Student Life

At Coventry High School the year flies by. For some this is an exhilarating first experience, and for others a chance to look back and reflect on four long years. But no matter the circumstances, lasting memories will be forged here. Freshmen learn to navigate the school corridors and get a taste of the high school life. Sophomores return wiser from their previous year, and ready to take on any challenge presented to them. Juniors scramble to complete science fair projects and NECAP tests, all while looking forward to their time. Seniors soak in all that they can in the limited time they have left here, all while preparing themselves for the unknown future. Truly, no matter which class you belong to, the student life at CHS is buzzing with vitality and spirit.
Clubs and Organizations

With the constant sharing of ideas, creativity, and knowledge, the clubs at Coventry High School are the best. From the Student Council’s careful planning of events to the Yearbook Club’s creative design, clubs at CHS encourage students to explore their interests. With over 20 clubs, CHS offers something for everyone. Whether you enjoy synchronizing with the Dance or Drill Teams, participating in class activities, or writing for the Entry, participating in club activities keeps CHS students deeply “rooted” in high school.
Athletics

Athletics are an important part of any high school. Coventry High athletics are no exception. Deep rooted friendships and bonds are developed as students compete against other Rhode Island schools. With over twenty varsity sports and several state championships teams, Oaker pride is alive and well.
People

It is the people, not the programs that make Coventry High special. Everyday, in every classroom and every hallway, over 2000 people encounter smiling faces and warm greetings. This kindness makes people feel like CHS is a second home.
Freshmen Orientation

The roots of the freshman have started to grow! The freshmen go for orientation for their first big day view of high school. The Freshmen are officially welcomed to Coventry High School, ready for a new change of scene. New opportunities will be presented, new friends and, new memories will be made. The Freshman will start their first year of high school, change is yet to come!
All of the grades gathered in the gym for another Homecoming dance. The experience was for some their first, and others their last Homecoming. The gym was decorated in both orange and green. The gym was flooded with life, and loud music that echoed through the high school. The Homecoming dance was filled with moments to remember.
October 1, 2011, Coventry High School held the annual Homecoming game. The parade started at the Shawn Feinstein Middle School and marched to CHS. The theme was "Madonna Cartoons of the 1990's."

Top to bottom: Ocker Varsity Football players taking the field. The Cheerleaders showing some school spirit.

The Homecoming Tradition continued as the Ockerians fought an intense game. At half time we crowned Taria Pecchio and Joe Nardolillo Queen and King.
In the second year of the new tradition, a series of "Powder Puff" games were played by the girls of Coventry High school. The freshmen battled the sophomores and the juniors fought the seniors. In this exciting reversal of traditional football, boys donned tutus and cheered the girls on. Everybody pitched in, teachers taking the role of referees, students and parents joined together to keep the concession stand going and people of the community came to show their spirit for Coventry.
Mrs. Boyle teaches her students in a way that encourages passion and interest, combining unconventional methods with new technologies. She puts her motto into practice with vigor, going so far as to wear a constant reminder of her beliefs each day: a bracelet that bears the Italian phrase, "Ancora Imparo" meaning "I am still learning". In winning the award, Mrs. Boyle has been presented with a $10,000 scholarship opportunity from Johnson and Wales University. Additionally, she won multiple technological programs for the school that are sure to benefit the students and staff for years to come. Everyone at Coventry High School is incredibly proud of Mrs. Boyle and wishes her the best in future endeavors.
The Hunt

2011 Hunt was held on October 31st and the parade of costumes featured teams of 4 in a wide array of outfits, ranging from Danny Phantom and The Ladies to Vampires and The Geek Squad. When the costume competition was completed, teams eagerly waited on Simon’s explanation of the hunt rules. The Hunt portion of the evening sent teams running to scattered corners of campus to retrieve clues and CHS.
The Coventry High School student council held their annual Varsity Revue on the 17th and 18th of November. The show was a great success featuring a variety of dance numbers, vocal solos and duets. Seniors Aaron Flores and Mackenzie Richter kept the audience entertained throughout the show with their comedic emceeing, which complemented the theme Viva Las Oakers.

Performers Katie Auld, Matt Curtin, Chris DeFilippis, Marissa DePietro, Katelyn Doovan, Davi Geer, Jennifer Green, Alexandra Johnson, Nick Mowry, and Richard Pare got on the stage for their final performance as seniors in the show. First time performers Colin Campbell, Madison Cook-Hines and Matt Fusco were warmly welcome to the stage; as well as enjoyed by all.

Annual performances of CHS band, Select Choir were once again on the stage to entertain the audience.

Enthusiasm rippled through the Coronary High School gym on November 23rd during the annual Pep Rally. Students cheered for the fall athletes—members of the boys and girls cross country, boys and girls soccer, and girls tennis teams. The Boys Hockey team was congratulated for their division championship win, and the Varsity and Junior Varsity Girls Volleyball teams were praised for their Division One state championship win. The ROTC Drill Team performed an exceptional routine, and the Football team was pumped up for the Thanksgiving game against their rivals, West Warwick High School.

Pink Out

Chris Herren

Chris Herren came to Coventry High to speak about his struggle with drugs and the trials he was forced to overcome. Chris Herren's motivational story kept all of Coventry High captivated. As Chris spoke, a pin drop could have been easily heard. His words engaged the entire student body. Chris Herren's speech echoed through the gym, the weight of his words heavy. His was an eye-opening story about living above the influence and doing what is right, even if you are the only one standing.

The fall of 2011, Coventry's drama club performed "Hair". It was captivating and the audience had a chance to interact with character's in the play. Hair brought Coventry High back in time to the 1960's. The main character, Claude, came to New York City and encountered a group of hippies. Quickly forming friends with the entourage, Claude eventually fell in love with one of the hippies named Sheila; daughter from a rich family. The plot twists when Claude joins the service and is shipped off to the Vietnam war. The play was a group effort, even teachers Mr. Pingley and Ms. Calise joined in. The play exciting and true colors of each character were shown.
On January 18, 2012 Coventry High school opened its doors for the Class of 2016. The newest Oakers established their roots and learned about clubs, organizations, and course offerings. Each department set up displays in both cafeterias and was represented by teachers and students. Athletics, World Language Club, Dance Team, Environmental Honors Society, The Yearbook and the Cheerleading Club encouraged students to get involved. Each Career Center program opened its doors for students to explore. Everyone enjoyed the “flash mob” of HAIR performed by the Drama Club. It was a great night to show off the talent and treasures of CHS.

Winter Ball

Students are too stubborn to let a little cold weather get in the way. They simply wouldn’t allow for the 2012 Winter Ball. The glittering annual gala, held at the West Valley Inn, and everyone turned up in their very best attire. Together friends ate, laughed, and danced the night away. The dance floor may have been small and crowded, but everyone managed to have fun. Although the night of frivolity ended at the early hour of eleven, every attendee left knowing this night would live on in their memory for all time.

March 5-March 9, 2012 marked the annual Spirit Week. Again this year, students enjoyed coming to school on the first day of spirit week in pajamas. After school, classes competed in Human Trouble. On Tuesday, students wore their best costumes and hats, hoping to score points for their class. After school was the annual dance competition with each class strutting their stuff for bragging rights. Wednesday was the most competitive Color Wars day ever. Face makeup, headbands, and bright shirts donned almost 1800 students. Following Color Wars was after school Ping Pong and an evening of competition with Anything Goes. Thursday saw students dressed with their best on Formal Day. Competition continued after school with Class Feud. Coventry High came together on Friday with Red and White Day; a day when all students show their true Oaker spirit. The week concluded with the Bake Off and Lip Sync Contest at night. After 8 incredible acts, the winners were announced. Overall, first place went to Seniors, followed by Juniors, Sophomores, and Freshmen respectively. Spirit week continues to be one of the most memorable weeks of the school year.

Teams of twelve participated in multiple events including musical ice cream chairs, the balloon toss, the egg drop, the egg pass, mummy wrapping, hula hoop pass and pie eating. Again this year, the students expressed their allegiance to their class by sporting class colors. The night ended with the crowd-favorite obstacle course. This year, the Class of 2013 took the trophy and bragging rights for the next year.

the entire staff of Coventry High School let me be the first to congratulate
achieving the important milestone of high school graduation.

of this year's yearbook is "roots." Our nickname, the "Oakers," is named
along with this tree, many of you have strong roots.

"roots" include our families, elementary and middle school experiences, and
relationships. These experiences have shaped your own growth and will
help you continue to develop into resourceful, compassionate and
resilient citizens.

"roots" here at the high school have included both academic and extra
success. Many of you participated in all of the school offerings. The "roots"
of 2012 includes those at the top of the class and those that struggled but
still completed graduation requirements. Your "roots" also include all state musicians, all state athletes, honor roll
stars, USA winners, Unified Basketball stars, "Hair" stars, "StuCo" members, Spirit Week memories; and most
importantly, those which make our "roots" grow strongest, the extraordinary friendships forged by the Class of 2012.

It is my pleasure to serve as your principal. You have been one of my favorite classes since I arrived in 1994. May the
developed here at CHS enable you to reach for the sky without fear of falling like the majestic mighty oak tree. I wish
you all of your future endeavors.

a part of the Class of 2013 presents its own unique challenges and rewards for each junior. Although they are not yet mighty oaks, they are well on their way to success. Their roots have taken, their trunk is growing stronger from experience. Nothing, not NECAP nor Science Fair, can stop them now. This year they let their creativity show in the Homecoming Parade with a Wild Thornsberries float and in a surprise upset, won first place in the Parent Council’s Oakers Cup 2013. The future looks bright for the Class of 2013.
