Don't You Forget About Me
By: Simple Minds

Won't you come see about me?
I'll be alone, dancing baby

Tell me your troubles and doubts
Giving me everything inside and out and
Love's strange so real in the dark
Think of the tender things that we were working on

Slow change may pull us apart
When the light gets into your heart, baby

Don't You Forget About Me
Don't Don't Don't Don't
Don't You Forget About Me

Will you stand above me?
Look my way, never love me
Rain keeps falling, rain keeps falling
Down, down, down

Will you recognize me?
Call my name or walk on by
Rain keeps falling, rain keeps falling
Down, down, down, down

Hey, hey, hey, hey
Ohhhh.....

Don't you forget about me
I'll be alone, dancing you know it baby
Going to take you apart
I'll put us back together at heart, baby

Don't You Forget About Me
Don't Don't Don't Don't
Don't You Forget About Me

As you walk on by
Will you call my name?
When you walk walk away

Or will you walk away?
Will you walk on by?
Come on--call my name
Will you call my name?

CHS HOMECOMING 2003

On September 26th and 27th, CHS celebrated Homecoming 2003. Months of work on floats for the parade, diligent practice for the football game, as well as preparation for the dance finally came to an end, the results proving spectacular.

After the fashionably late appearance of the CHS band, the parade began marching away from the Coventry Credit Union heading toward CHS. Spectators seemed particularly impressed by the sight of the four floats of the Senior Class, which brought Peter Pan to life in this year's Disney themed parade. Following the seniors was the Junior Class float of Alice in Wonderland. The Sophomores fashioned their three floats after Cinderella, and the freshman showed their spirit dressed up as dalmatians upon their 101 Dalmatians float. The Student Council showed up with their great rendition of Aladdin, and the candidates for Homecoming king and queen rode in various cars along the parade route.

Soon after the parade arrived at CHS, the football game against Cranston East began. By half time, the Oakers were already up 27-0, lifting the spirits of students eager for Coventry to finally win a Homecoming game. The team did not lose their spirit and continued to play well, concluding the game with a 40-point victory over Cranston East, the first Homecoming game the Oakers have won in eight years.

Along with the victory of the Oakers came the winners of both the float competition and the Homecoming king and queen. The seniors came out on top for their floats, followed by the freshman in second, and Student Council in third. Devon Decker was crowned Homecoming king, and Junior Prom Queen Camille Cordeiro earned her second crown.

The day's activities certainly led to an amazing night. Students arrived at the dance, had photographs taken, and danced the evening away in the CHS gymnasium, which was decorated nicely with a Disney theme. The dance had quite a large turnout, packing the dance floor and causing an extremely hot atmosphere; however, everyone had a blast. CHS students definitely felt the sweetness of good times after hardwork as Homecoming 2003 ushered in a new class and a new year.

"Catch Me When I Fall"

As we mend our broken stars
Our cares give into the heart
For a short while we shall join as one
Forgetting the broken paths that have done us apart

The wheels of our world
Coast along on a canvas concrete
To the sun setting her eyes to sleep
An orange and pink sky resting at her feet

Reflections of ourselves
Gleam through the mirror
Staring into the windows of the soul
Remembering a pain, a pain no one could know

We forget all our troubles
As we dance into the night
Through smiles, pictures, and the stars' light
We shall drive right through the despair
Defeat the days that made our tears take flight

Time rolls by on the night's sweetened wheel
Glittering diamonds sparkle across the floor
As the thought of the end begins to appeal
The singing stars head for our cars
With a kiss the night ends with a seal

Through thick and through thin
When the world has nothing to say at all
We rebuild walls, combine our fearless strengths
To catch each other whenever we shall fall

I ONLY WANTED YOU
Author Unknown

They say memories are golden
Well maybe that is true.
I never wanted memories,
I only wanted you.
A million times I needed you,
A million times I cried.
If love alone could have saved you
You never would have died.
In life I love you dearly,
In death I love you still.
In my heart you hold a place
No one could ever fill.
If tears could build a stairway,
And heartache make a lane,
I'd walk the path to heaven
And bring you back again.
Our family chain is broken,
And nothing seems the same.
But one day we hope,
The chain will link again.

2004 Class History

By Meghan Silva

Four years may seem like a long time, but these past years have flown by faster than we could ever imagine. Throughout high school, the class of 2004 has been subject to years of teaming and block scheduling. As freshman we entered a float in the homecoming parade and cheered on the football team in our first high school event. Also that year we had our first semi-formal dance, which was a memorable event for all.

Sophomore year, with one year down and three to go, brought more wonderful memories. On May 4th, we danced the night away at our semi formal dance at the Crowne Plaza. Matt DiMicco and Jimmy Tarro also began their three year "reign" as Class President and Vice President. Our sophomore year we also received our class rings, a symbol of the work we had accomplished and the work we still had to conquer.

Ready and willing to take the title of upperclassmen, junior year came with more memories and new responsibilities. In the fall we participated in our first "Hunt". We had no idea of the ticks the seniors had up their sleeves. This was also the first year we participated in the Winter Ball. The "Snowball" was our first big event as upperclassmen and was held at the West Valley Inn on January 30, 2003. Spirit Week proved to be controversial this year as President Matt DiMicco lead the class of 2004 to a last-minute victory over the stunned seniors, proudly reminding them they had never beaten us. Our Junior Prom was held on March 28, 2003 at Rhodes on the Pawtuxet. Camille Cordeiro was crowned prom queen that night, and memories that would last a lifetime were made. On Class Day, we performed skits that mocked the class that we had looked to for guidance for so many years. Our time had finally come, as we watched the class above us pass the title of seniors to the Class of 2004. Matt DiMicco led the turning of the rings when we officially became seniors on June 11, 2003.

Finally came our senior year, the year many thought would never come. The last time we would walk through the halls of CHS together as a class. The year got off to a quick start as an early homecoming filled up our schedules. The seniors won the homecoming float contest with the theme of Peter Pan in the parade, as festivities began on September 27, 2003. On that same afternoon Devon Decker and Camille Cordeiro were named homecoming king and queen. Our final homecoming dance was memorable, as the weekend's events proved to be spectacular. Next in the year, Varsity Review provided great entertainment as hosts Jimmy Tarro and Matt DiMicco hosted a great show. With numerous talented acts, the show could not go wrong. Our winter ball was held on January 23, 2004 at the West Valley Inn. Senior Ball was held on May 7, 2004, and was a magical night for all. The Class of 2004 sat down together as a class for the last time on June 1, 2004 at the Venus Di Millo for the senior supper, ran by Class Vice President Jimmy Tarro. Graduation soon followed, as we were the first class to graduate from The Ryan Center on June 17, 2004.

Over four years, we have grown up together as a class, experienced joys and sorrows together, and learned some of life's greatest and most important lessons. Reflect on this time, for it was the best of our lives. Now as we enter the real world, heading in our separate directions, never forget the friends or memories that have been made in these four amazing years at Coventry High School.

Underclassmen

Junior Class

As one of the largest Junior classes ever to have existed in the history of CHS, 24 hours a day, 180 days a year, the Junior class continues to work hard and try their best. The Juniors have been keeping very busy as the year unfolded with events as vast and varying as the SAT's to Homecoming and Winter Ball. Withholding newfound 'power' as upperclassmen, Juniors this year look towards their leading Seniors to guide them through the rest of their time at CHS. At their third year at Coventry High School, the Junior Class utilizes every second to study (and party) in order to have the best high school experience possible.

As Juniors, the prospect of college quickly approaches and Junior year becomes a year to flaunt to colleges our capabilities and success as students. In one year, many Juniors will be leaving their close friends and departing for college. Also, many Juniors have Senior friends that are leaving this year. However, time is precious, and with the rest of this year and next year, we will be able to create a long lasting name for ourselves and enjoy the rest of our high school life.

While we continue to experience the high school life, we continue to learn from new friendships, broken friendships, new relationships, new opportunities and newfound success. With each year passing by, we are getting stronger and stronger. As Juniors at Coventry High School, we continue to face the world head-on and dive into the high school experience.

Freshman Class

As we walked down the hall the first day to try and find the bathroom, we looked down the hallway to see our Middle School Years flash back before us. Now as we continue through the days at CHS, we look to the future and the years that will lead up to our last day at CHS. As Freshman, although the days until graduation see countless, things will surely fly by without us even realizing it.

This year, there are a total of 520 Freshman. At Orientation, we found out that we would be separated into four teams: Brandeis, Harvard, Colombia, and MIT. We were amazed to learn from our teachers the time, effort, and planning involved in dividing and organizing this year's Freshman class. As we continue to try our best and the year goes on, we will all hopefully succeed and learn new things about the life and the real world.

So far, time seems as if it is going by so quickly. Homecoming and Freshman formal are some of the great events that have taken place so far this year. We thank our teachers for being so cooperative and patient with us and look forward to the future.

Intro To Sports

It is the great Vince Lombardi that once said, "It's easy to have faith in yourself and have discipline when you're a winner, when you're number one. What you've got to have is faith and discipline when you're not a winner." Here at Coventry High School athletics is a huge part of life to many students. These students put forth great amounts of discipline on themselves and show faith in their teammates and themselves. By participating in one of the many programs Coventry has to offer you become part of a caring community. Hard work and dedication are key factors that contribute to every team. Whether on the field, track, ice, or court, you are representing the red and white and the Coventry Oaker pride.

Ice Hockey

"From the Hockey World!" The Division State Champions returned to the ice for the 2003-2004 season with hopes of winning another title to be State Champions two years in a row. Cory Manley and Sean O'Connor are the hockey teams two lead scorers. "Nobody eats out of our Messkit!" Captains for this year's team were Jared DeResta and Ross Casey. Seniors for this year's team were Andrew LaFleur, Sean O'Connor, Brad Inman, PJ Hartman, and Gregg Mallette.

Football

The Coventry Oakers Football team coached by Gerry Zannella had a decent year with a 5-4 record league record in Division II. After going eight years without a homecoming victory, Coventry defeated Cranston East with a score of 43-7. Leading the team that game was Senior Captain John Giusti with 4 touchdowns. Captains who helped to contribute to the success of the season were John Giusti, PJ Hartman, Jake McMillen, and Justin Walker. Other players that stepped up this season were Craig Crabtree, Kory Bannon, Isaac Johnson, Dane Laboissonniere, Andrew Cady, Travis Prout, and Anthony Saucier. The team had wins over Toll Gate, Warwick Vets, Pilgrim, and Middletown. The team next year is looking for leadership from Josh Heron, Shane Lavoie, Sean Kavanagh Kevin Rowles, and Geoffrey Simmott.

Gymnastics

The Girls Gymnastics Team had another great season, finishing the regular season third in state. With coaches Lolita Alves and Robin Andrews leading the way, the girls ended the season with an 8-4 record in Division A. The seniors this year were Kristina Suorsa, Kaitlyn Martin, Tiffany Newton, and Lauren Varney. Hopefully next year the team will take us to the top of another great season.

Girls Tennis

This year, the girls' tennis team worked hard and made a good effort. The girls on the Coventry High School's Tennis team enjoyed their time playing the matches. Much like previous years, this 2003 season was used as a rebuilding year. Senior Captains included Elese Morrone, Stephanie Ferrara, and Deanna Corriera. Other seniors on the team included Alana Hanson and Casey Johnson. Captain Elese Morrone proved to be a strong player, as she made the All-division team. Junior Shana Schloth was the number three singles player and a huge asset to the team. Her record was 16-3 for the entire season. We look forward to an exciting season next year.

Boys Volleyball

The Boys Volleyball Team had an outstanding season coming in 1st place in Division I with a 11-3 record. With a few set backs during the season, the team stuck together and made it to the Division I Championship. They played a great game despite losing to the Hendricken Hawks. This year, the team was lead by co-captains Tom Ambrose, John Bartlett, and Nick Browning. Other outstanding seniors were Reid Degraide, Victor Carlu, and Kevin Sweeney. Hopefully next year we can make it to the Championship again, but we will need help from next year's seniors Josh Malloy, Travis Leffert, Brad Southard, and Adam Corriveau.

Boys Indoor Track

The boy's indoor track had a good overall season. With a strong showing at the regional meet by seniors Jimmie Tarro in the shot put and weight, Anthony Saucier in the 45 meter dash and 4x1 relay, Craig Crabtree 4x1 relay, Jake McMillen 4x1 relay and John Clarkin. Other strong meets were turned out by throwers freshman Mike Pamula, sophomores Dylan Ahern, and Ben Frail. Also strong performances from sprinters, sophomore Dave Daniels, senior T.J. Frail, and senior Brannon Studley. Also an excellent season by the long distance team consisting of seniors Jimmy Daley, Mike Ross as well as Junior Shawn Whitehead sophomores Steve Griffith, Kevin Flynn, and freshmen stand outs Andrew "AJ" Johnson and Dan Ghalagher. Heading the boys indoor track team this year was Mr. Merdinan, and Jason "Alley" Daniels

Girls Indoor Track

The Girls' Indoor Track and Field Team ended a successful season finishing third in the Dwyer Division of the Interscholastic League. The team ended regular season competition with six wins and two defeats despite the fact that the team was heavily dependent on sophomores and freshmen score points. During the season two school records were broken, freshman Samantha Eagleson broke the record for the 1500-meter run and junior Amy Krajewski set a new mark for the 600-meter run. Under Captains Morgan Tobin and Loryssa Simas, the team worked hard to develop the younger team members and the final record proved that both captains provided the leadership necessary to have a successful program. Several girls qualified for State Championships including Simas, Tobin, Eagleson, Krajewski, and the sprint and mile relay teams.

Boys Cross Country

Boys cross country team had a promising year. Coach Chris Warner led his team to a series of four wins in their dual meet season. Finishing seventh in their division, the boy's team qualified for states. Senior Captain Matt Lyons who was the top runner for the boys cross country team. Mike Ross, Nick Lacroix, and Andrew Johnson were huge assets to the boy's team this year.

Girls Cross Country

The 2003 had a great season led by Coach Soscia. The girls won seven of their ten dual meets, and finished fourth in their division, and also qualified for states! This year's seven captains included Becky Chiarini, Marcy Labossiere, Corey Lancellotta, Beth McArdle, Lauren Killea, Lauren Vandervelde, and Samantha Simeone.

Girls Varsity Soccer

The Lady Oakers had a very promising start to their season going 9-3-1 in their first 13 games, struggling toward the end of the season with a 1-5-1 finish and a quarterfinal lost to Cumberland. Siobhan McCaffrey again led the team in scoring for the third year in a row, with 18 goals and 12 assists as a junior. Junior Tiffany Giusti continued her scoring consistency, finishing with 15 goals and 2 assists. Sophomore Nicole Peckham improved her numbers tremendously, scoring 9 goals and adding 6 assists. Amy Alden and Senior captain Loryssa Simas were next with 11 points each. Junior Elizabeth Patnode led the way defensively for the Oakers along with Senior captain Mackenzie Zabbo. Once again Beth Bell was in goal and did her best to keep the games close. The Oakers will have to say goodbye to 7 seniors this year, but with a strong performance by the state champion Junior Varsity squad, the Lady Oakers hope to be right back in the playoffs next year.

Boys Varsity Soccer

The Coventry Boys Varsity Soccer Team had a fantastic 2003 season this year finishing third in the state. The team was lead by captains Brandon Migliore and Jeff Taylor. Alfred Ancone and Michael Hoxsie were the leading scores, while Jeff Taylor played solid in goal throughout the season. Coach Bob Sturdhal will be looking at Shawn Whitehead, Brandon Migliore, Shawn Sprague, and many others to lead the team next year.

Boys Varsity Basketball

This year the Boys Varsity Basketball team gave it their all giving the Division 1-A Central team a 5-13 record. The Oakers were third in the division with a 5-13 record. This year the team was lead by the seniors Matt Lawton, Shane Darcy, John Bartlett, Ryan Halpin, and Matt Lyons. Next year the Oakers will look towards Nick Banford, Brad Southard, Travis Leffert and Josh Malloy to take them to the finals.

The Lady Oakers basketball team played with great effort and determination all season and has set a solid foundation for the years to come. However, as determined, as the team was this year they were plagued with injuries losing two players, Abby Chevalier and Megan Freeley half way through the season. Other players had various injuries that sidelined for a game or two at a time. Senior captains Sherri Heard and Nikki St. Jean have shown leadership and have been positive role models for the younger players. With the two seniors graduating there is still very promising younger players. Freshman Cynthia Gaudet played a great year at the varsity level leading the team as point guard. Sophomores Amanda Wahl, Mary Barden, and Sharon Corriveau were essential to the varsity squad this past season. The 2003-2004 season for the Junior Varsity basketball team had an amazing season losing only 3 games. The JV team was lead by Nicole Enos in scoring, down low by Victoria Darling, and at point Caitlin Vandervelde.

Wrestling

Coventry High School's wrestling team finished the year with several accomplishments both in and out of state. Coventry placed fifth in the Lancer Tournament in Waterford Conn., second in the Mount Cardigan Tournament in Vermont. We also went 4 and 0 in a quad meet at Lifford High School in New Hampshire. In Rhode Island, we came in first place in the Chad Antoch Memorial tournament at Westerly High School. In division -A the highest division in the state, we finished third with a 10 and 6 record. We also placed seventh in the annual R.I. State tournament consisting of nearly 40 teams.

Individually, there were five wrestlers who placed in the State tournament: Jake Hebert 112lbs. 4th place, Sean Kavanagh 215 lbs. 4th place, Kert Harel 275 lbs. 4th place, Kevin Mao 119 lbs. 5th place, Ryan Thibault 125 lbs 6th place. Our freshman contained five place winners also: Andrew Watson, 3rd at 103 lbs., Jeff Gofton, 4th at 103 lbs., Max Gervasio, 5th at 103., Mason Hebert, at 119lbs., and Kyle Quinn, 5th. In our Junior varsity State Tournament Brandon Lillie placed second, and Carson Capwell placed third. First Team All-Division recipients were Kevin Mao, and Kert Harel. Second Team All-Division recipient was Ben Phelps.

We will miss the leadership of our seniors, Kevin Mao, Ryan Thibault, Bobby Thibault, and Anthony Gallo. The remaining Oaker wrestlers are a young and hard working group who continue to improve and strive to be champions.

Introduction to Clubs

A typical school day consists of a variety of subjects such as, science, math, history and English, but the students at CHS can also choose fun electives, like ROTC, cooking, art, photography, band, chorus, and other courses. There is so much more to school life. A huge variety of after school activities at CHS take place every afternoon. After all, high school life isn't just about homework, writing essays and studying. Students at CHS can get involved in many activities even if they have to give up some of their personal time to join. Between participating in Student Council, working the WCVY radio station, Science Club, Swing Club, National Honor Society, Yearbook, and others students can stay pretty busy. Student Life at Coventry High School goes beyond participation. People form bonds and friendships that exist outside of the school. Goals are reached and struggles are overcome. Student life represents the free spirit, good will and the fun side of all Coventry High School students. One learns lessons never known before and those that will never be forgotten. Lastly, student life represents our student body in an admirable way.

Cheerleading

The Varsity basketball and football cheerleaders had fun this year supporting CHS athletes with help from their new coaches: Coach Donna Hayden and Coach Anne. The football and basketball squads consisted of almost twenty girls on each team, some girls cheering for both teams. Along with help from their coach, the basketball cheerleaders were led by Captain Amy Langlois and the football cheerleaders were led by captains Jennifer Peckham, Michela O'Rourke, Victoria Brown, and Camille Cordeiro. The competition squad, a combination of several football and basketball cheerleaders, was led by captains Samantha Clark and Camille Cordeiro.

Swing Team

"The Phat Cats"

"Every time they get off stage, they're so pumped that it's as if they won a championship. That makes it all worthwhile."

~ Mrs. Pacheco

The "Phat Cats" at Coventry High School swing to the music as the school's official Swing Club. Led by Mrs. Pacheco of the Physical Education Department, the club consists of nearly forty members (20 couples) who have shown consistent effort in making the club a success. With Carl Gough as their captain, the group has performed for a voluntary fundraiser known as "Affordable Assisted Living." At this event the group performed with students from Brown University. In addition, the club performed at a Dance Show, Friday March 26, 2004. Students usually practiced every Tuesday and Thursday. Anyone can be a member and there are no auditions. The only payment Mrs. Pacheco receives is "seeing students enjoying themselves in a healthy physical activity." Clearly, that satisfaction is more than enough in running a successful, organized and entertaining club.

Below, "The Phat Cats" stun the crowd with their spectacular steps.

Two of the club's members, pose for the camera.

The CHS dance team has entered its sixth year under the direction of Mrs. Moira Young with the help of assistant coach Jennifer Petrarca. The team performs every year at the Thanksgiving Day Football game, the Varsity Revue, and the Dance Show. Over the years they have competed with great success in both Rhode Island and Massachusetts in the Open or Hip Hop category of Dance. The team competes mainly against private dance studios. The group is self funded and pays for their entry fees, costumes, and other competition expenses. Most girls on the dance team have prior experience, though it is not necessary. Mrs. Young does, however, require dedication to the team and respect for one another. This year the dance team will say goodbye to seniors Wendy Cross, Tiffany Hooks, Connie Murphy, and Stephanie Tsigaridas.

Science Club

The Science Club has enjoyed numerous science activities with NO notes, quizzes, or lab reports—just science fun. At the beginning of the year, members tie-dyed T-shirts, went on a Whale Watch, listened attentively to scientist, Dr. Saran, discussed and demonstrated coin preservation, made gold pennies, built their own rocket to launch in the football field, enjoyed a Halloween party, decorated for the Halloween Chemistry Show, and made their own Chemistry Christmas decorations during the Science Christmas Party. During the winter months members make slime and a rubber super ball at the Polymer Science Club meeting. They are also involved in a chemistry forensics case—"Which teacher stole the white powder from Mrs. Sullivan's laboratory prep room?" As the spring approaches the Science Club participates in water quality monitoring and Earth Day. In addition, they generally visit the Boston Museum of Science and work on medicinal lab activities along with exploring science career opportunities such as pharmacy. Come and join the fun!

Envirothon started three years ago with a team of only five sophomore students. It is a team that touches base on everything in nature. Meeting once a week, the students learn about aquatics, wildlife, soils, and trees. This knowledge, however, does not go unnoticed. Every year, the teams of five compete against other schools in hands-on tests and oral presentations. Three years ago the five rookies managed to win second place and then continued to win second throughout their junior year as well. Now, as seniors, they are determined to win the first place medals and move on to nationals. At the same time, they are passing down their knowledge to the other teams in hope that if they cannot win, the other teams will.

Drama

Low murmurs roll down the aisles and creep past the crimson red curtains. Behind the heavy flowing fabric are people who dream. Tonight is their moment, their chance and their final gathering as a whole. Together as one cast, one crew, one family they take on a production beyond the realm of high school. After weeks of preparation, countless hours after school and freezing early weekend mornings, everything they have worked so hard for will be showcased. Drama is more than memorizing a script and repeating it in front of an audience. A true production has massive detail and passion sewn into all aspects. The actors themselves drill over lines, cues, blocking, emotions and characterization. In order to make the actors' work successful a whole backstage crew needs to match their efforts, if not surpass them. The process of a production is truly a wonderful experience and what goes on behind the curtain really does create a family.

Coventry's drama program puts on two performances each year. This past fall was *David and Lisa*, a beautiful play set in a school for emotionally disturbed teenagers in the 1960's. The play focused on the problems the children were dealing with and their interaction with one another, creating an extremely emotional and touching story. During the weeks of preparation costumes were assembled, props gathered, an enormous set created and light and sound developed. With the exception of Mr. Wilkinson's direction and the aide of Mr. Mellow with the set construction, the entire cast and crew are high school students for each production.

The drama program's second endeavor this year was the spring competition play *Junglebook*. This version of Rudyard Kipling's *The Junglebook* requires actors to take on animal characteristics. The classic story takes place in the city and characters range from homeless men to streetwise prostitutes. Mowgli the man-cub spends the first half of his life in the jungle, being watched over by his protectors. But Sherakun is always waiting for his chance at the manling. The play embraces important themes such as where a person truly belongs. A giant cast and crew of about forty people performed the production at Hope High School. The top two entries in the competition will go to Maine for a festival where they will perform one final time and enjoy theatre workshops. Coventry drama has had two previous winners in the New England Drama Festival, *Bang Bang You're Dead* and *The Rose of Treason*. With the same spirit and dedication, Mr. Wilkinson's cast and crew will make *Junglebook* number three.

National Honor Society

The National Honor Society is a club at Coventry High School in which students convey scholarship, leadership, service, and character, all while maintaining a grade point average of 3.6 or greater. The National Honor Society has remained very active in both the school and community throughout the year. The "Parent-Teacher Conference Bake Sale" was a huge success in gathering money to purchase clothes and toys for a needy family this past December in order to complete the annual Adopt-A-Family project. The many members of the National Honor Society completed numerous hours of community service volunteering at the local food bank, hospitals, child care facilities, church groups, youth groups, and tutoring. On May 16, 2004, juniors with the required community service hours and grade point average were inducted into the society at a truly special afternoon ceremony.

This year, the secretaries of the National Honor Society were Monica Salvador and Melynda Silva, the treasurer was Chloe Tasca, the vice president was Lauren Vandervelde, and the president was Kelley Morgan.

Above: Melinda Rostron, Chloe Tasca, Monica Salvatore, and Melinda Silva discuss ways the National Honor Society could better CHS.

Student Council

The Student Council is a composite of students within the school. Students of all different social levels within the school's social hierarchy join. Every Thursday this diverse group gets together and diplomatically discusses the different social events within the school as well as performing their civic duty by reaching out to our community. Student Council also provides students with the opportunity to meet with other students nationally and to discuss with others the black tarnish and imperfection that burden the school. Leadership conferences are also another type of skill building forum that is offered through student council. During the year, we take part in many social events during such as Homecoming, Varsity Revue, school spirit week, the pep rally, and many more. For those who always thought that there was always room for improvement in such events, we would appreciate your presence at meetings every Thursday, you will be allowed to voice your opinion.

WCVY 91.5 FM

"This is FM 91.5 WCVY Coventry, signing on."

For 25 years, this message has been broadcasted over the air across Kent County every weekday at 2 pm. It marks the beginning of a new work day for the staff of Rhode Islands only high school radio station, WCVY. Our operating hours are 2-10 pm. Under the construction of Mr. Murray, the station has made many great improvements during the 2003-2004 school year, such as new equipment, a new paint job and carpeting, as well as a more organized format. WCVY is run by a full staff of CHS students working in the areas of news, sports, production, music, promotions, and of course DJ's. Thanks to the hard work and dedication of those involved, WCVY is sure to have another successful 25 years ahead.

The Entry

From sports to controversial issues, The Entry covers them all. Since its inception in 1936, when Coventry High was located on Knotty Oak Rd. The Entry has delivered the happenings to CHS and community. Though the advisors and staff have changed numerous times, the quality and principal ideals have always remained. The Entry is still an educational institution, teaching journalistic integrity and values. From cut and past (manual) and mimeographing, to desktop publishing, The Entry has seen it all and changed with the times. Currently, headed by Mrs. Boyle, students are able to explore the field of journalism as an elective. The course gives a full view of the entire publishing process, from concept to paper. Students learn to create a proper news article, conduct interviews, and even work with page layouts. Editors-in-chief, Melanie D'Acchioli and LJ Regine have the responsibility of overseeing the staff and determining what needs coverage, and that it is done so properly. With a staff of about fifteen student-journalists working alongside her, the task of producing Coventry High's paper is much easier. The paper is a mix of student interest, including the score from last week's game, the review of the school play, and the witty editorials about student life. The Entry is the showcase for Coventry's budding journalists.

This year, the staff of The Entry includes Kaleigh Slavin, Jessica Tandy, Pamela Krajewski, Melanie D'Acchioli, Lauren Costa, Jorge Guillen, and Jessica McCaughey

The officers of The Entry are Jessica Tandy, Jessica McCaughey, Melanie D'Acchioli, Lauren Costa, and Kaleigh Slavin.

ROTC

The Rhode Island 81st Air Force Junior Reserve Officer Training Corps has been well known throughout Rhode Island. Students in the ROTC program learn discipline and teamwork among other life skills. The team showed amazing stamina this year and we are extremely proud of them! Shown are: (top)

Reachout

Reachout is an excellent opportunity for all students with or without disabilities to work together. Reachout gives students the chance to share quality time together doing various activities. The Reachout program held here at Coventry High School encourages quality interactions between other groups of students. Students who are involved with Reachout are assisting students with developmental disabilities in many ways. Some of the ways are: volunteer tutors in the classroom, Special Olympics Unified Sports, as a partner during a school day, in school activities, field trips and overnight trips. The most important reward is that students act as true friends towards each other.

DECA

Coventry High School D.E.C.A. (Distributive Education Clubs of America) successfully obtained and delivered over 5,000 Christmas presents to over 3,000 needy children and elderly people this year. This is the 17th year that D.E.C.A. students have acted as a bridge between givers and receivers during the holiday season. D.E.C.A. is a national organization of marketing students. In 1988 Coventry High School D.E.C.A. won the National Championship for Civil Consciousness with this Christmas Project. The 70 students involved in Coventry D.E.C.A. are responsible for constructing over 12,000 cards and writing the needs of their recipients in them. D.E.C.A. members are also responsible for monitoring over 150 business establishments throughout Kent County where the cards are displayed. The last and most rewarding phase of the project is delivering the presents to the homes and shelters of their "customers." The presents go to ALL the needy families from Coventry Department of Human Services, ALL six of Coventry's middle school students, and high school students. D.E.C.A. also provided presents for over 900 of Rhode Island's D.C.Y.F. children. The churches and homeless shelters that received presents from D.E.C.A. include: Spring of Life Church, St. John & Paul, St. Mary's Home for Children, The McAuley House, Amos House, The Advent House, and St. Anthony's House. The nursing homes that received presents from D.E.C.A. this year include: Riverview Nursing Home, Robery's Health Center, Woodpecker Hill Nursing Home, and The Haven Health Care Center. One of the best highlights of the project is when D.E.C.A. holds its annual "Reach Out" party. Brad Inman was this year's Santa Claus while the rest of our D.E.C.A. members passed out food and beverages to the students and guests.

The Hunt

The hunt is a fun filled event originally created by the faculty at Toll Gate High School designed to keep students out of trouble around Halloween. Because CHS had similar problems, the Hunt was established here in 1999. Since then, Coventry has kept this brilliant tradition alive. Students break up into teams of four. All together there are about 50 teams. There are two main contests best costume and scavenger hunt. In the beginning the teams dress up in a theme costume with their group where they got judged by their look, entrance, and presentation. After judging of the costumes comes the scavenger hunt. There are a series of lists of things that each team is supposed to find, count, or figure out, all while being timed. At the very end, all of the numbers of correct answers the teams have brought back are counted up. Pizza and drinks are provided after the scavenger hunt is completed. Afterwards prizes are given out to the top teams, all of which have been donated by local businesses in our community. The Hunt is an enjoyable and entertained event in which students can relax from the daily schoolwork and have fun with their friends and fellow teachers.

And the winner is: McDonald's! The Team consisted of Sherri Heard as a milkshake, Morgan Tobin as chicken nuggets, Tiffany Daniels as frenchfries and Alana Hanson as Ronald McDonald himself!

Winterball

It was a cold night with warm memories. On January 23rd, 2004, the Juniors and Seniors all gathered at West Valley Inn for the year's "Frozen in Time". Everyone was looking great and having a magnificent time. The dinner, which consisted of salad, soup, pasta, and ice cream sandwiches (yum!), was accompanied by the wonderful sounds of friends laughing and reminiscing. The real fun began, however, when the lights dimmed and the students began to make their way out on the dance floor. What was hours, seemed like minutes and before anyone realized ACDC's "You shook me all night long" was playing and the dance was over. Juniors and Seniors then grabbed their coats and left the dance with smiles on their faces. It was a night to remember and the pictures of memories that were made will always be held close to the hearts of all who attended.

Interact

The Interact club is an organization dedicated towards improving the community and helping those in need. Each year the club selects various projects that encourage student involvement within the community. This year, the interact club is headed by Sajel Shah, Jessica Lawton, Josh Leite, Sarika Saran, and Rachel Nadeau. The club is also made possible through the advisory efforts of Mrs. Yoest and Mrs. Johansen.

The Interact Club began the new school year by hosting a Halloween Party for the Little Oakers within the school. Reaching out to the community, the Interact Club gathered disposable cameras for a group of soldiers in need. In addition, the club united in December to gather gifts for Adopt-A-Family. Also, the club has hosted a PB&J-athon in which the club made peanut butter and jelly sandwiches for the homeless. In the near future, the club also plans to raise money by tagging for the Tomorrow Fund, an organization that provides financial and emotional support to children with cancer as well as their families.

Right: Katrina Nacci (left) and Katrina Abraham (right) share ideas on how to improve the community.

Directed by the "very hard working, talented, and phenomennallllllll" advisor, Mr. Nolan, the Model Legislature group continues to focus on the future and find ways to better the community. By searching for amendments that can be made to the government, the young leaders seek to change the state of RI for the better through a mock legislature program. In this club, members work hard to come up with at least six bill ideas to present to the State House in April, 2004. The members of the group focus on bettering our community by making change in the state legal system to shape a better community.

This year, some bill ideas include "legalizing marijuana for medicinal purposes," and "protecting small businesses during construction." Currently, with quite a few members, the Model Legislature bunch is in the process of fine-tuning bills to present to the State House in April. In the near future, we will be making our way to the State House." Looking towards the future, the headstrong Model Legislature group at Coventry High School is determined to alter the legislative body of Rhode Island to better fit the needs of the people!

Yearbook

Under the new leadership of Mr. Nolan, the Yearbook Club of 2003-2004 surely has had their work cut out for them. The first milestone within the 2003-2004 Yearbook Club was establishing the title of the book: "Don't You Forget About Me." After the theme of the book was established, between writing stories, cropping hundreds of pictures, and making deadlines, the club has surely been under a lot of stress. However, as a team, the club has united and successfully completed the yearbook! Together, we have managed to make the club run as smooth as possible. Of course we owe a special thanks to our advisor Mr. Nolan and Mr. Walker who has successfully taken care of the business aspect of the yearbook, and of course, our hard working staff, including our editor Tamara Mageau.

Although this is Mr. Nolan's first year running the Yearbook Club, he has done an excellent job so far and has provided the staff with as much guidance and help as he possibly can. Certainly, he has worked very hard to make this yearbook a success. Also, the staff has worked inconceivably hard to make the yearbook as big a success as possible and to help meet the requests of the students. The yearbooks mission was to get the yearbook out on time and of exceptional quality, and each staff member has worked hard to assure that this goal was met. All of the hard work, time, and effort put into the yearbook by Mr. Nolan, Mr. Walker, and the rest of the staff has certainly paid off.

SADD

Many people hear of SADD (Students Against Destructive Decisions) throughout the year. The Group is best known for SADD day, yet typically students aren't aware or quite sure what it means. SADD Day is a day of symbolism. Every thirty minutes a designated student stops talking and remains (dead) silent for the rest of the day because every thirty minutes an American dies as a result of an alcohol related fatality. SADD is sponsored by MADD, RI. Mocktail is one of the group's favorite activities. SADD groups from schools in Rhode Island and neighboring Massachusetts participate in creating their own non-alcoholic beverage. Each group will then prepare and give samples of the new drink made. There are numerous other activities which members participate in: the Candle light Vigil, guest speaker assemblies, fundraisers, and Youth In Action. Team spirit is a week long leadership conference at Bryant College. Every summer SADD sends a small group of its members to this unforgettable experience.

Chorus

Coventry High School's Concert Chorus, directed by Mrs. Lisa Masse rehearses in three different classes during the regular school schedule as well as after school. After school rehearsals are on Tuesdays's at 2:15 and run until about 3:15 PM. The chorus performs at the annual winter and spring concerts and also a field trip to Blackrock Elementary School during the holiday's.

Above: Here is a photo of the members of concert chorus headed by Mrs. Masse.

The Coventry High School Select Chorus directed by Mr. Brad DeGraide began rehearsing even before the 2003-2004 school year began. They spent hours out of their summer vacation to prepare for the Coventry Teachers. The day before school started the chorus performed to the teacher's delight. The group of fewer than thirty members is an audition only group of students. Select Chorus works diligently all year on pieces to be performed in the Holiday and Spring Concerts, as well as numerous Choral festivals. The group also performs at functions such as varsity review, and graduation. They will be joining the CHS band this year on a holiday trip to Montreal.

For years music teacher Brad DeGraide had a vision of putting together an all faculty chorus group. His dream finally became a reality when for the first time in the history of Coventry High School a group of teachers sang during last year's Spring Concert. Surprisingly, they did not sound half-bad. This group returned and performed last December during the Christmas Concert and again in a performance which took place this May. The teachers involved participate in the program because they say it is fun and it gives them a chance to show-off their abilities.

Band

The Music Department has been especially busy this year. With the addition of two new ensembles, Mr. Smith and the bands have continued to work hard and perform as usual. Starting in August, the marching band began to prepare for the 2003 football season. The band cheered on the Oakers at every home game as well as the Thanksgiving Day game at West Warwick. After the football season, preparation for the holiday concerts began. The Concert Band performed several selections and sounded great. The Wind Ensemble, which is a new ensemble and is an audition-only band, prepared numerous selections such as *Brahms Chorales* and *Festivo*. Surely they displayed the diversity and advanced musicianship within the music department. Other ensembles, including the Jazz A Band and the Jazz Band also lighted up the stage during concerts such as the holiday concert. All four ensembles play wonderfully, linking the variety of musical abilities in order to create an excellent Music Department.

Alternative Learning Program

The Coventry School Department has set up an alternative school for those students who become behind others in their class academically. The alternative school is designed to allow students to make up as many as credits in one year, which the average CHS students would take two full years to complete. Consequently, students who have repeated a grade or failed numerous courses still have the opportunity to graduate with their class. Students who have repeated more than one grade can make up both of these years at the alternative school, or they can decide to attend the alternative school for a year and then return to CHS. Besides the normal core classes, the students at the alternative school are also given the opportunity to do volunteer work or community service. The program is very difficult, with some students taking numerous English courses and numerous sciences in order to graduate.

We all love you!!

Lindsey,
For the last 18 years you have shown us the meaning of life. Now as you go off into the world to find your own, remember where you came from and always look carefully at where you are going. We are very proud of you and will always be here for you.

Love,
Mom and Dad

BBB,
Our Precious, bubbly, baby boy. You've filled our hearts with love and joy. With big dimples on your cheeks and a twinkle in your eye you captured our hearts without even a try. Now a remarkable young man with a future that's bright. Remember to follow your heart and always do what's right. We wish you success, good health, happiness and cheer. With fond memories so cherished, so loving, so dear.

All our love, Momma B, Daddy B, Little P, & Little B

Heather,

From the day you were born, we knew the world would be receiving a wonderful gift. Through all the life lessons you have learned you have become a person we admire. Share the gift of yourself with others so they can see what we see. Believe in yourself the way we do and nothing will be beyond your reach. Leave yesterdays behind and run toward tomorrow. We love you for all that you are and what you are to become.
MOM and DAD

Jared,
We know the last four years have been a challenge for you. Many obstacles got in your way, which in turn helped you mature into the wonderful gentleman that you are.

We are very proud of who you've become.

Love
Mom and Dad

LJ,
You overcame so much to succeed. I am so very proud of you and of all your accomplishments.
Love, Dad

Meg,

It's been quite an experience to watch you grow from our cute little "Peanut" into a beautiful and accomplished young lady. You'd make any parent proud.

Keep up the good work.. Love,

Mom , Dad, Erin , Jamie and Gram

Daniel, Congratulations!
You've made us so very proud.
We know you'll always continue
to make us proud. Always do
your best and you will always
succeed.

Vanessa-your generosity surpasses me. Even as you change, you never lose it. So good luck. This world lacks
what you have. You're my best friend. Not just my sister.-Love,Ross

Ross-From being small children to just bigger ones, I have always felt like you were there-STALKER!! You are
my best friend and I thank you for conversations we have about nothing. You will succeed at whatever you
attempt in life. I love you-most days! Vanessa.

Vanessa-Thank you for being my sweet and kind sister for 17 years. I love you so much.-Alison
Ross-I love you and whatever you do in the future, I wish you the best of luck.-Alison

Vanessa-Listen to your life. Every moment is a key moment. The river where you've set your feet has now
opened to the ocean that will become your life. I know you will sail through it leaving lasting impressions at
every port. Love 4 eva-Heather
Ross-Forget mistakes. Forget failures. Forget everything except what you are doing today. Do it the best you
can and if you do, you can be proud no matter what the outcome. Love 4 eva-Heather

Vanessa-May you always be surrounded by white wings. Love you honey!!-Mopsy
Ross-Soar like an eagle but walk gentle as a breeze. Live life to its fullest-it is yours to seize. Love you
always-Mopsy

Vanessa and Ross- where has the time gone? Looking back, I remember so many happy times- & a few
trying ones! Raising twins has been a joy & a challenge. A brother and a sister who share a special bond that
will transcend time and last for an eternity

No longer children but young adults. It's time to reach for YOUR stars: follow YOUR dreams: find
happiness and success!
Vanessa is a free spirit who loves life and lives it to the fullest. She is truly the light of my life.
Ross is a deep thinker who believes the philosophy that hard work leads to big rewards. I'm proud to call him
"son".

To both of you, my wish is to find peace and contentment; success and fulfillment. Move forward with
and open mind and a loving heart and you will conquer the world. I love you both from the deepest depths of
my soul!!!! -Mom

Best Wishes Erin!

A friend is one of life's greatest gifts, thoughtful in endless ways.
A friend lends a hand without being asked. Encourages growth,
and supports change. In good times and bad times. A friend
remains reassuring and faithful. Time and distance cannot diminish
friendship. It is forever.
With love, You Families

Congratulations Jessica Cyckevic, on a job well done. It may have been a struggle, but the end is finally here. You made it through the hardest part, the very last year. You have made your family very proud to see you get this far. If you keep up this kind of EFFORT, you are sure to be a star. I know I pushed you hard at times, especially this last year. I only wanted you to know how much I really care. Hope your life is full of joy!

*Happiness is a journey, not a destination.
So, work like you don't need the money.
Love like you've never been hurt.
And dance like no one is watching.*

*Continue to swim against the current.
And be true to yourself.
It defines who you are.
A beautiful, courageous and kind person.
Who has made us very proud.*

*We love you very much,
Mom, Dad, Angela and Rudy*

Marissa and Kristen,
It seems like only yesterday when the two of you came into our lives. We've watched you grow and develop into beautiful young ladies, always making us proud. We hope your future is full of love, joy and happiness. Always remember the way home.

Proverbs 3:5-6
We absolutely adore you,
Mom, Dad, Alex, Dan, Jim and Scott.

Kayleigh
Congratulations!
I am so proud of you.
Love,
Mom

Congratulations Katie!!!

*We are so proud of you and all that you have accomplished.
Hope all your dreams come true.

Sisters Forever Friends

NICOLE,

As I watch you walk down the isle at Graduation I will be crying tears of joy, because you finally made it and I'm so proud of you. The second tears will be of sadness, for each step you take is one that will take you farther away from me. We love you. God Bless.

Mom, Dad & Alicia

Rissy,
Congratulations on your graduation. It seems such a short time ago that you entered high school. With all the changes this time of life brings we're so proud of how you handled the challenges and accomplished some great things. We're even more proud of the young woman you've become. Just remember as you head towards college that we love you very much and are more proud of you than you could ever know.
Love, Mom, Dad & Lauren

"The future belongs to those who believe in the beauty of their dreams..."

Pamma Monsta,

You have already amazed us and we can't wait to see where life will take you! Continue to be yourself and reach for the impossible and you will continue to succeed!

Congratulations-Brown awaits next fall!

With love and support,

Mom, Daddy, Andy, Gary, James and Amy
(your baby sister and best friend)

For the young woman you have become and all you have accomplished, I couldn't be prouder. Follow your heart and reach for the stars and you will realize your dream.

Love Always, Mom

Congratulations Marlena,
We've watched you grow from a little girl to beautiful young lady. Hoping the best things in life will always be yours. We are so proud of you and all of your accomplishments. We Love You!

Mom, Dad & James

Stephanie,

The focus and dedication you have given to your school work has been truly impressive. And yet, you still managed to balance this with your tennis, music social activities, community service and job. As your journey continues, keep up both the focus and the balance, and you will be rewarded with a life full of successes.

We are very proud of you. We love you.
Mom, Dad, Matt, Lauren & Jeff

*Christina,
May you never lose your wonder!*

We hope you dance!
Love, Mom, Dad and Kevin

Find your path and follow it. Remember, if you have downs there will be ups. Remember you do, you can be, anything you want.
We love you!
Mom, Dad & Mark

Beth,

You are the sunshine of our lives. You brighten each day with your smile. We are very proud of you! We love you.

Mom, Dad & Dave

Steven, our first born.
Congratulations on reaching this important milestone in your life. You stole our hearts the day you were born and you have made us extremely proud as we have watched you grow from a boy into a young man. Your zest for life, your sense of humor, compassion for others and strength of character will serve you well in anything you choose to do. Value yourself and aim high. There won't be a day that we won't love you and wish for you all the happiness in the world.
Love Mom, Dad & Kelly

You started out copying me, but you've surpassed me already. My high maintenance girl, Alysha, never ceases to amaze me. Listen to your heart and you will amaze yourself too. Your strong spirit and determintaiion will serve you well. Have fun with life! Thank you for coming into our lives, bringing more love, laughter, beauty and thoughtfulness into the world. We love you and your spunk. Momma & Matt

***Congratulations Nicole,
"COLE"***

You made it! And now you're off to college. We are so proud of you and can't believe out little girl is all grown up! It went by so quickly. So enjoy life because it goes by so fast. Before you know it you will be out of college and making your dreams come true. Sarah looks up to you to guide her in the right direction. She loves you very much. Love,
Mom, Dad, Sarah, Pepe, Bobbie, Karen & Danny, Keith, Kurt,
Ken & George.
