A photograph of the entrance to Coventry High School. The entrance features a set of glass double doors with a dark frame. Above the doors, the words "WELCOME TO" and "COVENTRY HIGH" are written in red, slanted capital letters. To the left of the doors, a sign on the brick wall reads "Use this door during school hours. You must sign in. Thank You". To the right, a red fire door is visible. The ceiling of the entrance is a light-colored drop ceiling with two circular recessed lights. In the foreground, there are some green plants. The right side of the image is partially obscured by a red geometric graphic.

A collage of student photos is overlaid on a large, stylized red star graphic. The photos show various students in different settings: a girl with a red bow and green face paint, a girl with a purple hoodie, a boy with a baseball cap, and a group of students. The word "people" is written in white lowercase letters across the center of the red star.

What piece are you? Are you the shy student, the Class Clown, the jock, the cheerleader, the "teacher terror"? Are you the All State Athlete, the National History Day winner, the All State Band member, the Capstone Procrastinator? Regardless of your contribution to the mosaic of CHS, we all make up important **pieces** of the colorful world of our high school. Each person's individuality contributes to a stronger whole. Not all of us receive accolades. Only one of us is valedictorian. There are only a few sport team captains. Together, however, all of us contribute to Coventry High. Without all of us, CHS would not be whole. Each one of you is an **important piece of the school.**

athletics

Senior Nights, games under the lights, double sessions, 4am hockey practice in West Warwick, sprints, co-captains, injuries, "pain is weakness leaving the body", pep rally, Coach Z., Horlbogen! ... Athletics. Whether you are a member of a Varsity or Junior Varsity team, or a fan, you are a very important part of our school. Athletics help to unite all the different **pieces** of CHS. Athletics bring spirit to our school, athletics bring pride to our school, our athletic history makes us curious about our school's past, and athletics bring alumni to homecoming. Without athletics a **piece** of the Coventry mosaic would be colorless. The Oaker athletic colors of red and white...a great **piece** of CHS.

Whatever talent or interest you have, you can share some of that talent by joining one of the high school's numerous organizations. Community service is your thing? Try Interact. Organizing Varsity Review or Spirit Week? Join our 65 year old tradition of Student Council. Writing your specialty? Sounds like you are a member of the 76 year old Entry newspaper club. Enjoy marching? Join the National Champion Drill Team. Enjoy arguing? Debate a bill at the State House with the Model Legislature group. Like to dance and yell? You must be a cheerleader. Want to be Emerald Man? See you at Drama Club. Saving the World one recyclable at a time? Try Envirothon. Feel a need for Green Slim? See you at the Science Club. The clubs and organizations of CHS help us to explore the ***pieces of ourselves.***

organizations

student life

Can you imagine CHS without Winter Ball, Junior Prom, Senior Supper, the Hunt, Varsity Review, school plays, or the organized war called Spirit Week? Student life is the **piece** of high school that glues the mosaic together.

We have all danced on the speakers at our dances, or cheered our class on during Almost Anything Goes. The upperclassmen have all obsessed over preparations for the Hunt or their first formal dance. All of the students in this yearbook participate in the life of the school. All of **the pieces of CHS come together** through our shared experiences.

Senior Class History

In August of 2006, the Class of 2010 entered Entry High School. We came from two middle schools, Knotty Oak Middle School and River Middle School. Despite the confines of "teaming" we quickly learned that high school would provide more challenges than middle school. As freshmen, we were pushed by upper classmen, warned of the perils of prom and capstone, and herded in to a crowded cafeteria. Our Class Advisers were Mrs. Ray and Ms. Palumbo, and we elected Anne Thompson as Class President. Our first call to action that year was to sell thin towels as a fundraiser. At Homecoming, our float theme of Grease captivated the attention of a single judge. We came in last during Spirit Week, but did manage to win the "Class Feud" competition on Thursday afternoon. Our homecoming formal dance was held in the gym. The theme was "These Are the Moments" and we managed to *piece* together a wonderful evening to create many memories.

With a year's experience under our belts as sophomores, we were determined to compete with the upper classmen at Homecoming and Spirit Week. Through experience gained, we knew we would have an excellent Sophomore Semi-Formal. Our Advisers were Mrs. Robichaud and Mrs. Cole, and we elected Jessica Baker as Class President. Our homecoming float theme of Egypt placed third at Homecoming. With new confidence we wore "In it to win it" shirts during Spirit Week. We even showed up to practice lip sync and dance competition during February vacation. Finding the doors closed by seniors, we still tried our best but managed only a third place finish during Spirit Week. On the bright side, once again we won "Class Feud". We received our class rings during March. We hoped to show off our new "bling" at the Sophomore Semi-Formal, but for some reason the administration told us we had to have that dance in the gym also. Despite having to return to the gym for another "formal" dance, with our dance theme of "Soiree in Paris"—blue and silver lights and a pseudo Eiffel Tower—we made the best of our night. As sophomore year came to a close most of us did not have our capstone projects done, and many had not uploaded classroom tasks to the mysterious RIEPS system. (continued on page 78)

Senior Class of 2010

Senior Class History Continued

(continue from page 14) After two years at the high school, we entered the 2008-2009 school year as juniors with confidence that the academic and social **pieces** of our high school careers would start to come together. Our Class Adviser was Mrs. Kelly and we were again elected Jessica Baker as Class President. Our Homecoming float of "Peter Pan" took first place at Homecoming, a date of which was moved twice due to rain. Because of the date change, the Homecoming game was actually a soccer game. Be it our football team or our soccer team, we still lost the game, as tradition requires. We enjoyed "The Hunt" competition with the seniors in October 2008. On January 16th, 2009 we finally were allowed to have a dance outside of the high school. We put together Winter Formal with the Class of 2009. The event, held at West Valley Inn, was a memorable night. Alas, despite our Homecoming victory the seniors crushed us at Spirit Week. Still, we did win the "Class Feud" competition for the third year running. Our Junior Prom at the Paws on the Pawtuxet was a wonderful night. The Theme was "Music of the Night" We received our prom favors and elected Stephen Petrarca King and Lindsey Costa Queen for the evening. On Class Day, Vlad Jean did a spot on impression of Trevor Celani; we exchanged our rings and became seniors to a poem by Jill Confreda. We watched the seniors exit the building and realized the time to **piece** everything together, both academically and socially...was now!

Senior Year! We entered the high school on a sunny day in August 2009 determined to **piece** together one great year. Unfortunately, because of over spending we had a \$3,700 class debt to make up. Fortunately, capstone and portfolio were made much simpler to complete. We had long been told capstone required twenty sources. Now it was ten. Portfolio had required eighteen tasks. Now it was nine. Those of us that had yet to put the **pieces** of our portfolio together welcomed that news. The mysterious RIEPS system mysteriously vanished also. We elected Kerry Hellman as Class President. Mr. Brissette stayed on as Senior Class Adviser for a tenth year, despite rumors that he would quit the job. For Homecoming, we built our floats at Kerry's house. The theme was New York, and we proved junior year was no fluke as we came in first place again. Homecoming King and Queen were Nick Bolcon and Erika Flynn. Despite a great football season, the Football Team lost both the Homecoming and Thanksgiving game. In October we ordered our caps and gown, the first **pieces** of apparel we would order that signified our high school career was fast approaching its end. We signed a "commitment to graduate" diploma at an assembly. As a class we were reminded that "every senior counts", that the members of the Class of 2010 should encourage all their classmates to graduate. On the day of the pep rally, we wore our senior t-shirts designed by Ashton Alba. We planned a great Breakfast with Santa and held a magical Winter Ball at West Valley Inn. We enjoyed our last Spirit Week, (to see if seniors won for the seventh year in a row turn to pages 206-207) and danced on the speakers at a perfect Senior Ball at Crowne Plaza.

It was at this event, when we looked around and saw the same familiar faces of the last twelve years, that we realized that all the **pieces** of our experiences from the last four years had created wonderful memories. On May 26th, 2010 we held Senior Supper at the Quiddneset Country Club. There, we received our yearbook, titled "Pieces", our caps and gowns, Senior Ball pictures, and CHS Alumni T-shirts. On June 7th it was our Class Day. We read our Senior History, our Senior Prophecy and our Class Will. On June 9th 2010, as Kerry Hellman delivered her President's Address at the Ryan Center we realized the **pieces** of our high school life, of our adolescence, had come to a close. As a Class, and as members of the CHS student body, we have **pieced** together homecoming victories, capstone projects, portfolios, credit hours, formal dances, a budget deficit, sports titles, ROTC National Championships, great band performances, Varsity Revues, and Drama Productions. Most importantly, we have **pieced** together friendships and wonderful experiences. It is our hope that members of the Class of 2010 will continue to **piece** together wonderful lives. May the **pieces** in this, the 76th edition of the Knotty Oak, inspire both meaningful memories and memorable futures.

Mr. Michael Convery

Dear Class of 2010,

The last four years have been special for both of us. I became Principal of Coventry High School when you were freshmen. These last four years we have grown together. You have grown academically and socially. You have contributed to the life of Coventry High school in many ways. Academically, many of you are members of the National and Rhode Island Honor society. Many of you are on the Honor Roll. Some of you have reversed early academic troubles and will not only graduate at the Ryan Center but also go on to college.

Members of your class have participated on teams that have won interscholastic titles. Many of you are members of organizations that have brought a vibrant spirit to the high school. Some of you have overcome personal hardships, and many of you have helped a friend succeed at CHS.

Personally, you have helped me grow as an administrator. For that I will be forever grateful. The last four years have seen the "pieces" of your class come together and create a set of shared experiences you will long remember. I sincerely hope your future holds many more great memories.

On behalf of the administration and faculty of Coventry High School, may the pieces of your life outside CHS be filled with health, honor and happiness.

Sincerely,
Michael J. Hobin

Mrs Cantino

The Knotty Oak staff proudly dedicates the 76th yearbook to Mrs. Mary Ann Cantino. Mrs. Cantino has been an employee of Coventry Public Schools for thirty years and the Principal's Secretary for the last twenty-three years. During that time she has been the eyes and ears of our high school. Her indispensable wisdom has guided many students through the sometimes difficult circumstances high school presents to teenagers. Be it a kindly smile, a firm hug, a bit of advice, or a stern but friendly reminder of the responsibilities of being an "Oaker", Mrs. Cantino is there for the students of Coventry High.

Mrs. Cantino has also guided many beginning teachers and principals. Numerous employees have sought her advice on how to handle situations with students, parents and colleagues. Countless principals have been guided by her knowledge of the history of CHS, not to mention her extensive knowledge of the budget process.

This June Coventry High will lose a wonderful friend and mentor. Mrs. Cantino can retire knowing she has helped shape thousands of lives. The Knotty Oak staff wishes Mrs. Cantino a happy, healthy, and long retirement. Well done Mrs. C... your twenty-three year presence at CHS will continue to influence the future of the thousands of students and adults you have helped. Goodbye, friend, and may you piece together some beautiful golden years.

Oakers Indoor Track teams competed at the new Indoor Track and Athletic Complex in Providence. They were coached by Mr. Bradshaw and Miss Perschau. Outstanding individual performances helped both the Boys and Girls teams to finish at the State Championships. In the Championship Meet, Sophomore Kate Guilmette placed 19th for the 55 meter Dash and Junior Vera Fedorenko placed 17th in the 1000 meter run. The 4x800 Team, composed of Freshman Haley, Sophomores Nicole Francis and Amanda Hoskins and Junior Vera Fedorenko competed at the New England Championships after finishing in fifth place at the State Meet. The boys were lead by Senior Tim Clarkin, who finished fifth place in the 55 meter hurdles and 12th in the 300 meter dash. Junior Dan Ryan placed 5th in the 1000 meter run and Sophomore Dan Clarkin placed 16th in the 600 meter run. Wrestling

The 2009-2010 Oakers Wrestling team had a successful season in spite of missing much-needed upperweights. Captains Colin Cocaine and Nick Bottella both led the team to a 6-10 record in the competitive Division I. Nick Bottella, a Junior, lost only two dual meet matches in his weight class. Senior Colin Cocaine went undefeated through the season and went on to win the State Title in

the 152 pound weight class; he was the first Coventry wrestler to win the State Championship since Coach Souza. Colin also represented Rhode Island in the New England Wrestling Tournament. Sophomores Jared Wilson, Zach Wilson, Christian Bottella, and Dylan Olson also contributed to the team's overall success this year. They will be returning to CHS Wrestling as the starting lineup for next season, and carry the Oakers forward into future success.

Ice Hockey

From the very first time the puck dropped onto the ice, the Oakers Hockey Team was destined for a magical season. After last year's difficulties, the players decided to buckle down and enter the weight room in the offseason. Led by Captains Sam Stenning and Ryan Galvin, the 2009-2010 hockey team experienced astronomical improvement. They went undefeated for the first 11 games of their season before losing a very difficult overtime game to the first-ranked Portsmouth team. Goalenders Mitch Beck and Spencer Patti were able to keep most opponents out of the goal throughout the season. The team finished 14-2-1 on the season and entered the playoffs for the first time in four years. Though they lost in the first round, the players put up a great fight; they went into double overtime and two shootouts in the first game, followed by a second game that ended in an overtime loss. Four seniors had a huge impact on the team's success this year: Ryan Galvin (captain), Sam Stenning (captain), defenseman Mike Kowalski, and goalie Mitch Beck. They will be sorely missed next year, but strong talent will carry the team forward into more success. Junior Nick Paiva led all of Division II Hockey players in points scored, and Seamus Fennelly made key goals for the Oakers once he returned from injury. Coventry High School hockey fans can look back on this season with pride and into the future seasons with confidence.

Boys Basketball

The Coventry Boys Basketball team experienced a very successful season. Despite losing four starters from last year, the Oakers managed to end the year with an impressive 19-6 record. Three of the team members averaged double digits in points scored per game: Senior and co-captain Sean Finnegan, Junior Nate Stitchell, and Sophomore Garrett Douglass. Seniors Tyree Andrews, Tyler Cloutier, Jon Ruest, Tim Printer, Brad Auger, and Danny Struebing (co-captain) led the team on and off the court, and their leadership will be missed next season. A team effort, however, is what propelled the Oakers to a third consecutive appearance in the Division II semifinals. Portsmouth played a tough game and the Oakers fell in a difficult loss. In spite of a season cut short, the Coventry boys played basketball with passion and always drew large crowds wherever they traveled. The Oakers move up to Division I next year, and they hope to continue improving. Under the guidance of Nate Stitchell and Garrett Douglass, the future of the Coventry Basketball team looks bright.

Girls Basketball

This season the Lady Oakers were proudly led by two new coaches, Jared Breedon and Donna Beaudoin. Captains Michaela Feeney, Elise Fortier and Hannah Cole guided the girls to a Division I season record of 9-12, which earned them a place in the playoffs. The Varsity's starting lineup was composed of Elise Fortier, Gabrielle Lesnett, Hannah Cole, Brooke Willard and Casey Cloutier. The climax of the Oaker's season was a tough victory over fifth seed North Kingstown; they gained further respect after a one point loss to number one seed South Kingstown. Their first playoff game was against rival EWG, and the Oakers saw their season come to a tough end in overtime. Senior Elise Fortier achieved Third Team All-Division for her efforts in the Oaker lineup. Senior Michaela Feeney had her best season as both a leader and a player. Sophomore Casey Cloutier was an important spark for the Oakers' defense, while fellow Sophomore Autumn English was an aggressive sixth player and a key force on the court. Hannah Cole, a Junior point guard for the Oakers, earned Second Team All-Division honors. Brooke stepped up as an impressive threat down low on both offense and defense. Also leading the team down low was Gabrielle Lesnett, who controlled the paint on defense and posed an offensive threat. Returning wing Tiffany Webster kept teams in check along the perimeter and on the offensive drive. Other important players were Seniors Amanda Gagnon and Kate Carroll, who gave four years of effort and dedication to their team. The underclassmen will miss these senior leaders, but the Lady Oakers Basketball Program has a wealth of talent coming up to the court in the season to come.

Gymnastics

The Coventry gymnastics team celebrated a successful season in the competitive Division I with a final record of six wins and five losses. Senior captains Anita Kundu and Courtney Saucier led the team through a difficult season plagued with injuries. Important victories for the Lady Oakers against Barrington, Middletown, and LaSalle led the team to a fourth place finish in Division I. A total of ten gymnasts qualified for the State Championships with Courtney Saucier, Julie Lafen,

Diffany Smith, Haley Crossley, and Stephanie Fitzgerald qualifying in the all-around. Haley Crossley's seventh place finish at the State Meet earned her a spot at the New England Championships, where she placed sixth on the balance beam. The outstanding achievement of Haley Crossley, Courtney Saucier, and Stephanie Fitzgerald earned them All-State and All-Division I Honors. Freshmen Kimmy Ascoli, Cassi Champagne, Courtney Larcher, Missy Pacheco, and Michaela Paolucci greatly contributed to the team and will become important assets to the team in the years to come.

Clubs and Organizations

Cheerleading

The cheerleaders of Coventry High School are always there to support our outstanding athletes. Whether it is at the football field, the basketball court, or the hockey rink, the girls' voices can be heard loud and clear. They lead the crowds in cheers of victory and school spirit. They also display their school spirit in the hallways, wearing uniforms on game days to alert their fellow students. Wearing the school colors of red and white, the CHS cheerleaders inspire the student body to come out and support their school. Their smiles never fade, nor their faith.

Music Department

The Coventry High School Music Department offers many performing and non-performing courses. The ensembles are busy year round, preparing for and performing at home football games, parades, concerts, Varsity Revue, RI Music Educator Festivals, and jazz ensembles. Some members of the Music Department accompanied this year's fall musical, *Grease*. Many of the students went to the All-State Band or Choir. The level of talent found within the Music Department is an important piece of CHS, but so are its other students.

Non-performing classes such as Guitar Clinic offer kids a chance to learn more about music without the pressure of performing onstage. Other popular courses include Music Theory and History of Rock. Whatever your level of musical talent, the Coventry High School Music Department will have a place for you. Instructors Mr. Rosenfield, Mr. DeGraide, Mrs. Masse, and Mr. Smith invest large amounts of time and effort into making music an enjoyable experience for all students involved.

Yearbook

The Yearbook Club is comprised of students involved in the preparation of the annual yearbook, the Knotty Oak. The Yearbook staff, under the direction of literary adviser Mrs. Johansen and financial adviser Mr. Brissette, spent endless hours designing, writing, and photographing for the 76th edition of the Knotty Oak. Senior Editors David Caianiello, Anita Kundu, and Danielle David worked with Editors-in-Chief Matt Patefield and Lindsey Myers throughout the summer to ensure the book would be a success. Seniors Wendy Searle and Cassandra Thibeault worked diligently on athletics; Jill Confreda perfected Student Life. Countless underclassmen also helped make "pieces" of book.

Led by Mrs. Boyle and Ms. Plante, The Entry is a student-run free newspaper that usually publishes eight editions during the course of the school year. Students contribute to the paper by writing stories, taking photos, designing the layout, and editing the editions prior to printing. All students are welcome to publish stories in the school paper, and The Entry also features poetry and creative writing by CHS students.

Drama Club

The CHS Drama Club prepares two productions each year. This fall our talented group of student actors, singers, and dancers put on a wonderful rendition of the new rock musical "Emerald Man." Under the direction of Mr. Wilkinson, the kids met every week for countless hours. The end result was a moving, heartbreaking, modernized version of Don Quixote that had everyone asking "who's really crazy?"

Ben Richards brings slam poetry to life on stage as Duncan's best friend, Jamal.

The council coordinates two annual blood drives, the birthday recognition program, an end of year awards' banquet, scheduling of fund raisers in the building, and a food drive. Members also assist with school picture day, faculty appreciation days, and other school and community service projects.

The Regulation Drill Team is led by senior Molly Cocaine; senior Keleigh Thompson leads Armed Color Guard; Carly Zeh, a senior, leads the Armed Exhibition Guard, and William Studley leads the Armed Inspection. The Falcon Drill Team participates in the Thanksgiving Day Pep Rally; the Color Guard raises high our state and national flags at most CHS events during the year. World Language

The CHS World Language Club promotes understanding and tolerance of other cultures within the school community. Club members meet throughout the year and learn about traditions of other countries, usually accompanied by a fun activity such as creating masks for Carnavale. Advisers Madame Teixeira, Mrs. Cubellis, and Ms. Lourenco spend countless hours planning and preparing for the annual World Language Week. With the help of President Jaimie Peltier and other club members, the World Language Department encourages the student body to celebrate the nationalities around the world. Each day of World Language Week has a separate theme, with a special after school activity. The week culminates with a World Language Cabaret Show, which is always entertaining to see. The Club Members also take a group trip to New York, where strong world influences can be seen every day.

All mediums are welcome: pastels, paints, colored pencils, even origami! Whether they are continuing a class assignment or beginning something new, there is no shortage of creativity in the Art Club.

Mock Trial

The Coventry High School Mock Trial team meets after school most Thursdays in the In-Focus room. The student members create a court case based off of given information; they practice techniques such as questioning and cross-examination of witnesses. After months of preparation, the students travel to an actual courthouse to deliver their trial in a competition with another school. The members of Mock Trial must dress and think like lawyers in order to be successful in the courthouse; Club Advisers Mr. Booker and Mr. Bishop do their best to make sure the students are ready.

Science Club

The Science Club, advised by Mr. Rockwell, is an organization which allows students the chance to continue their exposure to science after school. Students participate in and view experimental demonstrations, such as "The Dangers of Purell in the Classroom". The Science Club also manages the second-floor recycling program at CHS. The students, driven by a love of science, are always doing something interesting and exciting.

Student Life

h o m e c o m i n g

The 2009 Homecoming Dance held on September 18th, was a great success! After careful planning by the Student Council, over 1000 students walked through the doors of CHS and into an entirely new world. They spent the three hours "Dancing through The States" and singing along with the pounding bass of the music. At 10 PM, the night was over and parents came to collect the underclassmen while the Juniors caught rides with seniors. The Class of 2010 smiled and said farewell to another piece of their lives: their Homecoming.

homecoming

September 19th dawned bright and cold for participants in the Homecoming Parade, but the weather had little improved by the time the game kicked off at 3pm. Despite the cold, the streets of Coventry were lined with people who watched as the Marching band, cheerleaders, four classes, Student Council, Homecoming King and Queen nominees, and students from Feinstein Middle School to the high school gathered on Main Street, Tiogue Avenue, and at CHS. The Class of 2010 won the homecoming contest with their theme of "New York City." Other grades provided some stiff competition: the Juniors with "Hollywood" and the Sophomores with "Hawaii" had incredible floats as well. The students then turned their gears to watch their Oakers football team take on a tough opponent, South Plainfield. At halftime, Nick Bolcon and Erika Flynn were crowned as Homecoming King and Queen. Overall, the day was a huge success and a fun time for all involved.

the hunt

October 24, 2009 saw an overcast and rainy day evening, but the 10th annual Coventry School Hunt continued on without fail. Over 200 students pulled into the parking lots at night and flooded the cafeteria with a wide variety of colorful costumes. The CHS faculty judged each group in turn, and awarded first place in the Costume Contest to Team "Fruit of the Loom". Erik Simpanen, Mike Duffy, Dennis Ryan, and Nick Bolcon displayed a high level of creativity and humor in the creation of their costumes; their costumes brought everything together in a hilarious lip sync and secured a first place finish. Shortly after the costumes came the Scavenger Hunt. Students roamed around campus to find one hint after another, and put together all the pieces of this year's mystery. The weather worsened as the hunt went on, soaking through clues and clothes, providing another challenge for the teams to overcome. In the end, the seniors of Team "Tetris" completed the Hunt in the least amount of time, and took home first prize. Sam Slezak, Sam McCaffrey, Sam Cotter, and Matt Patefield won prizes worth over five hundred dollars for their effort. Win or lose, however, the Hunt 2009 was a night to remember.

Varsity Revue

Varsity Revue 2009 was a huge success for the CHS Student Council and all participants. MCs Sydney Richter and Brandon Matola entertained the audience with all of the talent available "On a Boat." Although the number of shows was reduced to only Thursday and Friday night this year, there was no shortage of talent on the stage. Jazz Band and Select Choir represented the Music Department of Coventry High School, and their performance was nothing less than stellar. The Jazz Band performances featured senior soloists David Caianiello and James Mullen. Jess Baker had a wonderful dance routine designed for the evening and wowed the audience. Kirstin Flanagan sang a rendition of Taylor Swift's "Crazier", accompanied by Nicole Liberis on the guitar and Jennifer Green on the violin. Senior Pat Crowley made five appearances on the stage without a single mistake; the MCs pondered renaming the evening "The Pat Crowley Show" in his honor, much to the amusement of the audience. The shows advertised and uncovering of hidden talent in CHS, and the acts put on stage did not disappoint.

pep rally

For the second time in seven years, students of all classes came together for the Thanksgiving Game Pep Rally. Under the supervision of the "Pep Rally committee" the students cheered on the fall sports teams and celebrated the fast pitch softball championship. Mr. Rockwell returned to play the West Warwick Wizard for another year, and students gleefully tormented the hated rival. Marching Band, Dance Team, the cheerleaders, and the ROTC Drill Team also made appearances throughout the rally. The "Oakers' biggest fan" howled along the edges of the court, and the fall sports teams gave their support from the sidelines. At the end of the pep rally, the newly-fit wizard (Mr. Lucien) challenged Mr. Morris to an arm-wrestling contest. The strength of the Oakers dominated and Mr. Morris won. The 2009 Pep Rally was the result of the joint efforts of teachers and students. They made banners, designed t-shirts, and organized the spirit-raising skits. CHS students left early that Wednesday afternoon with their spirit soaring high.

breakfast with Santa

December 12th, the four Class Executive members held the annual Breakfast with Santa in the new cafeteria. This was the eighth time that CHS has opened its doors for children to come and enjoy a festive breakfast. Volunteering students dressed as Santa's Helpers: elves and the reindeer served breakfast, painted faces, and greeted kids at the door. Other students guided children in making "reindeer food" and ornaments, both completed with plenty of glitter. After breakfast, the children were invited to take a picture with Santa (played by Erik Simpanen). The principal (Jim Abbaricola) made an appearance with his Lou-Who (Lindsay Costa); Mrs. Claus (Kerry Hellman) was present to keep the Christmas spirit alive and well. The moon bounce was very popular with the little children; other than a surprise "power malfunction", it remained on until the breakfast ended at 11 AM. CHS members brought their families to the breakfast, and over two hundred other members of the community attended. This piece of community was a great time for all who attended; the members have a great example to follow.

winter ball

The Junior and Senior classes of Coventry High School held Winter Ball on January 22nd at the West Valley Inn. The Seniors chose not to use a seating chart for the "Snow Ball", but no one had any problems finding a table to use. Friends ate and laughed their way through dinner, but were impatient for the real action to start. After a long week of midterm exams, the upperclassmen were more than ready to let their troubles go on the dance floor. The D.J. opened the dance floor at 8 P.M. He took requests and played popular hits that kept everyone moving until 11 P.M. Winter Ball 2010 was a night of cold weather and warm memories: another piece of HS that the seniors will think of and love.

Spirit Week

Spirit Week is a thirty-three year old tradition at Coventry School. For one week out of each school year, the four classes are divided against one another in a competition to see which one has the most spirit. From the daily dress codes to after school events, Spirit Week consumes the mind and soul of the student body. March 15th began the annual war in its usual style: Pajama Day. After school, the four classes competed for Human Trouble. Tuesday saw students donning costumes in an attempt to win points for their classes, as the bells stopped ringing, Lip Sync began. Wednesday was bright and sunny, inviting all sorts of interesting events on Color Wars Day. Seniors swept after school ping pong, before joining the other classes in Almost Anything. On Thursday students dressed to impress for counting down advisory. By the time Class Feud began at 2:15, everyone was in street attire once more. Friday, also known as Red and White Day, brought the entire school together in an explosion of HS Spirit and Pride. Friday brought an end to the week-long competition, Penny Wars, and canned food drive. And closed doors, the four classes held a bake-off. At 7 PM, the annual Spirit Week Dance began, but the real excitement came with the start of the Dance Competition at 9. The Senior Class won the Dance that evening, and shortly after that came the announcement of the overall Spirit Week winners. Seniors followed in order by Juniors, Sophomores, and Freshmen. As the Class of 2010 celebrated a 7th straight Spirit Week victory, the other classes dusted themselves off in preparation for next year.

almost anything goes

Once again, the Coventry High School body gathered to cheer on their classes during Almost Anything Goes 2010. One of the events of Spirit Week found the gymnasium crowded with fans wearing Senior, Junior, Sophomore, and Freshmen colors. Many students were already familiar with the pieces of the evening, including JELL-O wrestling, ice cream musical chairs, a pie eating contest, a water balloon toss, the mummy wrap, and a relay race. Seniors of 2011 took the school by surprise, winning both JELL-O wrestling events. However, the Seniors dug their heels in and refused to give up. The Class of 2010 won the egg drop, swept the usually tense game of ice cream musical chairs, and even managed to do well in the new water balloon toss. As usual, Seniors won the mummy wrap, but the Sophomores pulled the upset of the night by winning the relay. At the end of the night however, the Seniors were the top dogs once again. The Senior Class created a memorable night in the midst of the final Spirit Week.

There are days when important things need to be said and this certainly fills the criteria. I cannot help having a feeling of trepidation. Actually, it is a feeling that is a lot closer to dread. As I sit back and think about the minute I saw your little face; it was simply love at first sight. Having you was one of the happiest days of my life and no matter how old you get, I will always think of you as my little girl. When you were younger we could go shopping and in every store, you would ask me to buy you something. Not only did you have a face of an angel, but you could persuade me with your little green eyes and a simple "please Mommy". How could I ever say no to you? As you grew older, things were not as simple.

We did not always agree on friends, boyfriends, and curfew, but in the end, we became the best of friends.

Remember that I love you very much and because of you, I have been able to experience so much joy in my life. I have had the wonderful experience of watching you grow up into a beautiful young woman with only better things yet to come. For that I am so grateful. All too quickly you have reached this day that you have been looking forward to. For me it is a moment I fear with all my heart. It is the day I say "goodbye" to my little girl; it is the day we grow a little further apart. As you soon will be heading off to college, you might be scared but I know you will prosper and will learn to trust in yourself as I trust you. Just smile and know that I am with you always. I am so very proud of you, my beautiful baby girl. You have filled my heart with pride through all of your accomplishments. Your determination is your magic wand.

From a baby, to a boy, to a young man, you were full of life and surprises. Trying to keep up with you has been many things, but mostly challenging and rewarding. As you move on to new adventures, I will be there to support you and believe in you. I am so proud of all that you have accomplished. You have become the type of man I always hoped you would be. Believe in yourself to the depth of your being, nourish your talents that your spirit is freeing. Know in your heart when the going gets slow, that your faith in yourself will continue to grow. Do not forfeit ambition when others may doubt, it is your life to live, you must live it throughout. Learn from your errors, do not dwell in the past, never withdraw from a world that is vast. just singing along

The annual CHS Lip Sync took place on March 16, 2010 in the auditorium. All four classes prepared their own solo and group lip syncs as part of the Spirit Week competition. The Freshman Class started off the individual category with a mix of Chris Brown dance hits, and even dared to make fun of Mr. Brissette's dancing skills. They were followed by the Sophomores and Kristina Andrea, who made an appearance as "T. Swift". Dean Sadowski represented the Juniors with Mr. Rogers' not so normal day in the neighborhood. However, VLad Jean and the Seniors showed the other classes how Lip Sync is really done: Michael Jackson rocked through all of the speakers and VLad's rendition of "Pretty Young Thing" to Mrs. Kelly had everyone in an uproar. Group Lip Syncs came next; the Freshmen set up classic heartbreak with the song "Build Me Up Buttercup." Sophomores had a medley from the popular TV sitcom, Glee, that covered Journey, Avril Lavigne, and other hit songs. The Juniors brought out the VMAs with performances of Britney Spears, Michael Jackson, and the Jonas Brothers. Senior Nation once again stole the show, however, with a compilation of Classic Broadway show tunes. From Danny Struebing opening up the act with "Be Our Guest" to the moment when Areeg Eid decided to try "Defying Gravity", the Senior Class never missed a single beat. They won both Lip Sync events and provided their audience with memories to last a lifetime.

Above: From the crowds, to the performances, to the sense of competition, Lip Sync is one of the favorite Spirit Week activities for any student.

Physics Olympics is a school-wide field trip for all students enrolled in Physics 1 and Physics 2. The first year Physics students create teams of five to compete in different events: Ship the Chip, Drop the Bomb, Siege Engine, Newspaper Chair, and Cardboard Kayak. Mr. Golas's AP Physics 2 students help the Physics and Math teachers run the event, held at Camp Westwood. The students set up food, measure siege throws, score Drop the Bomb, and assist students with Cardboard Kayaks. Three students also volunteer as Lifeguards during the Cardboard Kayak event. The theme of the 2010 Physics Olympics was "Leo Scalisi: A State of Mind". Physics 2 Students decorated the gold, silver, and bronze medals which were awarded to winning teams. Notable performances include the Siege Engine of Team Boss Status, the Drop the Bomb from Team US Presidents, and the Cardboard Kayaks of Team Velocity Raptors and of Team X-Blades. At the end of the day, Mr. Golas awarded medals for each event, as well as Best Theme and Best Overall. The winners of Best Theme were Team YMCA, who had a theme song and danced at each event. The Physics Olympics Champions of 2010 was team "Three Queens and a Joker", who scored very well in each of the five categories to win their gold medals.

Unified Basketball

For the first time in school history, and with the help of the Rhode Island Interscholastic League, CHS organized a Unified Learning basketball team. Unified Sports athletes and partners improve their physical fitness, sharpen their skills, challenge the competition and help to overcome prejudices about intellectual disability. Coached by Joe Bishop and Chuck Jones, players were paired with a community partner-athlete to assist them with the game. Playing in front of the CHS student body during spirit week was the highlight of the season. Although the CHS team was defeated by Hendricken, the players did great! CHS principal, Michael Hobin, commented, "It was so GREAT to see the celebration and the team work."

coventry graduation 2010

The Ceremony of Commencement for the Class of 2010 took place on June 9th in the URI Ryan Center. In the crowded back hallways, nearly 400 Coventry High School Seniors counted down the moments until their long journey would finally end. As Pomp and Circumstance began playing, the Senior Class entered the Ryan Center. Their Class Officers stood waiting upon the stage, and under the watchful eye of Principal Michael Hobin they filed into rows. Kirstin Flanagan performed the National Anthem for the last time of her high school career; the AFJROTC honored American POWs. CHS Principal, Mr. Hobin, addressed his first four-year class for one last time. Kerry Hellman gave her President's address, followed by David Caianiello as Salutatorian and Robert Barone as Valedictorian. The Select Choir performed "You'll Never Walk Alone" as a tribute to their seniors. After what seemed like an eternity of schooling, the Class of 2010 crossed the stage to receive their diplomas. Kerry Hellman, Class President and mother, was waiting to hug or shake hands with every new graduate. After a performance by the CHS Advanced Band, Holly Mann and Victoria Lavery performed a duet of the Coventry High Alma Mater. Student Body President Sydney Richter led the graduates in the turning of their tassels, symbolically becoming CHS Alumni in the process. After Matt Patefield's farewells, the new Alumni of Coventry High School left the Ryan Center to begin building pieces of their lives.

Colophon

In 2010, Coventry High School experienced a year of renewed school spirit and a commitment to make every student count. The 76th edition of The Knotty Oak records the events and people of the year as they combine to form the true Oaker community. In an attempt to capture the identity of the school, the Knotty Oak focuses on the ever-evolving life of students and faculty in this 248-page publication that documents our days at CHS.

Printed in 80-pound gloss paper and scheduled for late spring delivery, the book also includes an eight page gatefold and a sixteen page supplement, delivered in September. The 248 page four-color process reproduction features portraits by Steve Mederios of Coventry, Rhode Island. With a trim size 9 inches by 12 inches, the 750 copies of The Knotty Oak use Adobe Herff Jones Gaudy Old Style; layouts and texts are produced using Herff Jones eDesign. Endsheets are printed on Vibracolor White Four Color Litho.

Proud of the school that unifies us all, The Knotty Oak 2010 editors present the "Pieces" of CHS community as a permanent reminder of the sum of our parts.
