GETTING READY FOR FALL

As the fall quickly approaches, we’re revving up to get ready for the next round of events at the Literacy Volunteers of Kent County. We are getting ready for our Tutor Training Workshop starting in October, we’re looking forward to our November Bucket Raffle, and gearing up for our Fall Appeal. Look for more announcements as we plan for this new fall season!

Reminiscing about summer, we feature a poem at the end of this month’s newsletter. “Fireflies in the Garden” by Robert Frost.

IN LOVING MEMORY OF ROBERT C. BENZ

Thank you to all who donated in memory of Literacy Friend, Robert C. Benz. Robert was an active member of the community ranging from serving in the National Guard for 44 years to youth sports for over 40 years. He took pride as an advocate for literacy by helping adults to read through the Warwick Library. We thank Robert for his service to the community and thank the Benz family for their consideration of the Literacy Volunteers of Kent County in lieu of flowers.

FIREFLIES IN THE GARDEN

Here come real stars to fill the upper skies, And here on earth come emulating flies, That though they never equal stars in size, (And they were never really stars at heart) Achieve at times a very star-like start. Only, of course, they can’t sustain the part.

-Robert Frost
