This year Coventry High School celebrates its Diamond Anniversary. Since the founding of the school in 1934, thousands of students have entered the doors of three different high school buildings. The first graduates received their diplomas on the campus of the first high school on Knotty Oak Road. After the high school moved to its second location, currently the AAF Shawn Feinstein Middle School, graduates received their diplomas at the Warwick Municipal Center. In 1975 the current high school opened its doors, and "the Tent" closed commencement ceremonies. It moved briefly to the Providence Performing Arts Center. Since 2004, graduates have celebrated their success at the Ryan Center on the campus of the University of Rhode Island.

During its seventy-five year history, Coventry High School students have excelled in many ways. As of November 2008, Coventry High School claims forty-two Rhode Island Interscholastic Titles, including twenty-five state titles, three Division A titles, ten division II titles, four Division III titles, and two New England titles. Both New England titles were awarded in wrestling in the years 1988 and 1998. From 1982 to 1998 Coventry wrestlers won an unprecedented seventeen straight state championships.

Coventry students have also excelled in many co-curricular activities. In the last seven years, the Air Force Junior ROTC has won a National Championships. The "Environot" team has been second in the state competition. Drama students won the Rhode Island Dramatic Festival in 2001, 2003 and 2004. The Advanced Band and Advanced Jazz students placed second and third, respectively, in the 2002 North American Jazz Festival. Student Council has held a bazaar every competition every year since 1997. Only one student in the Class of 2000, won the competition in nine years.

Ad Astra Per Aspera, which means "To the Stars Through Difficulty," is the high school's motto. Numerous teams, clubs and graduates have reached the stars over the last seventy-five years. The theme of the 75th edition of The Knotty Oak is "Our Time Now." Class of 2009, it is OUR time now, time to enjoy our last year at Coventry High School, and time to leave our mark on the wonderful history of CHS.

Senior Class History

In August of 2006, the Class of 2009 entered the hallowed halls of Coventry High School. During homeroom we received our first high school schedule. Actually, some of us received a schedule with no names printed on it. That began one of many times some students would take control of the guidance department the next four years. We quickly realized that the high school still seemed like middle school as we were yet again placed on “teams.” The only difference was we didn’t get to pick our team names. We elected “Pancake” Michael Florio, our first Class President, created our first homecoming float which had a theme of the 1920s, and enjoyed our first Spirit Week. On April 28th, 2006, we entered the gym for our first “formal” dance. The theme was “‘Til I Catch You” and even with decorations, the gym still looked like a gym.

Sophomore year saw many changes for our class. Homeroom was now called advisory. It was there that we made great connections with our advisory teachers and sought to tackle our portfolio requirements and get help with our capstone projects. Best of all was that we were free from teaming. Some of us took our first AP classes, explored the vocational program and made varsity sports teams. We elected Stephanie Shea as our Class President, created more homecoming floats, started to figure out the madness of Spirit Week, and received our Class Rings. We had a real formal dance, “A Night in Paradise” at Quonsett Country Club on May 4th, 2007.

Faculty Candid

Covington High School students are provided with a quality education. In addition to the rich curriculum, they are also fortunate to be supported by experienced, knowledgeable, and caring faculty. Faculty members consistently remain involved in student activities while teaching both classes and life as well as those provided in the textbook. Teachers strive to bring excitement and variety into the classrooms and hearts of their students.
Dear Class of 2009,

The last four years have provided you with great opportunities. Many of you have excelled in the classroom, on the athletic field, and in extra-curricular activities. Your class has earned many academic scholarships, had the highest percentage of students pass College Board Advanced Placement tests in school history, contributed thousands of hours in community service, had members selected for All State athletics, band, choir and orchestra, participated in Envirothon and Mock Trial and won ROTC National Championships. Your class has certainly lived up to the yearbook’s theme of “Our Time Now”. Soon many of you will attend colleges and universities, enter the military or join the work force. Your diploma from Coventry High School has provided you those opportunities. Your graduation is worth celebrating, your future is yours to embrace.

May every year be your time, and may your lives be blessed with happiness and health.

Mr. Hobin
The Legend of the Knotty Oak

In a quiet town many, many years ago there grew a magnificent oak tree. So impressive was the tree that all the people who lived there called it their landmark. As a symbol of strength the people would gather under it on warm summer nights to share stories and secrets. Yet, none knew the tree's age or origin. One summer, when the forest began to bloom, it was noticed that the oak tree was growing leisurely. The townspeople gathered in concern and discovered the tree had become infected with a deadly insect. For months, the people worked tirelessly to save the tree, but in the end, it could not be saved. In the years which followed, the tree became full of lumps, knobby knots, and cracks. To this day, the memory of the 'Knotty Oak' remains etched in the hearts of the people who lived there.
Celebrating Academic Success

CHS students have numerous accomplishments to be proud of. During this school year alone, our students have won robotics titles, art awards, and have been accepted to countless colleges and universities. This year, the RJ Scholastic Art Awards were awarded to Cecie Kitts, Sarah Tacey, Crystal Kuzma, Allison Faria, Kimberly armee, Michaela Witt, and Danielle Martin. Coventry High School hosted the American Mathematics Competition in which Michaela Tacey was the AMC 12 winner and Ben Skov was the AMC 10 winner. Coventry High’s students have produced amazing Science Fair and History Day projects as well, and have shown how much content there is at CHS. Coventry High School students work together every day and have many accomplishments to be proud of.

Above: Ashley Brans is very happy to see that her hard work has paid off in the successful completion of her History Day exhibit.

Left: Teachers converse while evaluating the portfolios that seniors worked diligently to complete.
Helping the Community

Coventry High School students and faculty are involved in a wide variety of community service projects. These projects are designed to benefit both the students who are involved and the Coventry community. Many classes and clubs, such as psychology, require students to show their caring for the community. During the school year, 5,000 hours of community service have been performed by students of the high school. Projects have included activities to benefit the school campus, visiting the elderly living homes, and “prom exchange” programs.

Field Trips

Where are we there yet? Field trips bring classroom lessons to life. This year, Narbonne High School students had the opportunity to participate in a variety of engaging field trips.

The World Language Department traveled to France, Spain, and Italy. Not only was the gelato great, but by visiting foreign cities, iconic landmarks, and distant cultures, CHS students connect with their studies and the world around them in a whole new manner.

Likewise, the History Department provides students the opportunity to meet their legislators when they visit the seat of federal government in Washington D.C.

In addition to academic field trips, many clubs take their show on the road. For example, the Mock Trial team visits the Court House and Student Council goes to a farm.

History students are delighted to celebrate the success of their history day projects in Washington, D.C.

Classroom Activities

Students at Coventry High School are exposed to much more than the classic textbook educational experience. Although traditional teaching methods are practiced in the classroom, it is the hands-on activities that students participate in that add flavor to each curriculum.

This year, in art classes, students applied their skills to help construct the set for the drama department's fall production of Grease. In science classes, students tested their knowledge through laboratory experiments, both proving and disproving theories examined in the classroom. History students were treated to a number of guest lecturers, and culinary students prepared many delicious meals for customers who enjoy lunch at the CHS restaurant, The Knotty Oak Rover. Any way you look at it, students are provided with a wide range of opportunities to pursue their interests.

Teachers at CHS recognize the value of hands-on learning. By applying our knowledge of the core curricula, we are able to further our understanding of the material at hand. By participating in the classroom activities presented by teachers, students truly grasp the importance of the application of classroom material to the real world.

The 2008 Coventry Baseball program was highlighted by a determined, hard-working senior class that was able to earn its biggest victories late in the season and propel themselves into the team's most successful playoff run in recent years. Nick Zielh, Andrew Flynn, and Corey Feole shouldered most of the load as the team's starting pitchers, while the Ooksers were led defensively by Joe Gardner, Nathaniel Shaw, Steve Aiden, Kyle DiBiasio, Nick Kowalski, Mike Manna and Kevin Woodcock. The future of the program made significant contributions as the underclassmen were well represented in the team's playoff run by juniors Steve Palumbo, Josh Keiner, Andrew Boyer, Josh Witkowski, Mike Lavoie, Mike Pieczarka, and Chris Eagleson; sophomores Zach Braden, Tim Printer, and David Dwyer also aided with the team effort. Steve Palumbo (2nd Team All State, 1st Team All Division) and Nick Zielh (1st Team All Division) were awarded for their excellent play and their contributions to the team's success.

When they lost a game, it was always to a worthy opponent and the Oakers never went down without a fight. These three young men demonstrated strong leadership and poise during their Junior season. S. Gundmunson also hit up the court, and played his way into the honor of Third Team All-Division.

The girls fought tough losses to distinguished schools such as La Salle and North Kingstown. Two highlights of the season included two victories over Toll Gate, 2-1 and 3-1 respectively. Despite the loss of their starting goalie, Jessika Roderick, to injury, the Lady Oakers fought doggedly in every game and never once quit on themselves.

Senior co-Captains Kayla MacAndrew and Jess MacAndrew led the team through this grueling season. Kayla led the team with ten goals on the season; this also placed her fourth overall among the Southern Division I players. Her sister, Jess MacAndrew, led the team with five assists, a total that earned her third place overall among the other players from her division.

The starting goalie for the season, Jess Roderick, made sixty-five saves before injury cut her season short. Amanda Senna, replacing Roderick, made fifty-eight saves of her own. These girls all provided inspiration and hope for the Lady Oakers, a season unusually different from previous years.

Other Seniors were sources of inspiration in their final year at Coventry, including Bill Sacks and Kevin English. Two of the Seniors, Steve Francis and Tim Clarkin, went on to represent the school at the State Meet this year.

The Indoor Track team had some successes with Senior Captains Stephen Clarkin and Eryn Wheeler serving their girls well, assisted by fellow Captains Stephen O'Connel. This season, Coventry sent six athletes to the New England Meet, an unprecedented number for the school. Stephen Clarkin represented CHS in the High Jump event, and Eryn Sartelli participated in distance running. The 2008-2009 season for Coventry Oakers Ice Hockey was one of rebuilding and self-discovery. A relatively young roster, composed of mostly underclassmen, was a challenge for the early on in the season. However, strong leadership from juniors and several key sophomores helped the hockey team rise above the disadvantages of youth and into the light of playoff contention. The Oakers' 5-13 record included many close losses which were decided by a single goal. By the end of the season, the boys had come together as a team and were winning a majority of their games. Junior Mitch Beck and Sophomore Spencer Patti were invaluable to the CHS team as the goalies for the 2008-2009 season. Junior Sam Stemming and Sophomores Nick Paiva and Seanus Fennelly scored many of the Oakers' goals. Also, Junior Mike Kowalski consistently defended Oaker territory in each game. These boys were an inspiration to their fellow teammates, as well as to their loyal fans who watched them grow throughout the season.

Boy's Basketball

The Coventry Oakers Basketball team experienced a very successful 2008-2009 year in Division II, with a final regular season record of 10-6. The boys also made a strong run in the playoffs, finally defeating in a lengthy and difficult game against Narragansett. During the season, Coventry had great games against worthy teams such as Tiverton, Westerly, Cranston West, and Narragansett High Schools. Throughout their final year at CHS, Senior Captains Trevor DiMicco, Brandon Dipailo, Adam Cloutier and Matt Willard served their team well. Other key players for the Oakers include Juniors Sean Finnegan, Jon Ruest, and Daniel Struebing.

The Lady Oakers Basketball team had a successful season in 2008 and 9; their final record of 7–11 was very impressive for a difficult and competitive Division I setting. The girls played very well in their victories, never once giving in until the final buzzer sounded. Every girl played a key role on the roster throughout the season, whether they led the team in scoring, stayed strong on defense, or simply brought a positive attitude to each game. They picked one another up, cheered each other on, and kept their teammates in the game. While each girl played an integral role throughout the season, the Lady Oakers found inspirations in their captains this year, Senior Megan Shaffer and Junior Elise Fortier. Both girls made considerable contributions to the team’s point totals, as well as in their confidence. Other key players for CHS this season included Tiffany Webster, who led the team in total points scored, as well as average points per game. Hannah Cole, another Coventry Sophomore, also played very well for the Oakers on offense.

Gymnastics

The Oakers gymnastics team had a successful season; they faced challenging teams in Division I, a highly competitive field. With the leadership of Senior Allison Faria, the team achieved a fourth place finish in Division I and posted a total of seven wins and five losses. Six Coventry gymnasts qualified in the all-around for the Varsity State Meet: Allison Faria, Anita Kundu, Courtney Saucier, Julia Lafen, Tiffany Smith, and Haley Crossley. The girls performed very well at the State Meet, earning fourth place with a season high team score of 136.75. For their exceptional skills during the course of the season, Anita Kundu and Haley Crossley received second team All-State and All-Division Honors. The great efforts of Allison Faria and Courtney Saucier earned them third team All-Division Honors.

Organizations
Honor Society

The National Honor Society is made up of students that best represent leadership, scholarship, character, and service. The group participates in many events that help the community such as the Student vs. Faculty basketball game in March and the summer Car Wash to raise money for the Matt Haffman Recovery Fund. The students also volunteer at the Coventry Senior Center and at Bright Light in Providence. Raising money during School Improvement meetings and participating in the recycling program in the school are also among the contributions this group of exceptional students works on, in their efforts to better the school and the community.

Student Council

The Coventry High School Student Council serves as the student voice of the high school, as the officers are elected by the entire student body. Membership is open to all students in all grades. The group meets every Thursday after school. Projects must be well planned and include Homecoming, Varsity Revue, School Spirit Week, and Career Day. Lesser known projects the Student Council coordinates include birthday recognition, coordinating two blood drives each year, assisting with school picture day, planning an end of the year awards banquet, faculty appreciation day, and a reading program in cooperation with local elementary schools and a food drive. In addition, Student Council coordinates the scheduling of all fund raisers in the building. Council members are very visible on the state, national, and international level. They regularly attend state, regional, and national conferences as well as serving on the national executive board. When the students return to CHS they bring back a wealth of ideas to benefit the school community.

Interact

The Coventry High School Interact Club is an organization involving a group of students eager to contribute to our school and local community. Under the direction of Mrs. Jill Hague and Mrs. Debby Lavin and the leadership of President Kristen Nault, Vice President Amy Donlon, and Secretary/Treasurer Sarah Seltzer, the group successfully organizes fundraisers in order to benefit others. Projects include baking pumpkin bread and playing bingo at the Alpine Nursing Home. They also plan Coventry Idol with all proceeds going to a worthy cause.
The Yearbook Club is comprised of students actively involved in the preparation of the annual yearbook, The Knotty Oak. The yearbook staff, under the direction of literary advisor Mrs. Johnson, and business advisor Mrs. Brusatti, spent endless hours designing, writing, and photographing for this special publication edition of The Knotty Oak.

Executive editors Shalini Shah, Brennan Pagliaro, Alexsia Puliano, Michaela Tracy, and Tyler Horrocks began the year learning a new computer program which would allow more students the opportunity to work on the book. The new program enabled senior Alex Titus to work from home and club members to work during the weekends.

After debating the theme of this year’s book, and with the help of cover designer Ms. Aimee Belanger, “Our Time Now” began to take shape.

The Entry is a student-run free newspaper that usually publishes eight editions during the course of the school year. Approximately twenty-five students contribute to the publication’s production by writing stories, taking photos, designing layout, and/or editing editions prior to printing. Each student, as part of a service learning group, all students are welcome to publish in the yearbook. Several students have communicated
Mock Trial

The CHS Mock Trial Team had some great success this year. They assembled in late September for their first unit of competition. After five months of preparation and commitment, the team competed earning a playoff spot. Something that usually takes several seasons to achieve.

By Mr. Booker, Mrs. Bispol, Mrs. Hallam, Mrs. Sorrentino, and attorney coaches Mr. John Connolly and Mrs. Traci Frenett, the team managed a 2-1 winning record and looks forward to pushing on next year for another successful season. Our senior captains Nicole Smith and Brittany Manosol will be missed, but have no fear, we have some talented talent waiting to fill those rather large shoes and take us to the next level.

Model Legislature

The Rhode Island Model Legislature first met over fifty years ago. This student government program was the first of its type in the nation. Today, students have the opportunity to act as state senators, representatives, committee leaders and pages. Students are eligible for "mock" leadership positions. The club, led by political "junkie" Mr. Nolan, has received numerous accolades for their professional and civic knowledge.

Drill Team

The Coventry High School ROTC Drill Team Regulation is led by Molly Cocaine. The Armed Color Guard is led by Keleigh Thompson, and the Armed Exhibition Guard is led by Carly Zeh. The Unarmed Color Guard is led by William Studley and The Armed Inspection is led by Katherine Vachani. The CHS Drill Team has been National Champions several times in the history of CHS. The Color Guard often presents the colors of our country and state at CHS events throughout the school year. Their tribute to America's POWs and MIAs at Coventry's commencement exercises are always moving. The Drill Team stands at attention and proudly raises the flags of the United States and the state of Rhode Island.

Swing Team

The Phat Katz, Coventry High's Swing Team, is a group that welcomes all students, no auditions necessary. They are dazzling with their moves and participate in three performances throughout the year including Varsity Revue, the Dance Show, and during Art's Week. The group also performs at elementary schools and goes out of the district to teach other high schools how to swing. The Swing Team has been in existence for ten years and is advised by Ms. Deborah Pacheco.

Dance Team

The Dance Team, coached by Ms. Lisa Palumbo and Ms. Jeni Petraska, participated in this year's Pep Rally and Thanksgiving football game. They performed at home football games, in three regional competitions, and at the Spirit Week Dance. The Dance Team also held its annual Dance Show to showcase the impressive routines of both groups and individuals.

The cheerleaders of Coventry High School are always there to support our outstanding athletes. Whether it is at the football field, the hockey rink, or the basketball court, the girls’ voices can be heard loud and clear, leading the crowds in cheers of victory and school spirit. Wearing team colors red, and white, cheerleaders inspire the student body to come out and support their school.
The Marching Band

With fifty-seven members, the Coventry High School Marching Band performs at all of the home football games and parades throughout the school year. The Homecoming Day, Columbus Day, St. Patrick's Day, Memorial Day parades are a great way to view the marching band publicly.

Above: The Marching Band smiles begrudgingly as the thought of playing for a parade AND a game in the same day hinders their happiness.

Music Department

The CHS Music Department consists of many performing and non-performing courses. Performing at home football games, parades, concerts, varsity revue and RI Music educator festivals, the ensembles are busy year round. Special highlights of the year include eleven students being accepted into the RI Music Educators All-State Festival, a trip to the North American Music Festival and some student members of the department performing in Grease. Many non-performing courses prepare music students for post-secondary experiences that include music education and performance.

The members of the Drama Club invested much time and energy to ensure that the fall production of Grease would be a success.

Drama

The Drama Club, directed by Mr. Myke Wilkinson, is comprised of talented actors, singers, and musicians. This fall members of the club enjoyed the lineight entertainment theater goers with their full-out performances of Grease. Dancing and singing their way to a sold-out house at Woodlawn High, this musical about teens in love is timeless. Although we all know that good girl Sandy ends up with greaser Danny Zuko, we are willing to watch time and again. This all too familiar music was provided by exceptional instrumentalists directed by Mr. Brad Bardo.

This spring the Drama Club will perform The Boys Next Door, a

WCVY Radio

Music lovers of the CHS community flock to the school radio station: WCVY 91.5. This group of creative students entertain others by broadcasting a better mix of rock, pop, and more rock. Each member sports their own DJ name and Katie Williams, a senior who will graduate this year, has been a member of the club the longest. The radio staff works after school every day and broadcasts CHS sports and concerts live.

The guys and girls at WCVY radio station hang out after school and dish out the tunes.
World Language Club

This year the World Language Club participated in the Homecoming parade. Their float was appropriately named “It’s A Small World”. The club held its second Pizzeria Uno fundraiser on Thursday, December 4th. The funds were to defray the cost of a trip to New York City the club plans to take in spring. The WLC also organized the Cabaret, a talent show that showcases different cultures that can be found in our community. Students look forward to World Language Week. Events include wearing the colors of Spain, France, Italy, and the United States and staying after school to watch an international movie and eat different cultural dishes. The advisors of the World Language Club are Mrs. Tedeschi, Mr. Cubillos, and Ms. Lawrence.

Science Club

The Science Club, advised by Mr. Rockwell, is an organization which allows students the opportunity to discuss and experience science after school. Students participate in experimental demonstrations and show off their sciences' know how in front of other students. The Science Club is actively involved in the school's recycling program. Special projects this year will include an egg drop and a make your own chocolate lab. The Science Club is always doing something fun and creative.

Envirothon

Envirothon is a club which promotes the study of all aspects of the environment, including forestry, wildlife, aquatics, and soils. After preparing a presentation on a special current events topic, club members compete in the Rhode Island Envirothon competition. Over the summer, a Coventry team traveled to Arizona to compete in the national Envirothon. The club also participates in the school's recycling program and in educational workshops during the school year.

Homecoming Parade

On October 18th Coventry High School, after two rain outs, was finally able to stage its homecoming parade and soccer game. Homecoming 2006 was an outstanding success.

Scores of community members lined the parade route as the Student Council, World Language Club, Evironthon, four classes, cheerleaders, Homecoming King and Queen nominees, and high school marching band paraded from Coventry Middle School to South Main Street, Sandy Bottom Road, Tongue Avenue and finally to the high school. Following the band, the Senior Class led the parade with their four Pirates of the Caribbean floats. The costumes the seniors wore were awesome. Other outstanding floats included “Peter Pan’s Neverland” by the Junior Class, “Its A Small World” by the Foreign Language Club and The Many Adventures of Winnie the Pooh by Student Council. After the parade the community enjoyed an entertaining soccer match between CHS and Charlton. The game ended in a 2-2 decision. At half time Nicole Stefan and Trevor Dimicco were crowned Homecoming King and Queen. All hail the king and queen.

The Marching Band successfully pumps up the crowd as they make their way through the streets of Coventry.
Homecoming Dance

"LET'S DO THE TIME WARP AGAIN!"

On September 20th, Coventry High School held its Homecoming Dance entitled "A Night in Wonderland". Decorations of blue and silver turned the gymnasium into an enchanting wonderland. Nervous freshmen, attending their first high school formal, mingled with upperclassmen as over 1,100 members of the CHS student body crowded into the gym. After three hours of dancing, parents picked up the freshman and some sophomores and juniors got rides home with seniors. For members of the Class of 2009, it was a time to smile and hug each other as they began to realize that "Our Time Now" was all happening much too quickly!

On the 25th of October, fifty-four member teams comprised of CHS Juniors and Seniors gathered in the new cafeteria to participate in the Annual Hunt competition. This upperclassmen competition began with a costume contest, followed by a scavenger hunt that spanned the high school's grounds. The costume contest began at 6:30pm as the teams paraded across the floor for a panel of esteemed judges (alright, teacher volunteers). Kayla Percy, Michelle Finney, Roxanne Thompson, and Catherine Collard showed some "girl power" by winning the costume contest with their great "Spice Girls" costumes. After the costume contest, all the teams put their game faces on and began the scavenger hunt. In a race against the clock, each team went from clue to clue. The clues were all centered around the theme of "Board Games". The scavenger hunt was won by the team of Trevor Dimicco, Jared Morell, John McCoy, and Bill Sacks. After the Hunt, the hunt contestants, and many other CHS students were invited to attend the Hunt Dance. All the students enjoyed dancing and thousands of dollars in prizes were given out for those that participated in the Hunt.
"We don't have an eternity to realize our dreams, only the time we are here."

From November 20-22, the Student Council held the annual Varsity Review entitled “Search for Talent at CHS.” It was an amazing spectacle. Katelyn Corp and Kassie Lima were excellent hosts. Their witty commentary kept the audience laughing all night. The show consisted of approximately twenty acts. Show-stopping performances included Lexi Pullano’s epic “Asquez le Tap Dance” and Kristin Hargarten’s amazing rendition of “Ordinary Day.” The CHS Jazz Ensembles, Cheerleaders, and Select Choir both had spectacular performances. Some cast members managed to participate in several numbers. Matthew O’Brien alone frequented the stage five times throughout the course of the performance, including a vocal performance of “What Makes a Man” with Tom Alger on guitar. The show ended on a very strong note featuring our own Coventry Idol Ylana Newman’s incredible performance of “Listen to Your Heart.”

Overall, this year’s Varsity Review was a great success thanks to the Student Council. With stage manager Alex Tajes in charge the show ran flawlessly. With the help of Michaela Tracy and Cory Bergeron, the Student Council certainly put on an entertaining Varsity Review.
"The best way to predict your future is to create it."

For the first time in seven years, students gathered together for a Thanksgiving Game Pep Rally. Under the supervision of the "Pep Rally" committee, the students cheered on the varsity football team and entertained their rival, the West Warwick Wizard (Mr. Rockwell). Other performances included the Marching Band, Dance Team, the Cheerleaders, and the ROTC Drill Team. Each class cheered on the teams and geared up for the Thanksgiving Day Football Game. Former West Warwick Alumni, Mrs. Kelly, Mr. Cobbold, Mrs. Johansen, and Mrs. Simas traded in their orange and black and accepted the Owlmen's colors of red and white. The Pep Rally was the result of the joint efforts of teachers and students making banners, designing t-shirts, and organizing skits. The Pep Rally truly brought the school together and was an overwhelming success.

You better watch out, You better not cry, You better not get caught, I'm telling you why... It looks like Josh Johansen is after your job!

Breakfast with Santa

"The best thing about growing older is that it takes such a long time."

On December 13th, the fourth class Executive Board held the annual Breakfast with Santa. This marked the seventh time the event has been held. The breakfast was themed "A Charlie Brown Christmas." Students that helped at the event dressed up as the legendary characters from the classic Christmas special. Activities included face painting, coloring, and of course visiting Santa (played by Santa’s helper “Robbie” Johnson). Special appearances were made by the Grinch (Justin Yehle) and Mrs. Claus, (played by President of the Class of 2020 Ms. Katelyn Corp). The moon bounce was a huge hit with the little ones. All the CHS students also enjoyed watching Mr. Brosette performing remarkable athletic jumping feats on the moon bounce. Many teachers brought their families to the event. Over 350 people from the community also attended. Overall, a wonderful time was had by all those that attended. Congratulations to the Class of 2020 and the other classes for sponsoring such a worthwhile event. Jessica Baker, President of the Junior Class promises an even bigger event next year!
Covington High School Seniors paint their t-shirts orange for spirit week. Having selected the color of the CHS rival the West Warwick Wizards did not bring down their spirit at all.

Covington High School's Student Council has been hosting a Spirit Week competition since 1977. Each year, students from each class vote and compete against each other in an attempt to prove that it is their class that has the most spirit.

Though the week ranged from March 23rd to the 28th this year, the preparation for the week started long before hand. Seniors kicked off the week on a strong note, first with Pajama Day and Human Trouble at school. Tuesday was Country/Hit Day followed by Lip-Sync. Wednesday, the most popular of the days, was Color Wars. Ping Pong was after school, and in the evening, hundreds of students from each class showed their support at Almost Anything Goes. Thursday, students showed some class vs. Formal Day, with Class Fest in the afternoon. The week came to a close with Red and White Day, an event that certainly brought the classes together.

The week's culminating event was the Friday Night Spirit Week Dance, where students came together to dance and compete later on in the evening. Each class choreography proved to be amazing; though always, the seniors dominated the event. At the close of the dance, the winners of Spirit Week 2009 were announced: Seniors in first, followed by the Juniors, Freshman, and Sophomores Classes. This year proved once again to be successful in uniting the student body of Covington High School and demonstrating good sportsmanship. Congratulations to each class!
"We run this."
Winter Ball 2009

"Dancing in a Winter Wonderland"

Coventry High School's Junior and Senior Winter Ball, "Dancing in a Winter Wonderland," was held January 16th at the West Valley Inn. Students showed up ready to party despite the fact that it was the coldest night of the year. Although the temperature outside was freezing, Coventry High School's favorite DJ made sure it stayed hot on the dance floor.

Any chance of winter-blues gave way when senior girls were called to the dance floor to perform the chicken dance. Even more hilarious was the attempt made by Stefan Rogowski to teach a group of senior boys the Soulja Boy. For their efforts both groups won door prizes.

Many of the party goers were far from done when 1 p.m. finally rolled around. If Mr. Brassette and Mrs. Kelly did not shoo them out, the party may have lasted all night!

The World is Waiting for You!

Take chances. Make mistakes.
Life can be messy and confusing at times, it is also full of surprises.
The next rock in your path might be a stepping stone.
Happy.

You don't have what you want, want what you have.
Use it. That is a well-kept secret of contentment.

There aren't any shortcuts to tomorrow.
You have to make your own way.
To know where you are going is only part of it.
You need to know where you have been, too.
And if you ever get lost, don't worry.
The people who love you will find you.
COUNT ON IT.
Life isn't days and years. It is what you do with time and with all the goodness and grace that's inside you.

Love, Mom

Look out DC-
Hear I come!

Dear Jess,
Oh, where did the time go? It seems like just yesterday you were our cute little girl in pigtails, smart as could be - reading and writing before you were three. Now here we are - the pigtails are gone and in their place is a lively young woman who has the whole world in front of her. We don't think you can ever know how proud we are of you, not just because of your accomplishments, but because of who you are. A strong, independent and incredibly intelligent person, we know you will go very far in life.

We love you!
Mom, Dad and Ryan

On August 26, 2000, we arrived at CHS as seniors. We elected Katelyn Corp as President and got to work on our Homecoming floats, with the theme being Pirates of the Caribbean. Our float costumes rocked, especially Tyler Horrocks as a creepy dead pirate on a creepy sunken pirate ship.

Homecoming King and Queen were Trevor DiMico and Nicole Stearns. We wore our senior class t-shirts, designed by Trevor Colai, for the first time on November 20th. We held Breakfast with Santa on the 13th with all the other classes. On Friday, January 16th, we went to West Valley Inn for our Winter Ball. Senior girls did the chicken dance for key ring favors. Senior boys tried to dance to "Soulja Boy", but were simply pathetic. We prepared for Spirit Week knowing we were at a decided disadvantage because we had under 400 members in our class while other classes had over 500. We could not understand the counting injustice, but we planned to try to "screw up" despite the unfair odds. Our Class Mural was unveiled in April. On May 8th, we celebrated our Senior Ball at Crown Plaza. The place looked amazing, our favors were wonderful, and as we danced together for the last time before graduation we started to wonder why "Our Time Now" had to end so quickly.

On May 28, at Senior Supper, we received our cap and gowns, Senior Ball pictures and yearbooks, the greatest ever produced by a CHS yearbook staff. We awarded superlative gifts, cried our goodbyes, and went back home to prepare for our last high school exams. For those of us that finished our portfolios, capstone project and passed our classes, Class Day on June 17th was amazing. We read our Last Will and Testament, class prophecy and this, our class history. We wore our cap and gowns and graduated as a senior and knew in two days we would become the graduating class of 2000. At the Ryan Center, Katelyn Corp delivered her President’s Address and we realized "Our Time Now" at CHS was over. As a Class we had learned about quadratic formulas from Mrs. Tracy, analyzed characters (and not just the ones in novels) with Mrs. Bianco, learned about society in Mr. Lyon’s Sociology class, learned about teen psychology in Mr. Corp’s classes, and had been both suspended and given reassuring hugs from our Vice Principal Mrs. Ferguson. More importantly, as a Class we made enduring friendships and memories. Our time at CHS may be over, but our lives are just beginning...it truly is "Our Time Now".
