This year Coventry High School celebrates its Diamond Anniversary. Since the founding of the school in 1934, thousands of students have entered the doors of three different high school buildings. The first graduates received their diplomas on the campus of the first high school on Knotty Oak Road. After the high school moved to its second location, currently the Alan Shawn Feinstein Middle School, graduates received their diplomas at the Warwick Musical Theatre. In 1975 the current high school opened its doors. "the Tent" closed commencement exercises moved briefly to the Providence Performing Arts Center. Since 2004, graduates have celebrated their success at the Ryan Center on the campus of the University of Rhode Island.

During its seventy five year history, Coventry High School students have excelled in many ways. As of November 2008, Coventry High School claims forty two Rhode Island Interscholastic Titles, including twenty five state titles, three Division A titles, ten division II titles, four Division III titles, and two New England titles. Both New England titles were awarded in wrestling in the years 1988 and 1998. From 1982 to 1998 Coventry wrestlers won an unprecedented seventeen straight state championships.

Coventry students have also excelled in many co-curricular activities. In the last seven years, the Air Force Junior ROTC has won 6 National Championships. The "Envirothon" team has placed second in the state competition the last two years. Drama students won the Rhode Island Drama Festival in 2001, 2003 and 2004. The Advanced Band and Advanced Jazz students placed second and first respectively in the 2007 North American Music Festival. Student Council has held a Spirit Week competition every year since 1977. Only one class, the Class of 2000, won the competition for four straight years.

Ad Astra Per Aspera, which means "To The Stars Through Difficulty," is the high school's motto. Numerous teams, clubs and graduates have reached the stars over the last seventy five years. The theme of the 75th edition of The Knotty Oak is "Our Time Now". Class of 2009, it is OUR time now, time to enjoy our last year at Coventry High School, and time to leave our mark on the wonderful history of CHS.

Senior Class History

In August of 2005 the Class of 2009 entered the hallowed halls of Coventry High School. During homeroom we received our first high school schedules. Actually, some of us received a schedule with no classes printed on it. Thus began one of many treks some students would take down to the guidance department the next four years. We quickly realized that the high school still seemed like middle school as we were yet again placed on "teams". The only difference was we did not get to pick our team names. We elected "Pancake" Michael Florio as our first Class President, created our first homecoming float which had a theme of the 1920s, and enjoyed our first Spirit Week. On April 8th, 2006 we entered the gym for our first "formal" dance. The theme was "I'll Catch You" and even with decorations, the gym still looked like a gym.

Sophomore year saw many changes for our class. Homeroom was now called advisory. It was there that we made great connections with our advisory teachers and sought to tackle our portfolio requirements and get help with our capstone projects. Best of all was that we were free from teaming. Some of us took our first AP classes, explored the vocational program and made varsity sports teams. We elected Stephanie Carlu as our Class President, created more homecoming floats, started to figure out the madness of Spirit Week, and received our Class Rings. We had a real formal dance, "A Night in Paradise" at Quiddnessett Country Club on May 4, 2007.

In addition to the rich curriculum, they are also fortunate to be supported by an experienced, knowledgeable, and caring faculty. Faculty members consistently remain involved in student activities while teaching both lessons of life, as well as those provided in the textbook. Teachers strive to bring excitement and variety into the classroom and hearts of their students.

Administration

Superintendent Mr.
Kenneth DiPietro

Assistant Superintendents
Mr. James Erinakes and Mr. Michael Convery

Dear Class of 2009,

The last four years have provided you with great opportunities. Many of you have excelled in the classroom, on the athletic field, and in extra curricular activities. Your class has earned many academic scholarships, had the highest percentage of students pass College Board Advance Placement tests in school history, contributed thousands of hours in community service, had members selected for All State athletics, band, chorus and orchestra, participated in Envirothon and Mock Trial and won ROTC National Championships. Your class has certainly lived up to the yearbook's theme of "Our Time Now". Soon many of you will attend colleges and universities, enter the military or join the work force. Your diploma from Coventry High School has provided you those opportunities. Your graduation is worth celebrating, your future is yours to embrace.

May every year be your time, and may your lives be blessed with happiness and health.

The Legend of the Knotty Oak

In a quaint town many, many years ago there grew a magnificent oak tree. So impressive was the tree and so superior to other oaks that the people referred to it as a landmark. As a symbol of strength the tree seemed as if it would remain standing forever. Yet fate had other plans. One spring when all the forest began to bloom, it was noticed that the oak tree was growing lifeless. The townspeople gathered in concern and discovered the tree had become infested with deadly insects. For months the people helplessly observed the slow deterioration of their prized oak tree. In the years which passed the tree became full of lumpy, knobby knotholes. To say the least it was transformed into quite an ugly growth. At long last in November, 1905, it was chopped down. The residents of Coventry thereupon divided equally among themselves the pieces of their beloved tree. To this day the memory of the 'Knotty Oak' remains perpetuated in the name of the road on which it stood over one hundred years ago.

Celebrating Academic Success

CHS students have numerous accomplishments to be proud of. During this school year alone, our students have won robotics titles, art awards, and have been accepted to countless colleges and universities. This year, the RI Scholastic Art Awards were awarded to Jackie Kitts, Sarah Tacey, Crystal Kuzma, Allison Faria, Kimberly Warner, Michaela Witt, and Danielle Martin. Coventry High School hosted the American Mathematics Competition in which Michaela Tacey was the AMC 12 winner and Ben Skov was the AMC 10 winner. Coventry High's students have produced amazing Science Fair and History Day projects as well, and have shown how much talent there is at CHS. Coventry High School students work together every day and have many accomplishments to be proud of.

Helping the Community

Coventry High School students and faculty involved in a wide variety of community service projects. These school wide projects benefit both the students that are involved with organizing them, as well as the Coventry community. Many classes and clubs such as Biology, Psychology, and National Honor Society require students to show their caring to the community. During the school year 1,500 hours of community service have been performed by students of the high school. Recent projects have included activities to beautify the school campus, visiting the elderly in nursing homes, "prom exchange" program,

producing meals for the meals on wheels program, Breakfast with Santa for the community, and numerous faculty-student sports events where the proceeds went to various community organizations. Lexi Pullano, a member of the National Honor Society, stated "community service provided me with great learning opportunities. I got to help lots of people out and learned about the different troubles some people have. It was a great experience." Eryn Wheeler, another student that experienced community service at a nursing home stated that helping out at a nursing home "was a moving experience...I enjoyed meeting and talking with the elderly."

Field Trips

Are we there yet? Field trips bring classroom lessons to life. This year, Country High School students had the opportunity to participate in a variety of exciting field trips.

The World Language Department visited France, Spain, and Italy. Not only was the gelato great, but by experiencing foreign cities, iconic landmarks, and distant cultures firsthand, CHS students connect with

their studies and the world around them in a whole new manner.

Likewise, the History Department provides students the opportunity to meet their legislators when they visit the seat of federal government in Washington D.C.

In addition to academic field trips, many clubs take their show on the road. For example, the Mock Trial team visits the Court House and Student Council goes to a farm.

Classroom Activities

Students at Coventry High School are exposed to much more than the classic textbook educational experience. Although additional teaching methods are practiced in the classroom, it is the hands on activities that students partake in that add flavor to each curriculum.

This year, in art classes, students applied their skills to help construct the set for the drama department's hit fall production of *Grease*. In science classes students tested their knowledge through laboratory experiments, both proving and disproving theories examined in the class room. History students were treated to a number of guest

and culinary students prepared many delicious meals for customers who enjoy lunch at the CHS restaurant the Knotty Oak Room. Any way you look at it, students are provided with a wide range of opportunities to pursue their interests.

Teachers at CHS recognize the value of hands on learning. In applying our knowledge of the core curriculum, we are able to further our understanding of the material at hand. By participating in the classroom activities presented by teachers, students truly grasp the importance of the application of classroom material to the real world.

The 2008 Coventry Baseball program was highlighted by a determined, hard-working senior class that was able to earn its biggest victories late in the season and propel themselves into the team's most successful playoff run in recent years. Nick Ziehl, Andrew Flynn, and Corey Feole shouldered most of the load as the team's starting pitchers, while the Oakers were led defensively by Joe Gardner, Nathaniel Shaw, Steve Alden, Kyle DiBiasio, Nick Kowalski, Mike Manna and Kevin Woodcock. The future of the program made significant contributions as the underclassmen were well represented in the team's playoff run by juniors

Steve Palumbo, Josh Kelmer, Andrew Boyer, Josh Witkowski, Mike Lavoie, Mike Pieczarka, and Chris Eagleson; sophomores Zach Briden, Tim Printer, and David Dwyer also aided with the team effort. The Lady Oakers Softball team experienced a challenging but rewarding season in a difficult season. They faced numerous noteworthy teams and emerged victorious from many of their games. The girls worked well together as a team and never gave up without a fight. Co-Captains Kelly Nix, Alycia Broccoli, and Lynn Pesola led the team through the 2008 season. They provided leadership and direction to the other players. The positive attitudes and refusal to give in to defeat rivaled those of any player. The team qualified for the playoffs to enter the State Championships but lost a close match to Prout. Although the team did not qualify for the State Championship, two team members qualified individually based on their season scoring average - Junior Chris Griswold and Freshmen Seamus Fennelly. Chris and Seamus were this year's leading scorers for the 2008 golf team. Also contributing significantly this year were Junior Max Davert and Sophomores Dave Pesapane and Dan McDermott.

Girls' Soccer

The Lady Oakers Soccer Team faced many difficult and challenging opponents this year; they finally received the opportunity to play soccer with some of the best teams in the state as a part of the elite Division I. The girls fought through tough losses to distinguished schools such as La Salle and North Kingstown. Two highlights of the season included two victories over Toll Gate, 2-1 and 3-1 respectively. Despite the loss of their starting goalie, Jessika Roderick, to injury, the Lady Oakers fought doggedly in every game and never once quit on themselves.

Senior co-Captains Katy MacAndrew and Jess MacAndrew led the team through this grueling season. Katy led the team with ten goals on the season; this also placed her fourth overall among other Southern Division I players. Her sister, Jess MacAndrew, led the team with five assists, a total that earned her third place overall among the other players from her division.

The starting goalie for the season, Jess Roderick made sixty five saves before injury cut her season short. Amanda Senna, replacing Roderick, made fifty eight saves of her own. These girls all provided inspiration and hope to the rest of the Lady Oakers during an unusually difficult season.

Other seniors started the team with needed experience. Kavin Flores, Tracy Farias, Hailey DeBlois, Steph Octeau, Holly Poy, Lauren Barton and Amanda Senna gave their best efforts to better their team and themselves as individuals.

Football

Oakers football saw a season plagued by injuries but fueled by grit and determination. While the scoreboard did not always reflect the strong football team, the boys' Oaker pride never wavered.

Led by Head Coach Phil Garvey, the Oakers maintained a positive attitude even when the chips were down. Captains Joshua Johansen, Corey Higgins and Adam Cloutier helped the Oakers to strike gold twice at home with consecutive wins over Cumberland and Pilgrim. The 2008 Seniors Anthony Riales, Brandon Sweeney, Mitch Sinnott, Nick Santilli, Jake Butler, Ken Danzer, and Max Ferro worked hard on the defensive and offensive lines. Jon Ruest led

the Oakers offensively, scoring forty six points during the season. At Quarterback, Kyle Detonnancourt provided additional inspiration to his team. The Oaker football players came out and stayed strong with solid offense and very strong defense. Key players being sidelined by injury never stopped the players' relentless will drive.

Indoor Track

The 2008-2009 CHS Indoor Track team had mixed success this winter, with a balanced number of wins and losses. The boys had great leadership from Senior Captains Steven Francis, Aaron Fiola, and Jon Hughes. Other Seniors were sources of inspiration in their final year at Coventry, including Bill Sacks and Kevin English. Two seniors, Steve Francis and Tim Clarkin, went on to represent the Oakers at the State Meet this year.

The Coventry Indoor Track team also had some successes in the 2008-2009 season. Senior Captains Steph Carlu and Eryn Wheeler served their girls well, assisted by fellow senior Steph Oteau. This season, Coventry sent six athletes to the New England Meet, an unprecedented number for the school. Steph Carlu represented CHS in the High Jump event and Lauren Saritelli participated in distance running; the four-by-two team of Kerry Drapcho, Mariah Harrington, Steph Oteau, and Eryn Wheeler also ran in the New England Meet. Additionally, Eryn ran in the six hundred meter event, and her time was enough to qualify her to attend the National Meet in Boston in March, where she placed fifth. These girls performed exceptionally well, and their achievements brought pride to the halls of Coventry High School.

Wrestling

The Coventry Oakers Wrestling team had a successful season in 2008 and 2009, earning a 9-7 record in the difficult and highly competitive Division 1. As a team, the boys experienced incredible success in a charged match against the noteworthy team from LaSalle. They also won very close matches over Woonsocket and Chariho. The Oakers remained strong throughout the season, with an awesome overall victory in the Junior Varsity / Freshmen State Tournament. At the Varsity level, the wrestling team placed eighth overall in the state, reflecting their season-long efforts. Throughout the 08-09 season, the CHS Wrestling team had strong leadership from its Captains: Steven Maric D'alessio-Dupre, Anthony Rioles, and Mitchell Sinnott. These Seniors were an inspiration to their teammates and won every match ups for their team in their final year at Coventry.

Steve placed second in the State Varsity Meet as a member of the 125 pound weight class, and earned an appearance at the esteemed New England Wrestling Meet. The other Seniors on the team, Ryan Zeolla and Michael Thiele, also enjoyed a successful season on the mat. Junior Colin Cocaine was another important member of the team this year, and proved himself worthy of the role of Captain next season. Freshman Jared Wilson ended the season with a victory at Freshmen States and will definitely be a presence on the mat in the seasons to come.

Ice Hockey

2008-2009 season for Coventry Oakers Ice Hockey was one of rebuilding and self-discovery. A relatively young roster, composed of mostly underclassmen, was a challenge for the team early on in the season. However, strong leadership from seniors and several key Sophomores helped the hockey team rise above the disadvantages of youth and into the light of playoff contention. The Oakers' 5-13 record included many close losses which were decided by a single goal. By the end of the season, the boys had gelled together as a team and were winning a majority of their games. Junior Mitch Beck and Sophomore

Spencer Patti were invaluable to the CHS team as the goalies for the 2008-2009 season. Junior Sam Stenning and Sophomores Nick Paiva and Seamus Fennelly scored many of the Oakers goals. Also, Junior Mike Kowalski consistently defended Oaker territory in each game. These boys were an inspiration to their fellow teammates, as well as to their loyal fans who watched them grow throughout the season.

Boy's Basketball

The Coventry Oakers Basketball team experienced a very successful 2008-2009 year in Division II, with a final regular season record of 10-6. The boys also made a strong run in the playoffs, finally defeated in a lengthy and difficult game against Narragansett. During the season, Coventry had great games against worthy teams such as Tiverton, Westerly, Cranston West, and Narragansett High Schools. Throughout their final year at CHS, Senior Captains Trevor DiMicco, Brandon Dipailo, Adam Cloutier and Matt Willard served their team well. Other key players for the Oakers include Juniors Sean Finnegan, Jon Ruest, and Daniel Struebing.

The Lady Oakers Basketball team had a successful season in 2008 and 2009; their final record of 7-11 was very impressive for a difficult and competitive Division I setting. The girls played very well in their home victories, never once giving in until the final buzzer sounded. Every girl played a key role on the roster throughout the season, whether they led the team in scoring, stayed strong on defense, or simply brought a positive attitude to each game. They always picked one another up, cheered each other on, and kept their teammates in the game. While each girl played an important role throughout the season, the Lady Oakers found great inspirations in their captains this year, Senior Megan Shaffer and Junior Elise Fortier. Both girls made

considerable contributions to the team's point totals, as well as to their confidence. Other key players for CHS this season included Tiffany Webster, who led the team in total points scored, as well as average points per game. Hannah Cole, another Coventry Sophomore, also played very well for the Oakers on offense.

Student Council

The Coventry High School Student Council serves as the student voice of the high school, as the officers are elected by the entire student body. Membership is open to all students in all grades. The group meets every Thursday after school. Projects most well known include Homecoming, Varsity Revue, School Spirit Week, and Career Day. Lesser known projects the Student Council coordinates include birthday recognition, coordinating two blood drives each year; assisting with school picture day; planning an end of the year awards banquet; faculty appreciation days; a reading program in cooperation with local elementary schools; and, a food drive. In addition, Student Council coordinates the scheduling of all fund raisers in the building. Council members are very visible on the state and national level. They regularly attend state, regional, and national conferences; as well as serving on the national executive board. When the students return to CHS they bring back a wealth of ideas to benefit the school community.

Honor Society

The National Honor Society is made up of students that best represent leadership, scholarship, character, and service. The group participates in many events that help the community such as the Student vs. Faculty basketball game in March and the summer Car Wash to raise money for the Matt Huffman Recovery Fund. The students also volunteer at the Coventry Senior Center and at Bright Light in Providence. Baby-sitting during School Improvement meetings and helping with the recycling program in the school are also among the contributions of this group of exceptional students works on, in their effort to better the school and the community.

Interact

The Coventry High School Interact Club is an organization involving a group of students eager to contribute to our school and local community. Under the direction of Mrs. Jill Hague and Mrs. Bethany Leavitt and the leadership of President Kristen Nault, Vice President Amy Donilon, and Secretary/Treasurer Sarah Seltzer, the group successfully organizes fundraisers in order to benefit others. Projects include baking pumpkin bread and playing bingo at the Alpine Nursing Home. They also plan Coventry Idol with all proceeds going to a worthy cause.

Yearbook

The Yearbook Club is comprised of students actively involved in the preparation of the annual yearbook, *The Knotty Oak*. The yearbook staff, under the direction of literary advisor Mrs. Johansen, and business advisor, Mr. Brissette, spent endless hours designing, writing, and photographing for this special Seventy Fifth edition of the *Knotty Oak*.

Executive editors Shalini Shah, Brenna Pugliese, Alexandra Pullano, Michaela Tracy, and Tyler Horrocks began the year learning a new computer program which would allow more students the opportunity to work on the book. The new program enabled senior Alex Titus to work from home and club members to work during the weekends.

After debating the theme of this year's book, and with the help of cover designer Ms. Aimée Belanger "Our Time Now" began to take shape.

Approximately twenty-five students consistently contribute to the paper's production by writing stories, taking photos, designing layout, and / or editing editions prior to printing, which is done in-house by the Graphic design students as part of a service learning grant. All students are welcome to publish in the school paper. Several students have communicated information to the staff.

Mock Trial

The CHS Mock Trial Team had some great success this year. They assembled in late September for their first year of competition. After five months of preparation and commitment, the team competed earning a playoff spot. Something that usually takes several seasons to achieve. Led by Mr. Booker, Mr. Bishop, Mrs. Hutson, Mrs. Comery, and attorney coaches Mr. John Comery and Mrs. Stacy Ferrara, the team managed a 2-1 winning record and looks forward to pushing on next year for another successful season. Our senior captains Nicole Smith and Brittney Marsocci will be missed, but have no fear, we have some brilliant talent waiting to fill those rather large shoes and take us to the next level!

Below: Mr. Booker works with the Mock Trial team before heading to the court house. Also, Brittney Marsocci, and Nicole Smith prepare to present their case.

Model Legislature

The Rhode Island Model Legislature first met over fifty years ago. This student government program was the first of its type in the nation. Today, students have the opportunity to act as state senators, representatives, committee leaders and pages. Students are eligible for "mock" leadership positions. The club, led by political "junkie" Mr. Nolan, has received numerous accolades for their professional and civic knowledge.

Drill Team

The Coventry High School ROTC Drill Team Regulation is led by Molly Cocaine. The Armed Color Guard is led by Keleigh Thompson, and the Armed Exhibition Guard is led by Carly Zeh. The Unarmed Color Guard is led by William Studley and The Armed Inspection is led by Katherine Vachawski. The CHS Drill Team has been National Champions several times in the history of CHS. The Color Guard often presents the colors of our country and state at CHS events throughout the school year. WCVY Radio

Music lovers of the CHS community flock to the school radio station: WCVY 91.5. This group of creative students entertains others by broadcasting a better mix of rock, rock, and more rock. Each member sports their own DJ name and Katie Williams, a senior who will graduate this year, has been a member of the club the longest. The radio staff works after school every day and broadcasts CHS sports and concerts live.

The guys and girls at WCVY radio station hang out after school and dish out the tunes.

World Language Club

This year the World Language Club participated in the Homecoming parade. Their float was appropriately named "It's A Small World". The club held its second Pizzeria Uno fundraiser on Thursday, December 04. The funds help defray the cost of a trip to New York City the club plans to take in spring. The WLC also organizes the Cabaret, a talent show that showcases different cultures that can be found in our community. Students look forward to World Language Week. Events include wearing the colors of Spain, France, Italy, and the United States and staying after school to watch an international movie and eat different cultural dishes. The advisors of the World Language Club are Mrs. Teixeira, Ms. Cubellis, and Ms. Lourenco.

Student Life

Homecoming Parade

On October 18th Coventry High School, after two rain outs, was finally able to stage its homecoming parade and soccer game. Homecoming 2008 was an outstanding success. Scores of community members lined the parade route as the Student Council, World Language Club, Evironthon, four classes, cheerleaders, Homecoming King and Queen nominees, and high school marching band paraded from Coventry Middle School to South Main Street, Sandy Bottom Road, Tiogue Avenue and finally to the high school. Following the band the Senior Class led the parade with their four Pirates of the Caribbean floats. The costumes the seniors wore were awesome. Other outstanding floats included "Peter Pan's "Neverland" by the Junior Class, "Its A Small World" by the Foreign Language Club and The Many Adventures of Winnie the Pooh by Student Council. After the parade the community enjoyed an entertaining soccer match between CHS and Chariho. The game ended in an 2-3 decision. At half time Nicole Stearns and Trevor Dimicco were crowned Homecoming King and Queen. All hail the king and queen.

The Marching Band successfully pumps up the crowd as they make their way through the streets of Coventry.

Homecoming Dance

"LET'S DO THE TIME WARP AGAIN!"

On September 20th, Coventry High School held its Homecoming Dance entitled "A Night In Wonderland". Decorations of blue and silver turned the gymnasium into an enchanting wonderland. Nervous freshmen, attending their first high school formal, mingled with upperclassman as over 1,100 members of the CHS student body crowded into the gym. After three hours of dancing, parents picked up the freshman and some sophomores and juniors got rides home with seniors. For members of the Class of 2009, it was a time to smile and hug each other as they began to realize that "Our Time Now" was all happening much to quickly!

The Hunt

"THE ONLY REASON FOR TIME IS SO THAT EVERYTHING DOESN'T HAPPEN AT ONCE."

On the 25th of October, fifty(four member teams) comprised of CHS Juniors and Seniors gathered in the new cafeteria to participate in the Annual Hunt competition. This upperclassmen competition began with a costume contest, followed by a scavenger hunt that spanned the high school's grounds. The costume contest began at 6:00pm as the teams paraded across the floor for a panel of esteemed judges (alright teacher volunteers). Kayla Perry, Michaela Feeney, Roxanne Thompson, and Catherine Collard showed some "girl power" by winning the costume contest with their great "Spice Girls" costumes. After the costume contest, all the teams put their game faces on and began the scavenger hunt. In a race against the clock, each team went from clue to clue. The clues were all centered around the theme of "Board Games". The scavenger hunt was won by the team of Trevor Dimicco, Jared Morelli, John McCue, and Bill Sacks. After the Hunt, the hunt contestants, and many other CHS students were invited to attend the Hunt Dance. All the students enjoyed dancing and thousands of dollars in prizes were given out for those that participated in the Hunt.

Varsity Review

"WE DON'T HAVE AN ETERNITY TO REALIZE OUR DREAMS, ONLY THE TIME WE ARE HERE."

From November 20-22, the Student Council held the annual Varsity Revue entitled "Searching for Talent at CHS". It was an amazing spectacle. Katelyn Corp and Kassie Lima were excellent hosts. Their witty commentary kept the audience laughing all night. The show consisted of approximately twenty acts. Show-stopping performances included Lexi Pullano's epic "Acapella Tap Dance" and Kirstin Flanagan's amazing rendition of "Ordinary Day". The CHS Jazz Ensemble, Cheerleaders and Select Choir both had spectacular performances.

Some cast members managed to participate in several numbers. Matthew O'Brien alone frequented the stage five times throughout the course of the performance, including a vocal performance of "What Makes a Man" with Tom Alger on guitar.

The show ended on a very strong note featuring our own Coventry Idol Viana Newton's incredible performance of "Listen to Your Heart".

Overall, this year's Varsity Revue was a great success thanks to the Student Council. With stage manager Alex Titus in charge the show ran flawlessly. With the help of Michaela Tracy and Cory Bergeron the Student Council certainly put on an entertaining Varsity Revue.

Pep Rally

"THE BEST WAY TO PREDICT YOUR FUTURE IS TO CREATE IT."

For the first time in seven years students gathered together for a Thanksgiving Game Pep Rally. Under the supervision of the "Pep Rally" committee the students cheered on the fall sports teams and tormented their rival, the West Warwick Wizard (Mr. Rockwell). Other performances included the Marching Band, Dance Team, the Cheerleaders, and the ROTC Drill Team. Each class cheered on the teams and geared up for the Thanksgiving Day Football Game. Former West Warwick Alumni, Mrs. Kelly, Ms. Cubellis, Mrs. Johansen, and Mrs. Simas traded in their orange and black and accepted the Oakers' colors of red and white. The Pep Rally was the result of the joint efforts of teachers and students making banners, designing t-shirts, and organizing skits. The Pep Rally truly brought the school together and was a an overwhelming success.

Breakfast with Santa

"THE BEST THING ABOUT GROWING OLDER
IS THAT IT TAKES SUCH A LONG TIME."

On December 13th, the four class Executive Boards held the annual Breakfast with Santa. This marked the seventh time the event has been held. The breakfast was themed "A Charlie Brown Christmas". Students that helped at the event dressed up as the legendary characters from the classic Christmas special. Activities included face painting, coloring, and of course visiting Santa (played by Santa's helper "Bubba" Johansen). Special appearances were made by the Grinch (Justin Yehle) and Mrs. Claus, (played by President of the Class of 2009 Ms. Katelyn Corp). The moon bounce was a huge hit with the little ones. All the CHS students also enjoyed watching Mr. Brissette performing remarkable athletic jumping feats on the moon bounce. Many teachers brought their families to the event. Over 250 people from the community also attended. Overall, a wonderful time was had by all those that attended. Congratulations to the Class of 2009 and the other classes for sponsoring such a worthwhile event. Jessica Baker, President of the Junior Class promises an even bigger event next year!

Spirit Week 2009

"Let the bodies hit the floor."

Coventry High School's Student Council has been hosting a Spirit Week competition since 1977. Each year, students from each class unite and compete against each other in an attempt to prove that it is their class that has the most spirit.

Though the week ranged from March 23rd to the 28th this year, the preparation for the week started long before hand. Students kicked off the week on a strong note, first with Pajama Day and Human Trouble after school. Tuesday was Costume/Hat Day followed by the Lip Sync. Wednesday, the most popular of days, was color wars. Ping Pong was after school, and in the evening, hundreds of students from each class showed their support at Almost Anything Goes. Thursday, students showed some class on Formal Day, with Class Feud in the afternoon. The week came to a close with Red and White Day, an event that certainly brought the classes together.

The week's culminating event was the Friday Night Spirit Week Dance, where students came together to dance and compete later on in the evening. Each class' choreography proved to be amazing; though as always, the seniors dominated the event. At the close of the dance, the winners of Spirit Week 2009 were announced: Seniors in first, followed by the Juniors, Freshman, and Sophomore Classes. This year proved once again to be successful in uniting the student body of Coventry High School and demonstrating good sportsmanship. Congratulations to each class!

Almost Anything Goes

"We run this."

For thirty plus years, the Student Council has sponsored Almost Anything Goes. The intense competition brings out over half of the student body to watch various athletic events. These events include the infamous jello wrestling competition, deadly ice cream musical chairs, the scandalous orange pass, gut wrenching pie eating contest, strategic balloon toss, the madcap hilarity of the egg toss, and the Boris Karloff mummy wrap.

This year the Seniors took no prisoners, winning eight out of the ten events. Before the night was over, chants of "It's all over" echoed from the Senior section. At that moment, the class of 2009 realized that the title of Spirit Week Champions would soon be theirs. Almost Anything Goes history was made, as Steven Francis and Emily Dorchie won the mummy wrap in record time. Another record was set as three Seniors finished victoriously in ice cream musical chairs. Try as they did, the other classes paled in comparison; the Senior class won for the week by 897 points.

Oaker pride was spread throughout the school, as the Senior class hosted the first tail gater. As always, Almost Anything Goes, proved to demonstrate school spirit and superior sportsmanship among students.

Winter Ball 2009

"Dancing in a Winter Wonderland"

Coventry High School's Junior and Senior Winter Ball, "Dancing in a Winter Wonderland," was held January 16th at the West Valley Inn. Students showed up ready to party despite the fact that it was the coldest night of the year. Although the temperature outside was below freezing, Coventry High School's favorite D.J. made sure it stayed hot on the dance floor.

Any chance of winter blues gave way when senior girls were called to the dance floor to perform the chicken dance. Even more hilarious was the attempt made by Stefan Rogowski to teach a group of senior boys the Soulja Boy. For their efforts both groups won door prizes.

Many of the party goers were far from done when 11p.m. finally rolled around. If Mr. Brissette and Mrs. Kelly did not shoo them out, the party may have lasted all night!

Take chances. Make mistakes.
Life can be messy and confusing at times,
but it is also full of surprises.
The next rock in your path might be a stepping stone.
Be happy.
When you don't have what you want, want what you have.
Make do. That is a well-kept secret of contentment.

There aren't any shortcuts to tomorrow.
You have to make your own way.

You need to know where you have been,

Dear Jess,

Oh, where did the time go? It seems like just yesterday you were our cute little girl in pigtails, smart as could be – reading and writing before you were three. Now here we are – the pigtails are gone and in their place is a lovely young woman who has the whole world in front of her. We don't think you can ever know how proud we are of you, not just because of your accomplishments, but because of who you are. A strong, independent and incredibly intelligent person, we know you will go very far in life.

We love you!!

Senior Class History Continued

In August of 2007 we entered CHS as juniors. We could now sit in the "new" cafeteria. We elected Katelyn Corp as our Class President, built our homecoming floats at Emily Hawver's house, and prepared for Winter Ball and Spirit Week. Winter Ball was held at West Valley Inn and the theme of a "New Year's Night" kept us dancing until midnight. Despite the best efforts of the Class of 2008, the "ball drop" proved disastrous, but the confetti and noisemakers were a hit! For the first time we did well during Spirit Week finishing second only to the Class of 2008. Our Senior Prom, "A Night in the Spotlight", was held at the Pawtuxet and Adam Cloutier and Lauren Bartlett were crowned King and Queen of the Prom. During our junior year, a new Advanced Placement United States history test successful passing was established. Seventy three percent of those that took the Advanced Placement test passed the gut wrenching exam. As the year drew to a close, we participated in Class Day. After making fun of the Class of 2008 in our successful skit, at the end of Class Day, we turned our rings forward and walked out of the auditorium as seniors. That day we knew, it was "Our Time Now".

On August 26, 2008, we arrived at CHS as seniors. We elected Katelyn Corp as President and got to work on our Homecoming floats, with the theme being Pirates of the Caribbean. Our float costumes rocked, especially Tyler Horrocks as a creepy dead pirate on a creepy sunken pirate ship. Homecoming King and Queen were Trevor DiMicco and Nicole Stearns. We wore our senior class t-shirts, designed by Trevor Celani, for the first time on November 26th. We held Breakfast with Santa on the 13th with all the other classes. On Friday, January 16th, we went to West Valley Inn for our Winter Ball. Senior girls did the chicken dance for key ring favors. Senior boys tried to dance to "Soulja Boy", but were simply pathetic. We prepared for Spirit Week, knowing we were at a decided disadvantage because we had under 400 members in our class while other classes had over 500. We could not understand the counting injustice, but we planned to try to "senior up" despite the unfair odds. Our Class Mural was unveiled in April. On May 8th, we celebrated our Senior Ball at Crowne Plaza. The place looked amazing, our favors were wonderful, and as we danced together for the last time before graduation we started to wonder why "Our Time Now" had to end so quickly.

On May 28, at Senior Supper, we received our caps and gowns, Senior Ball pictures and yearbooks, the greatest ever produced by a CHS yearbook staff. We awarded superlative gifts, cried our goodbyes, and went back home to prepare for our last high school exams. For those of us that finished our portfolios, capstone project and passed our classes, Class Day on June 15th was amazing. We read our Last Will and Testament, class prophecy and this, our class history. We wore our caps and gowns out into the sunshine and knew in two days we would become the graduating Class of 2009. At the Ryan Center, Katelyn Corp delivered her President's Address and we realized "Our Time Now" at CHS was over. As a Class we had learned about quadratic formulas from Mrs. Tracy, analyzed characters (and not just the ones in novels) with Mrs. Blanco, learned about society in Mr. Lyon's Sociology class, learned about teen psychology in Mr. Corr's classes, and had been both suspended and given reassuring hugs from our Vice Principal Mrs. Ferguson. More importantly, as a Class we made enduring friendships and memories. Our time at CHS may be over, but our lives are just beginning....it truly is "Our Time Now".
