Faculty

What would a school be without teachers? It wouldn't be much of a school. We are here to learn, right? The teachers at Coventry High School are some of the best around. In fact, Oakers get one of the greatest educations in the state. The job of the faculty is to share their vast knowledge with students. In this capacity, the faculty are like road signs. They point the way and they tell you a lot. Road signs, like faculty, help to tell you where to go. They lead to new knowledge and the future. The relationship between the students and teachers of Coventry High School is unlike any other. Nowhere can you find a staff or more caring or helpful teachers. All of the faculty at CHS is unique. They manage to make learning fun and interesting every day. Whether they're reading the latest stories off the internet, jumping on top of desks, telling jokes to their students, or ordering out for pizza during lunch period, the faculty never ceases to entertain us with their teaching. Without our faculty, Coventry High School would be a very boring place.

Mr. Whetstine offers some sage advice on track to members of his team before heading out to practice.

Mr. Osterman points to the blackboard, waiting for a solution to the mathematics problem. You can tell by his smile that he really enjoys teaching.

New roads to take sums up the major changes that have taken place this year in the administration of the Coventry School System and Coventry High School. Mr. John Deasy was appointed Superintendent of Schools. Mr. Dennis Wilkinson took the helm as the new principal of CHS. In addition Mrs. Marquis and Mr. Rearick were appointed assistant principals, along with Mr. Egan in Student Services. Mr. Thompson was selected as the new Director of the West Bay Vocational Facility. With this new leadership, we expect many new exciting pathways to open in the future of education at Coventry High School.

The Road to Victory

Sports '97

When the day is done there are those who go home, and those who stay. It is now time to play. Sports are a stress reliever to some, and a path to college for others. It is even a chance to hit somebody hard and legally to others. Many athletes swear they would not even come to school if it were not for sports. There are those who do not score so well in the classroom, but excel on the playing field. Lessons are learned, friendships are gained, and talents are conveyed. This is the first year in which Indoor Track became an official team sport. In addition, our school is nationally known for our record breaking wrestling team. The Oakers even beat the arch-rival Wizards on Thanksgiving this year. The school year is full of highlights, but sports as a whole is a highlight. Students express themselves through sports. It is a time to perform. Whether it is football or cheerleading, basketball or soccer, sports are a significant part of student life.

Oakers Beat Wizards

Although the 1996 football team did not have the best record, the Oaker team was filled with determination. Mr. Alves took over as head coach when the well respected Mr. O'Donnell stepped down. The Oakers pulled together and shutout their arch-rivals, the Wizards, 20-0 in front of a full crowd on Thanksgiving Day. The stubborn Oaker defense held the Wizards to a record low of 49 yards total gained. The offense was led by Jimmy George, an all division selection, who dashed for two touchdowns and Peckham added another. Mulligan and Hogan alternated at quarterback, while Pennington, Corp and Kennedy led the offensive line. Because the Oakers were so young, they have a promising future in the years to come.

Captains Pennington, George, Hogan and Corp go out to hear ground rules.

Captain Jimmy George takes the ball outside to make a dash up the sideline. His speed and agility enabled him to run around his opponents.

The Oakers are set to run the ball. Jon Hogan will most likely hand off to Jimmy, just like almost every other play.

Football: 1st. row: Jimmy George, Chris Watson, Gregg Pennington, Bob Corp, Tom Walker, Jon Hogan, Rick Choquette, and Scott Hickey. 2nd. row: Mike Thibodeau, A. J. Bennett, Rob O'Leary, Tom Mulligan, Dave Anderson, Jason Ferreira, and Mike Watson. 3rd. row: Mike Greco, Craig Kibbey, Mike Palardy, Josh Sutton, Sean Mulligan, Steve Peckham, Marcos Valladares, Gunny Gonsalves. 4th. row: Head Coach Jim Alves, Joel Farren, Scott Erno, Brian Beaudoin, Parker Capwell, Tom Jervais and Trainer Henry Chevalier.

Sophomore Austin Kennedy uses his straight arm to run through his opponents.

The team comes together to get fired up before their big game.

Austin Kennedy breaks through the offensive line and smashes the quarterback. This sack marked the turning point for the Coventry spirits.

In an all out effort, the Oakers stop the running back from a first down. Now its time for the Oakers to take control.

Fire It Up Lady Oakers

The Lady Oakers reached the playoffs for the first time in three years. Mr. Short returned to coaching after taking a few seasons off. Despite losing Captain Heather Shibley to knee injuries, the soccer team came up with several big wins. Alicia Longley shined in all positions, controlling both defense and the mid-field. Freshmen Kerri Hachadorian, a new comer to the sport, sparked the offense. Jodi-Lyn Pesaturo and Kelli Knight switched in net, both making spectacular saves; while Haigh and Pinocci played brilliantly at the defensive positions. Missy Giroux always gave a strong effort and was a huge part of the Lady Oakers success. With many starts returning, the team plans to be a threat next year.

The team takes a quick water break during half time before the coach starts to talk.

Freshman Kerri Hachadorian came up huge this year for the Lady Oakers. She races to the goal to score yet another goal.

Katie Pinocci uses her powerful kick during a penalty to pass to the forwards.

Kelli Knight dribbles the ball around her opponent. Her teammates are near in case she needs help.

Alicia Longley took control of the mid-field this year. She continuously cleared the ball up field to her team mates.

Jodi-Lyn Pesaturo, who is only a freshmen, makes a tremendous save by punching this ball up and over the

Oakers shut out West Warwick

Everyone knew this was a rebuilding year because they lost so many seniors to graduation. Also their roster included six freshmen. Despite many set backs and a losing season, they were always high in spirits. Lee Walshe, who is one of the two seniors on the team, only played half the season due to injuries. Gary Puckett stood out in goal, coming up with one huge save after another. Bryant Lemme and Shawn Hennessey dominated the field, showing the underclassmen how the game is played. The practice and experience finally paid off when the Oaker Booters defeated the arch-rival West Warwick Wizards with a stunning defensive match shutting out their opponent. A highlight of the season was when Matt Holt, who at the end of the season was pulled up to varsity, scored two goals.

Lee Walshe makes yet another save in goal.

Bryant Lemme takes control of the defense and traps this ball with his chest before clearing it down field.

Shaun Hennessey concentrates on the ball and uses his skill to fire it to his teammate.

Bryant Lemme jumps up to head the ball down field. He was a major threat this year for opposing teams.

The Oakers were assisted by the fine playing of Captain Gary Pucket in net. He came up with save after save.

Rob Ferone is running through the ball and is about to bang it up field.

Shaun Hennessy leaps into the air and heads the ball.

Spikers Reach the State's Again!

The Oaker Spikers had a tough tradition to live up to. Could they repeat again as Division Champions for a fourth consecutive season? All-Stater Scott DeWare, hampered by a knee injury played outstanding, when he played. All-Stater Sean Hagerty stepped in to fill the gap and fill it he did, putting down kill after kill. Tommy Clarke worked the net and recorded numerous blocks, while Randy Arel and Tony Vigneau made many remarkable sets. The Spikers reached the playoffs with an overall record of 15-3. In the semifinals, a rested Oaker squad defeated Bishop Hendricken and advanced to the finals. Despite spirited play, the Oakers failed to repeat as State Champions, falling to undefeated North Kingstons.

Hey! Look, another block. These boys sure know how to get up. In all seriousness, the blockers were a significant part of this team.

Two Oaker Spikers combine their efforts for an awesome block.

Tommy Clarke jumps up to once again make a remarkable block.

A Great Return

The girls tennis team had an outstanding season, ending up fourth in the state for Division A. Co-captains Lisa Barry and Karen Castenson, who also play singles position one and two respectively, did an excellent job preparing the Juniors and underclassmen for next season. In the state competition, Lisa Barry made second team All-Division and the dynamic duo Beth Dlugos and Kelly Levesque qualified for first team All-Division. Lauren Aubin, Danielle Godin, and Christine Benitez were also among the top players for the team. Coach Macomber continues to lead the girls tennis team through numerous successful seasons.

Harriers Sprint to the Finish

During the 1996 season, the Oakers cross country team started with a strong senior line up. Five returning seniors with two fantastic freshmen runners made it seem possible that this would be the year. Pete Dawson, the strongest contender for a place in the state meet, led the Oakers as their captain. Veteran runner Jeff Stevens was always hot on Petes' heels followed by Ian Smith, Ryan Webb, Steve Schayer, and freshman super star Dave Porto. First time runners Dan Buehner and Kevin Lester contributed greatly to the depth and strength of the team along with Aaron Watson, Rob Taylor and Mark Labossiere. Sophomore sensation Ian Smith quickly took charge of the number two spot on the team when Jeff was hurt. Although their record was only a humble four and six, let it always be remembered that through the hundreds of miles of practice and racing this was truly a team with fortitude and heart.

Peter Dawson poses with Coach LaButti before the race.

We Ran , Ran, and Ran

The Girls Cross Country Team had a successful season this year. In fact, they placed third in the hardest division in the state. Cross Country is a demanding sport which requires complete dedication. The Lady Harriers success can be attributed to the way the team functioned as a whole. First year senior runner, Michaela Thompson, was a pleasant addition to the team this season. She made All-State and continued to run her way to the All-New England Team. The harriers were also led by Jen DiCarlo, Stephanie Chandler, Becky Argal and Jackie Horlbogen. These four runners consistently scored points for the team by finishing in the top five on the team. With many of the Lady Harriers returning, next year promises to be successful for both the team and for individual runners.

Senior Beth Lynch enthusiastically nears the finish line after 2.9 grueling miles.

Jennifer DiCarlo takes one more race off her list of races to go.

April Hazard leads a long path of athletes in hopes of running a great race.

After the race the Lady Harriers are overcome with fatigue and exhaustion. These runners are not given enough credit for the hard work this sport entails.

Oakers in the Barnyard

The Lady Hoopsters had a spectacular year finishing second in A-Central before progressing to the play-offs. Sharpshooter Kelli Knight ranked among the top throughout the league in 3-pointers. Power forward Heather Shibley recorded one double-double after another. Other captains Karen Castenson and Kelly Levesque came up with some big plays. With Jackie Horlbogen's speed at point and deensive skills and Kayla Ferri's outside shot, the Lady Oakers were tough to stop. One reason for this year's success can be credited to the fact that these players were not just a team, they were friends. From country music and the yee-hah's to cows, this team will never be forgotten in a lot of people's eyes.

Hoopsters- Turn it Around

Although the boys basketball team started off to a slow start, they finished their season close to .500. Captain Sean Hagerty pulled down his share of boards, while Keith Goward became a threat that other teams had to pay attention to. Mike Howard helped the Oakers have a stronger inside game. Juniors Greg Fecteau and Tony Vigneau fired from the outside, continuously racking up the points. Greg's shot at the buzzer beat the Wizards, and Tony's almost-half-court shot put the Oakers into overtime against North Providence. Sophomore sensation Sean Mulligan was named the MVP of the Christmas Tournament. This young team is expected to have a bright future next year.

Tony Vigneau takes a shot from the NBA three point line.

Sean Hagerty blocks out the noise and he concentrates on making this foul shot.

Keith Goward is on the ball during an Oaker full court press.

Boys Basketball: 1st. Row: Mike Palardy, Tim Bilski, Tony Vigneau, Greg Fecteau, Dave Doucette. 2nd. Row: Coach Szymkowicz, Mike Howard, Keith Goward, Sean Haggerty, Sean Mulligan, Ryan Palmiere, Tom Mulligan and Coach McGovern.

Greg Fecteau pushes the ball up court against a pressure defense.

Tony Vigneau scrambles for a loose ball.

Sean Hagerty drives through the lane to get a layup.

The Oakers get fired up in pre-game activities before taking the court.

Sean Mulligan dribbles the ball to get his concentration back before taking a critical foul shot.

Skaters Ice Play-offs

Even though the championship hockey team lost many standouts due to graduation, they came back this year ready to play. They skated all the way to the Class B championships. In an overtime match against Pilgrim, Jeff Goodwin scored to clinch the victory. Goodwin had a brilliant season often leading the points bracket. Seniors Chris Moore, Donald Poirier, and Howie Hopkins stepped it up big time. Jay Derrick probably would have led the league if checks were recorded. He was also one of the best defensemen in the league with a slap shot not even the goalie wanted to stop. Todd Petschke was also a force. Brian Goffe, who was constantly in the scoring column, had superb skills with the puck. This hockey team left little to be desired this year.

Jeff Goodwin is one of the best hockey players in the state. He led the team to the play-offs.

Neil Lesniak lines up to win the face off along with his line mates

Hockey -1st row: Don Poirier, Todd Petschke, Howie Hopkins, Phil McAfferty, Greg Riley, Matt Picotte, Chris Moore, Jeff Goodwin; **2nd. row:** Coach George Egan, Matt Millete, Jason Goffe, Jared McDonald, Neil Lesniak, Richard Cachiotti, John Brown, Matthew Duhoski, Brian Goffe, Jason Jones, Jason Derrick, Matthew Lindstrom (waterboy), and Assistant Coach Edward Payne.

Matt Duhoski, Jason Goffe, and Chris Moore are setting up to take down anyone in their path. The team watches anxiously, hoping to get their chance on the ice.

Jay Derrick beats his opponent to the puck and then passes it to his teammate.

Greg Riley is a huge part for the success of this team.

Sweet Sixteenth!

The wrestling team won the state championship for the sixteenth straight year. Our record holding team went undefeated in the duel meet season. In addition, Coventry won both the Junior Varsity and Freshmen States. At the state tournament Junior Shaun Hennessey and Justin Lewis both won their weight class clinching first team all-state. Hennessey, who is one of the select few who remained undefeated throughout the season was rated 12th nationally by Wrestling USA News. Chad Fratus was also a force to be reckoned with during the season. Coach Bob Smith credits the entire team with the victory. The captains showed the underclassmen the dedication and discipline required to win. Our Oaker wrestlers plan to be a powerhouse once again next season.

The referee declares Shaun Hennessey the winner in his match in the 160-pound class.

Shaun Hennessey, ranked 12th nationally by Wrestling USA News, went 24 - 0 this season with moves like the one below.

Wrestling: 1st. row: Krystal Smith, Ashley Hebert, Anne Bednarski, Cassie Bardi, Amey Fregeolle, Christina Ayliff-Jesup, Melanie Carr, Jillian Argall, Meghan Butts, Maria Conca, Renee Hammond; 2nd. row: Tiffany Brown, Ryan Hennessey, Matt Cole, Justin Lewis, Steve Bucacci, Artie Souza, Shane McGrath, Jon Skaling, Ryan Sherlock, Julie Calderone; 3rd. row: Coach Bob Smith, Dan Sullivan, Bob Corp, Mike DeGraide, Fritz Pluviose, Ryan Rocchio, Shawn Hennessey, Chad Fratus; 4th row: Coach Steve Bucacci, Mike Casimire, Matt Skaling, Josh Sutton, Casey Slezak, Craig Kibbey, Mike Skaling, Mike Polion; 5th row: Dan Sullivan, Brian Godin, Tom Jervis, Parker Capwell, Adam Taylor, Scott Erno, Jeremy Zabbo, Chris DiMicco, and Matt Stowe.

Jon Skaling works out of a difficult position to bring his opponent under control. Oaker wrestlers are taught to take their time; maintain their composure during matches and wait for the opportunity to take control of the situation.

Junior Artie Souza, wrestling at 130-pounds brings his opponent to the mat.

Senior Bob Corp, at 275 pounds, sizes up his opponent during the opening moments of his match.

In-Door Track Begins

This was the very first year that Coventry High School offered a girls indoor track team. As anticipated, many girls took advantage of this opportunity. Success, too, came with the large turnout of girls. The team, coached by Mr. Whetstine, finished in the first half of its division. A highlight of the season came when the harriers tied St. Rays, a powerhouse in the track field. At Class Championships Coventry was led by seniors Michaela Thompson and Danielle Godin. Coventry's state bound squad includes Erin Meenah in 300m, Jenelle Sgagliardi in 1000m, Danielle Godin in hurdles, and Michaela Thompson in 3000m. Also, the 4X440m relay team consisting of Becky Argal, Michaela Thompson, Steph Chandler, and Kathy Fitzpatrick qualified for states.

Jo Anne Montalbano, Danielle Godin and April Hazard sparked the team during its first season to ainning record.

Concentration and coordination are the keys to being a successful hurdler.

In-Door Track- 1st. row: Kim Morton, Melissa Holt, Erin Meenagh, April Hazard, Jo Anne Montalbano, Danielle Godin, Erin Grant, Michaela Thompson, Allison Blackmore, Sara Chaffee-Standish; 2nd. row: Jessica Rainville, Beth Dlugos, Nicole Lavoie, Kristine Morgan, Lauren Lavoie, Kathy Fitzpatrick, Nikki Hattoy, Erin Drought, Becky Argall, Berni Lynch, Danielle LaBranche; 3rd. row: Lee Chagnon (scorer-manager), Coach Clem Soscia, Karlene Kreuter, Steph Chandler, Kelly Remick, Ololade Falola, Rachel Tessier, Jamie ReKrut, Alicia Charpentier, Kristie Soscia, Adrienne LaBranch, Megan Evangelista, Vicki Hughes and Coach Luke Whetstine.

Waiting in the three point stance for the starting gun to go off is nerve wracking. Those moments before the start require runners to block out everything except the sound of the starting gun.

Danielle Godin makes a perfect jump, clearing the hurdle in with several inches to spare. Her form is the result of many hours of practice.

Clearing the hurdle and landing on your feet, ready to race to the next obstacle is the key to victory.

Stops Along the Way

Student Life

Let's face it. There's got to be more to school than Academics. We are now about to enter the realm of after school activities. At Coventry High School there is a lot to do after school. Besides sports (which is a different subject entirely) there is a myriad of clubs and events for students to partake in. These activities include student council, AFJROTC, Class organization, band, yearbook, and WCVY Radio. CHS students are never at a loss for something to do. A lot of student life activities are geared towards helping the community. Almost every CHS student does some community service during the year and DECA does lots to aid the community. Activities like Varsity Revue, Science Fair, The Entry, and many others help to combine school and outside life. While much of the work for these activities are done in school, a lot is done out of school as well. Student life is what makes school fun. Yes, school can be fun. You just have to know where to look, and at CHS you don't have to look far.

Science Fair

Half-asleep students stumble through the front doors with large pieces of cardboard, strange mutant plants, and interesting chemicals in their hands. This can only mean one thing: It's Science Fair Day. The annual CHS Science Fair was held on February 12th. The Projects included testing the effects of caffeine

on plants to studying the reaction of mice to different kinds of music. Over 100 Honors students participated in the event which gave them the opportunity to apply their research and experimental skills. The top 7 projects will take part in the RI Science and Technology Fair at the Community College of Rhode Island.

Snowfall to Remember

On Friday, January 24, juniors & seniors freed themselves from a stressful exam week as they entered West Valley Inn for a "Night To Remember". Everyone was elegantly dressed, the ladies with their flowers, and the guys with their boutonnières. Everyone was greeted by Mr. Hobin & Mrs. Baxter. After waiting

in line for pictures, dinner was served to the dislikes of many there. Although the music had been playing since the beginning of the evening, no one began dancing until after dinner. From then on the dance floor was filled & everyone enjoyed a wonderful evening.

A Day at West Bay

A typical day at West Bay begins at 7:45 AM. and ends at 1:10 PM. During this time, students receive the on the job training that they will need for their chosen career. It gives them the chance to decide whether or not they will like their career. The students actually work with the public by repairing cars, or VCR's, making business cards, or baking pastries, working with patients, or helping children, even exploring nature.

What most people seem to enjoy most about West Bay is the school's population. It is far less crowded, allowing everyone to walk through the hallways without bumping into anyone or anything. It is also said to be more freedom there. A student can actually leave the class (with teacher's permission) without a colored pass and not get in trouble.

Over all, West Bay is a great school. Don't be intimidated by what you may hear from other people. It's all what you make it out to be.

Jen Sousa gains on-the-job experience as an aide at the Blackrock Elementary School.

Michele Selter works with pre-school children at the West Bay Child Development Program.

Tanya Jankowski and Andrea Verrier stand near the off-set printing press waiting for more paper.

Steve Lucia and Jason LaPearl repair a computer in Electronics Technology.

Mike McCoy take a break in Machine Technology.

Brian Korus, Tim Lambert, Brian Gagnon, Mike McCoy, Jay Couture, Victoria Cox, Allan St. Onge and Jim Freeman gather around the Christmas Tree waiting for vacation to come

Joe Hartman, Victoria Cox and Steve Croft were selected to represent West Bay at the State V.I.C.A.

Amanda Lima, Amy McGreevy, Nick Sanderson and Destiny Mills prepare pastry for break cart.

Student Council

Of all the school activities, student council is the most popular. Student council is a group of kids who make a difference in our school environment. Student council, this year is led by senior John Hughes, our president, who led us through a very successful year.

A few days before the start of school, the student council came together as a body for another year. The year opened with a splash at Heather Curley's pool party. Then later we cleaned & organized our student council office, and prepared for a banquet for our devoted teachers. Later came Homecoming. Student Council put together a spectacular parade which started at the Coventry Credit Union and ended at our school. Student Council breaks up into subcommittees for different events, such as our Secret -Pal system, Health fair, and the ever most popular spirit week, which was a great success. Our 4 classes competed between PJ day, dress-up day, and the famous Anything goes. The week concluded with a dance March 21. The Varsity Review took place on March 8 and 9 in the school auditorium. The Review was a smash success because of acts such as the Oakerettes and our solo vocalists. Student Council took two trips this year to the Alton Jones campus. These trips helped to develop leadership skills, while still having fun.

Student Council meets every Thursday in the school's auditorium to discuss new ideas and review current projects. In addition to our President John Hughes, other officers include Jeff Klein, our Vice President, Carrie Burton is our Corresponding Secretary, while Nico Clift is the Recording Secretary. Lisa Brennan is our Treasurer. Our student council advisor is Mr. Ernest DiMico, and our new co-advisor to Mr. DiMico is Mrs. Tracy. Mrs. Kelly continues as our assistant. All members and advisors has done an exemplary excellent job with running student council, as they have done in the past, and will continue in the future.

Student Council Officers: Carrie Burton, Corresponding Secretary; Nico Clift, Recording Secretary; Jeff Klein, Vice-President; John Hughes, President; Lisa Brennan, Treasurer; and Ernest DiMico, State Representative.

Student Council: 1st. row: Autumn Fiske, Tina Miller, Lisa Brennan, Jeff Klein, John Hughes, Scott Bear, Shana Emmett, Ernie DiMico; 2nd. row: Mr. DiMico, Heather Pi, Eric Martin, Brian Sperlongano, Jeremy Tonet, Chris DiMico, Stephen Dupree; 3rd. row: Mrs. Kelly, Nico Clift, Lauren Rupp, Michaela Safford, Vicki Hughes, Nathan Horodysky, Tony Mosca, Laura Gast, Abby Fogarty, Vinney Mesolella; 4th. row: Doug Mattoon, Carrie Burton, Kristen Bennett; 5th. row: Evan Hall, Daryl Gast, Lauren Aubin, Stephanie Izzo.

TheVarsity Review

This year's Varsity Revue was graced with two hilarious MCs, John Hughes and Evan Hall. They set the audience up for each act and added much humor to the presentation. Many hours of hard work and rehearsal paid off with a highly talented and successful performance. Under the guidance of Mr. DiMicco,

director Lauren Aubin, assistant director Alena Chabot and stage manager Lauren Rupp provided students and towns people with two hours of entertainment which included dancing, singing and comedy routines. One highlight was *Hitler Stole My Potato*, playing their debut C.D., *Don't Play with your food*.

DECA

DECA is an association of marketing students, and also a big part of the marketing program at Coventry High School. This year's chapter president was Jennifer Andrews. Through her leadership skills and dedication, DECA had a very strong and productive year.

On October 30, 1997 Deca Day was held at the Johnson and Wales Inn in Providence. During this day, the students were given an overview of Deca, and were able to participate in several business and marketing programs offered today.

In the month of Novem-

ber, DECA started the beginning of Coventry High School's annual Christmas project. Under the guidance of the marketing teachers Mr. John Macomber, Mr. Jim Alves and Mrs. Kathy Laroque, the students were able to help hundreds of needy families in and around Coventry. A total of 6400 gifts were collected, which helped many needy families have a special Christmas. Along with many other projects, Deca also runs the school store during lunch periods.

This year the Deca students were able to participate in National and State Competition.

DECA: 1st. row: Jill Argall, Jen Andrews, Meagan Defedele; 2nd. row: Ann-Marie Walsh, Areli Calzada; 3rd. row: Tim Bailey, Adrienne Cournoyer, Jen Legault and Marissa Gostomski.

Reach Out

Reach Out is a club at Coventry High School. In it's eighth year of existence, Reach Out has provided students with and without disabilities the opportunity to interact, to be together, in fun and meaningful activities. Students interact in a number of different settings: In the classroom, they work together, at gym

they engage in sports and activities, in the lunchroom they socialize. In addition students interact together in the community. Reach Out is an enjoyable and rewarding activity from which everyone benefits. Students willingly give up their study hall periods as well as time after school to participate in the club.

Photography

The Photography club, under the direction of Mr. Marcure, Advisor, is very active both in and outside of school. In addition to learning the basics of photography and dark room procedures, the club provides photographic support to all organizations in the school. Student photographers cover dances, Home Coming, Pep rallies, athletic events and much more.

Many of their candid photographs are published in the Entry, the Coventry Courier and The Knotty Oak -to include the opening page to your yearbook. In addition the club has gone on photographic field trips to Boston, Mystic, Newport and Providence. Club members, not only learn a lifelong hobby, but help to create a photographic record of CHS.

Club Officers: Kelley Schwartz, Treasurer; Shakira Baker, President; Valerie Kirton, Vice-President and Beth Very, Student Council Representative.

Photography Club: 1st. row: Jen Engle, Lauren Retelle, Amy DeGraide, Becky Gliottone, Beth Very; 2nd. row: Kelley Schwartz, Steve Magnanti, Brian Turgeon, Sam Stevens; 3rd. row: Josh Moore, Lindsay Selby, Desiree Rojas, Shakira Baker, Chris Moore and Mr. Marcure, Advisor.

Entry and WCVY

Two very important clubs, advised by Mr. Grady, keep the student body and community informed and entertained. They are the Entry, the school newspaper, and WCVY, the radio station. Computer labs have changed the way students publish a newspaper. Desktop publishing gives them complete control over

format and layout and the hands on experience provides staff members as they keep everyone informed about school activities. With its DJ's and behind the scenes programmers and managers WCVY fills the air waves with the music Oakers like to hear, as they have a good time, while gaining valuable experience.

Entry Staff: Nicole Lavioe, Amy Barlow, Melyssa Beaudry, Kristen Bennett, Jen Berk, Eva manda Brown, Joseph Celani, Chris Chilo, Jamie Fogarty, Amy Lockwood, Jason Messier, Chenoa Morris, Danielle Nagy, Joe Roch, Jon Rollins, Audra Tellier, Rose Vallier, Chilton Crete.

WVCY Staff: Nico Clift, Mandy Brown, Chris Simpkins, Alaina Chabot, Mark Weinzierl, Andrew Bent, Dave Patnaude, Production Manager: Jamie Fogarty, Program Director: Ryan Riel, Music Director: Carrie Burton, News Director: Lauren Rupp.

R.O.T.C.

The RI 81st Air Force Junior ROTC program of Coventry High School offers cadets an opportunity to partake in varied community service activities. Cadets participate in activities such as cadet staff, retirement home visits, soup kitchen support, rocketry, model clubs, and an air honor society. Cadets partici-

pate on Drill Team, Honor Guard, and Color Guard which requires commitment, dedication, and team work. These qualities build character and responsibility. Cadet involvement makes the Coventry High School Air Force Junior ROTC program highly successful.

Color Guard performs at the opening ceremonies at the Pawtucket Red Sox.

Cadets volunteer their services at a local soup kitchen. This is one of the many community service projects of AFJROTC. Cadets lower the flag at CHS. Cadets come to attention at the beginning of a board meeting. At the right is the Cadet Honor Guard table members.

Students in Action

Interact Officers: 1st. row: Byron Dowling, Casey Lynch; 2nd. row: Joe Roch and Fred Senerchia.

Heather Shibley receiving award for the Walk-a-thon she sponsored for the Cancer Soaciety.

Oakers are involved students. They give much of themselves, both on an off campus. Sociology and Psychology students perform a minimum of 30 hours of community service as part of the classes. You will find them at nursing homes, the food bank, tutoring in the elementary schools and many other sites.

Interact is a new community service club which volunteers to help people in the community. In its first year, it has been involved in several projects. Students, such as the Library Aides, volunteer to help out in the school. The Math League and Academic Decathlon compete throughout the State.

Academic Decathlon Team: 1st. row: Amy Barlow, Julie Doucette, Jennifer DiCarlo; 2nd. row: Andrew Bent, Ernie DiMicco, John Hughes, Jeremy Tonet, and Beth Dlugos.

To Stephan with Love

You have been so special to us. You taught us the true meaning of love, patience, and understanding. God made you special for a reason that only He knows. You have never let your disabilities hold you down and have grown into a fine young man. The future is yours and you will be a success -that we know. Never lose that special love you have for everyone. You will always be our little Steve, you can count on that.

All our love
Mom, Dad and Peter

Best Wishes Joseph

We are very happy for you today. We are dedicating this space to say your mom would be very proud of you today.

God Bless
Love,
Dad, Dale, Mat

You're all Grown Up

Steve

Where have the past 21 years gone. I remember when I could hold you in my arms and mashed potatoes and gravy seemed to solve every problem. You are all grown up now and I wish you nothing but the best in the future.

All my love

May all your dreams come true and
may your future be bright!

A Friend

Congratulations! Karen

We wanted to give you two things as you grew up. First, you needed roots for developing and learning. This you have done so well and we are very proud of you. Second, you needed wings for making your own life. We're confident that as you try your wings in the next phase of your life, you'll be successful at whatever you attempt. Remember your roots and stretch your wings to the fullest to lead a happy life.

Love and Good Luck,
Mom, Dad, and Cathy

I am so proud of you. You've turned into a beautiful, smart and fun-loving young adult with a mind of your own. Stay that way, and always respect yourself. I love you, and yes after all these years, I'm still your girlfriend.

I love you more than
you'll ever realize.
Mom

Congratulations Toots

You have brought love and happiness to our lives. We are very proud of you. We were so lucky to have you as our daughter. We will always be there for you, if you need us. We want you to be happy in whatever you plan to do with your life after graduation.

With all our Love,
Mom & Dad &, Keesha

Congratulations Danielle

Keep your humor, it brightens our lives! Follow all your dreams and don't settle for less. Your ability to succeed is determined by your own ambition. Continue being an individual and you will find your path to happiness.

Path Widens to the Future

The journey is finally complete. The long and winding road that we have followed, which has been our high school career, has come to an end. Many pathways have, also, been taken in the field of sports, extra-curricular activities, after-school jobs. It was an exciting journey, designed to prepare us for the future.

Now that graduation is over, that narrow road has widened and ahead are many junctions that go off to many different and diverse directions. We will follow the road ahead to our future dreams and hopes, always knowing that we can retrace our steps back to our beginnings as the Class of '97 of Coventry High School
