The History of The Class of 1988

On September 5, 1984, we entered Coventry High School for the first time. Full of fear and excitement, we searched for our friends and observed the "distinguished" upperclassmen. We were told where the swimming pool and the third floor classes were. Lori Harrison was elected Class President, and led us through our "Freshmenitis" to the astonishment of many who said it could not be done. We survived our initiation year! Overall, it was not a bad year.

As September arrived and school re-opened, so had our sophomore year. Full of wisdom, knowledge, and a sense of self-esteem, we took on the long-awaited task of harassing the Freshmen! It felt good to be off the bottom and stepping upward on the ladder of leadership. As election time approached, we carefully examined the candidates placed before us. Filled with sophomoreic ideals, we elected Jenny Hale as Class President. We plunged into school activities, throwing caution to the wind. We filled our schedules with "Honors Courses," joined every club, activity, and sport available. Our major disappointment was the cancellation of the Sophomore Formal. Overall, it was an interesting and enjoyable year.

In our Junior year, some of us wanted a change of scenery and went to the West Bay Vo-Tech, leaving the rest of us for three weeks at a time to deal with the new little Freshmen, sophomoreic Sophomores, and stoic Seniors; but the rest of us were comforted by the fact that they had to deal with the Junior High kids. Shannon McLaughlin was elected class president. The Junior year was a hectic year; not only did we have to select and order our class rings, plan our prom, and prepare class day, but we also found out what work was all about- English, U.S. History, Math, Science! The result was academic burnout. In late fall we received our rings. The Junior-Senior dance was a success and everyone had fun. As Spring approached, we became excited about the Junior Prom. After weeks of frantic planning, the Prom was a success. Class Day was our next big event. With mixed emotions, we ushered the Seniors into the auditorium for the last time. Following a skit showing personality types, we accepted the gavel of authority. We turned our rings around and emerged as the Class of 1988.

At last our Senior year arrived. After a series of run-offs, Todd Ferrucci was elected president. On October 24, Homecoming Day, Shannon Self and Billy Holmes were crowned Queen and King. On December 18, we had a very merry time at the second annual Junior-Senior Christmas Dance. As the year flew by, we did our best to go on every field trip and keep Senioritis at an all-time high. The Senior Ball, held at the Hearthstone in Seekonk on May 20, was wonderful. On Class Day we cried as we realized that this was our last day at Coventry High. Finally, our big day had arrived. On June 9, we graduated. We cheered and cried as our school days came to a close.
