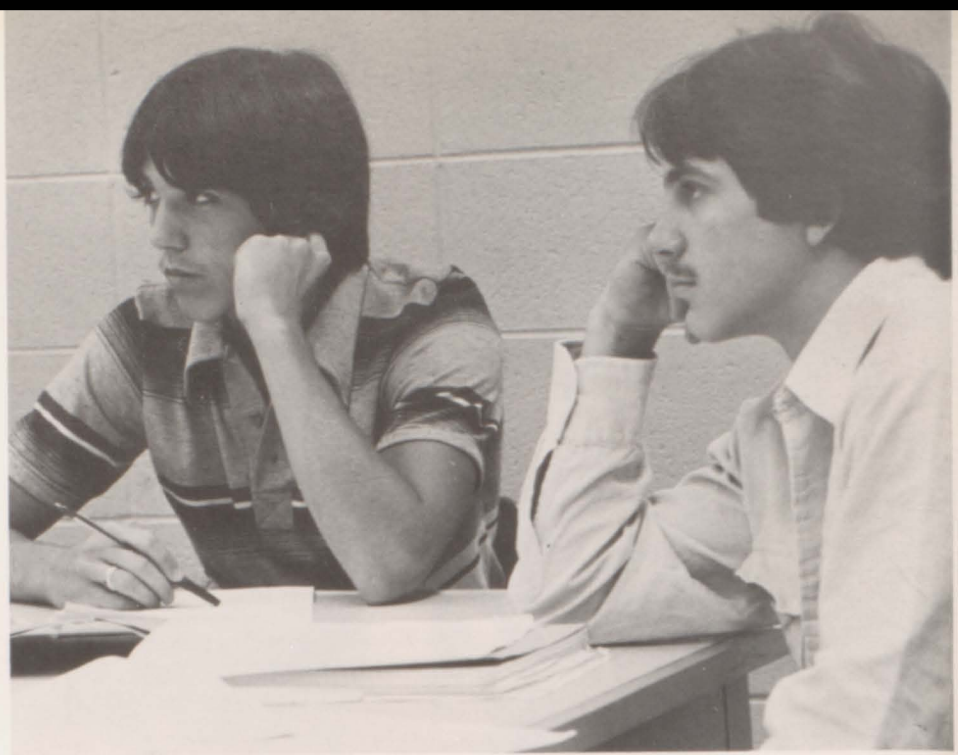

"Is it left- right- left or right- left- right?"

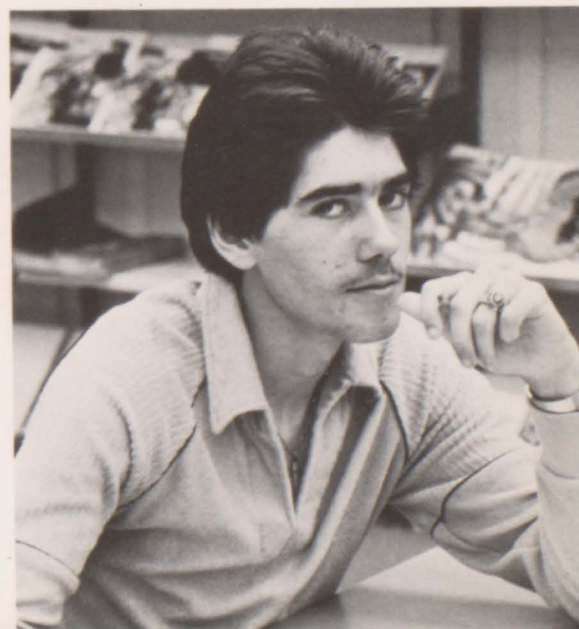

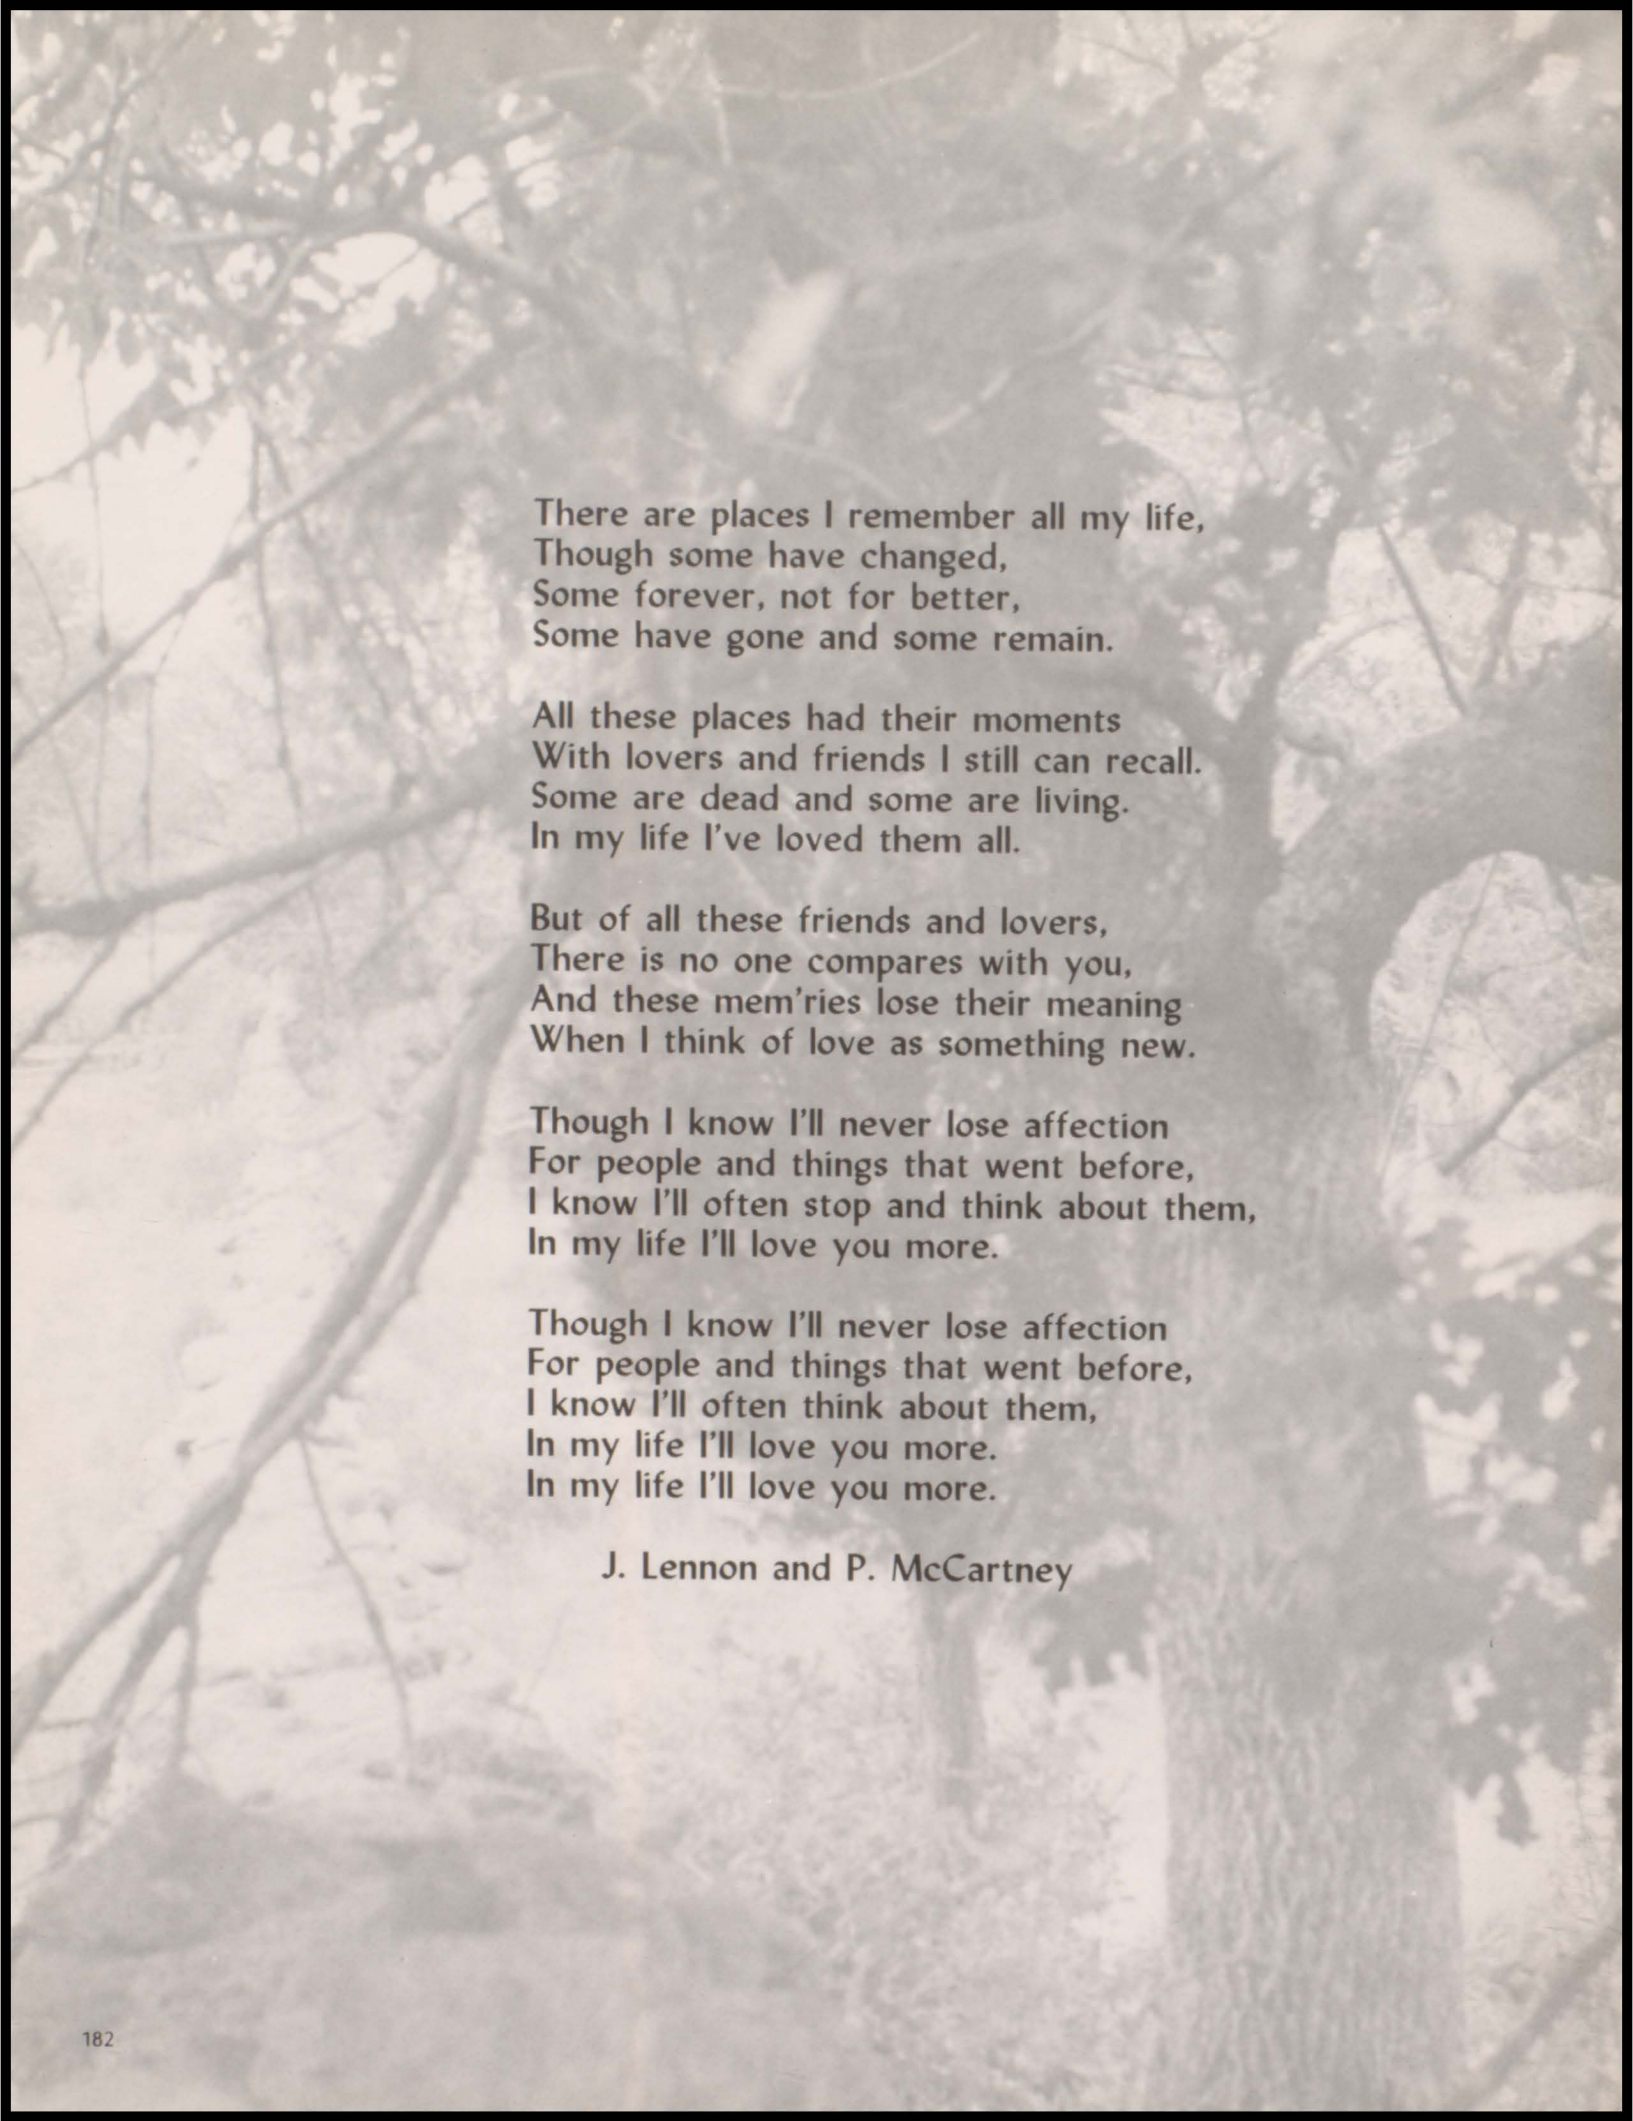

Sometimes it seems to me that it doesn't matter what I do, that it is enough to exist, to sit somewhere, in a garden for example, watching whatever is to be seen there, the small events. At other times, I'm aware that other people, possibly a great number of other people, could be affected by what I do or fail to do, that I have a responsibility, as we all have, to make the best possible use of whatever talents I've been given, for the common good. It is not enough to sit in that garden, however restful or pleasureable it might be. The world is full of unsolved problems, situations that demand careful, reasoned, and intelligent action.

Robert Kennedy

There are places I remember all my life,
Though some have changed,
Some forever, not for better,
Some have gone and some remain.

All these places had their moments
With lovers and friends I still can recall.
Some are dead and some are living.
In my life I've loved them all.

But of all these friends and lovers,
There is no one compares with you,
And these mem'ries lose their meaning
When I think of love as something new.

Though I know I'll never lose affection
For people and things that went before,
I know I'll often stop and think about them,
In my life I'll love you more.

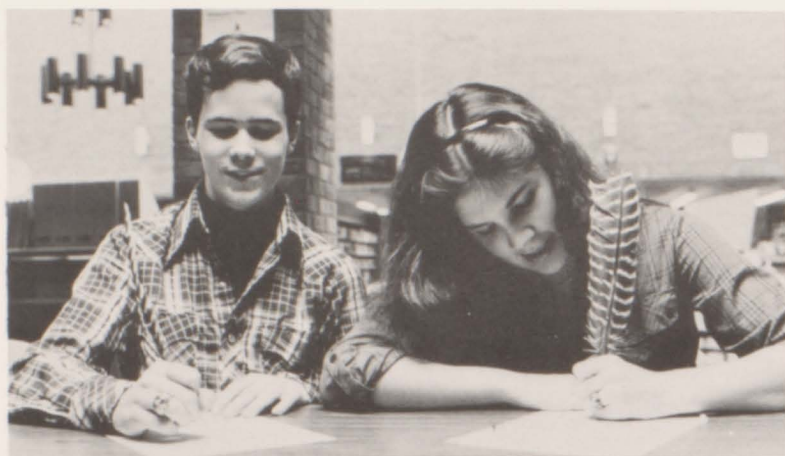

Though I know I'll never lose affection
For people and things that went before,
I know I'll often think about them,
In my life I'll love you more.
In my life I'll love you more.

J. Lennon and P. McCartney

The 1980 Class Will

- I, Melanie Amend, will my seat in the senior class to Sharon Stevenston.
 I, Marie Anctil, will my sheet music for "I'll Never Walk Alone" to Ann Couto.
 I, Brenda Ashe, will my smart remarks to Scott Tellier.
