Student Life

The hallways of CHS are the veins of our school. Two thousand students flow through them everyday. The Freshman wander aimlessly looking for their next period class with their map. The Sophomores are relieved to know where they are going, but occasionally get lost. Juniors are confident, comfortable, and curious about what the future brings. NECAP, Capstone, and Portfolio deadlines are looming. Seniors know the hallways like the back of their hands. They are the rulers of the school. The hallways are filled with memories of four years here. We are all different, but we are all united because we all walk the hallways of CHS.

The Clubs and Organizations at our school benefit the students in educational and social ways. Joining a student club opens the door to building new friendships, enhancing one's academic life, and exploring new career opportunities. One will learn important leadership and management skills as the student participates in various programs. As a Coventry High School student and scholar, the primary goal of the organizations is to support the students in reaching one's academic and personal potential.

Athletics

Participation in athletics at Coventry High is an excellent way for students to express their talents and skills. With plenty of varsity teams and multiple state championships, our Oaker pride grows bigger and better every year. Coventry high athletics help students develop healthy bodies, minds, friendships and lifelong memories

STUDENT LIFE

The student body at CHS is concerned with the community inside as well as outside of the school. There have been various sports at the school to raise awareness and money to help others. Our mission is to participate in a rigorous academic program as well as to make the community in which we live a better place.

In the third year of the new
tradition, a series of "Powder

the girls of Coventry High

the sophomores and the
juniors fought the seniors. In
this exciting reversal of
tradition football, boys donned
tutus and cheered the girls on.

THE HOME COMING GAME

Memories were made this year when Coventry School proved its worth against the Wizards of Warwick. Every year Coventry falls short of victory, but this year, we pulled off a big win which ended the football season off right. Lead by team captains Brian Grant and Brandon Pearson, the team battled their way to a great victory.

Supported by the chants of our peppy cheerleaders and motivated by the marching band's musical genius, this year's homecoming game win made history, and surely fired up the entire school for the exciting athletic schedule to come.

The Coventry High School Student Council held their annual Varsity Review on the 15th and 16th of November. The show was a great success featuring a variety of dance numbers, vocals and musical performances. Kassie LaFazia and Zack Szymkowicz kept the audience entertained throughout the show with their comedic emceeing which complemented the theme The Oakers Have Landed. Annual appearances by the CHS band, Select Choir, Drama Club and Dance Team took the stage once again to entertain the audience.

PEP RALLY

NOVEMBER 21, 2012

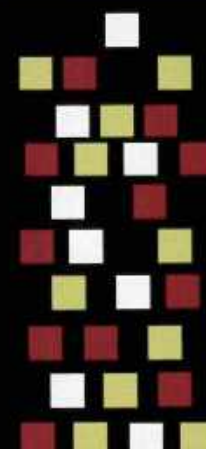

This year's Pep Rally will go down in history, as a CHS legend passes the torch to his successor. Every student involved in an athletic program was recognized and the school rallied for the win at the Thanksgiving Day football game against the West Warwick Wizards.

COMMUNITY NIGHT

On January 16, 2013 the class of 2017 was able to tour the school and learn about the clubs offered here at CHS. Displays were set up in the cafeterias and everyone enjoyed the cookies from culinary. The drama club displayed their talents by parading through the cafeteria and acting out the various productions performed here at CHS. It was a **memorable night** for the class of 2017 who cannot wait to be Coventry Oakers.

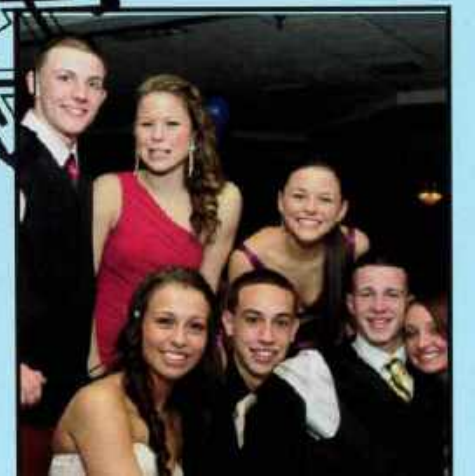

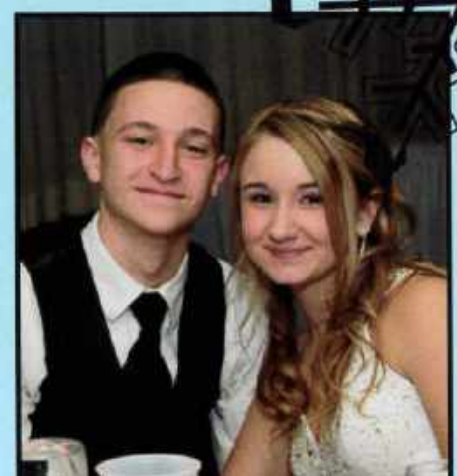

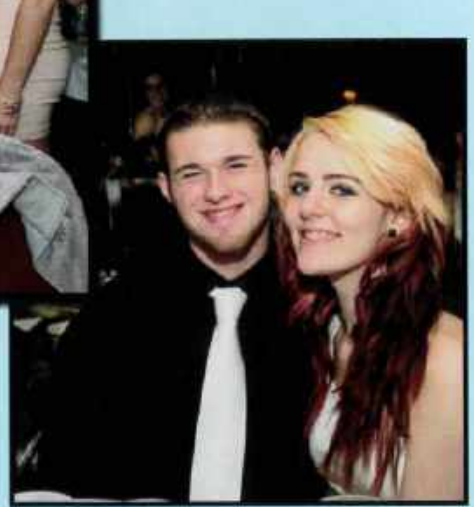

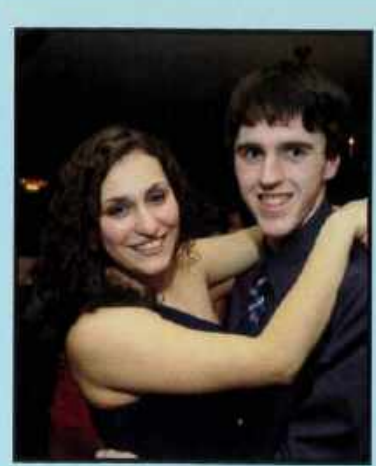

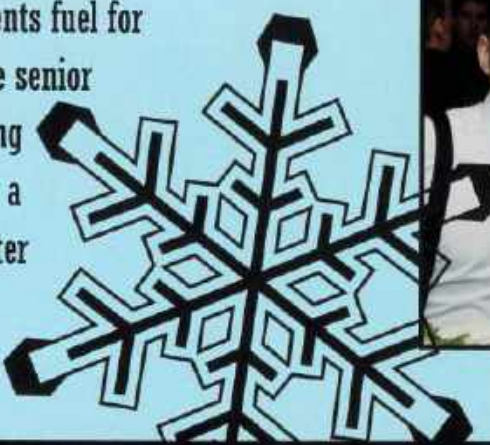

Quotes from the night:

"Excited for my daughter to attend CHS. So many opportunities for her to advance in her future to be successful. Thank you!"

"I was very impressed with all aspects of this evening. Great hands-on information."

Winter Ball

The Winter Ball "Winter Wonderland" was an unforgettable night filled with many great memories. The ball was attended with mostly seniors and juniors and their dates. It was held at Quidnessett Country Club on January 18, 2013. It started off with a delicious meal to give the students fuel for their long night of dancing. One senior Michaela Metcalf said "Spending time with my close friends was a great way to enjoy my last winter ball in high school!"

SPIRIT WEEK 2013

As it has been done since 1977, the CHS Student Council sponsored School Spirit Week from March 4-8. Students in each class work together to compete against the other classes to show that their class possesses the most school spirit. Although it only lasts for one week, the planning and preparation begins months earlier as classes begin to choreograph their dance routines and their lip sync acts. The week began on Monday when the students arrived to school dressed in their pajamas. After school everyone gathered for human trouble. Tuesday was costume/hat day with the always popular dance competition after school. As always, Wednesday's color war day was the favorite. Ping pong was after school. Thursday was formal day followed by the class feud. Friday saw the entire student body united as they dressed in red and white. The bake off was after school, followed by the crowd

pleasing lip sync in the evening. Due to uncooperative weather, Almost Anything Goes was held on Saturday afternoon. After which the overall winner, the Senior Class of 2013, was announced. They were followed by the Junior, Sophomore and Freshman Classes.

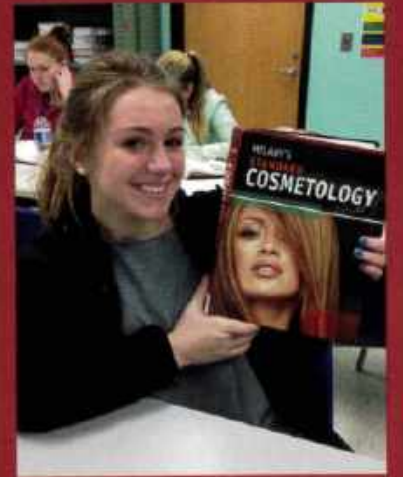

First Place: Juniors
Second Place: Sophomores
Third Place: Seniors
Fourth Place: Freshman

This year's Almost Anything Goes was just as competitive as in previous years. Although the event had to be rescheduled due to inclement weather, there was still a good turn out of students who came to cheer for their classes. From the ice cream musical chairs to the pie eating contest, everybody rallied for their elected competitors. With each event, the spirit rose and the crowd became more involved. Eventually, the winners were determined and the Juniors and Sophomores took first and second while the Seniors and Freshman followed close behind. Everyone who attended had a great time and it was a very successful way to end Spirit Week while keeping tradition alive.

Spirit Week 2013 meant the culmination of our High School Careers. The class of 2013 was ready to put our experience to the test to win the coveted prize of Spirit Week Champions. Our social lives were replaced in early December when our fearless leaders A. Eid, E. Paolucci, M. Paolucci and S. Cayouette began choreographing the senior dance. Practices began and time seemed to fly. Before the Seniors knew it, February vacation came and our last Spirit Week was approaching. Practices began Monday through Friday 9 am-2pm. They were grueling, yet we knew the hard work would pay off. For the first year, the class came together, practices were enjoyable, and there were minimal arguments. By Friday, the Senior Class was prepared for Spirit Week! The senior class woke up on March 4th, 2013 and were ready. The week didn't begin the way we wanted and the Senior Class realized we had serious competition from the spirited Junior Class. Never nervous, the senior class walked into the dance competition confident, and ready to regain the dance competition title. From memorable performances from S. Botelho and F. Field and hysterical performances from Madame Texeira, Mr. Pingley, Ms. Macomber and Ms. Cubellis, the Senior Class were victorious. On Wednesday, the Seniors showed up sporting purple and gray proudly, and won color wars. On Thursday, Seniors looked like the adults we are becoming on Formal Day and were able to edge out the Junior Class with a final answer of "Canoeing" to win the Class Feud competition. Red and White day began on Friday, but the Seniors were not to be outdone. K. Lawrence was able to perform like a diva and knock the solo lip sync out of the Junior Class. The Seniors were victorious and won the Spirit Week Champions trophy.

it Week 2013 was the most intense the Junior Class had to face thus far in our high school career. Freshman and sophomore year was just fun and games, but this year we got down to business. The juniors took control wearing the lovely combination of orange and green with their eyes on the prize. The juniors started the week off on a great foot by not only winning the dance competition, but also placing second in the human trouble competition. Sporting hats and crazy costumes, the juniors came out in full force after school to see the dance competition. The dance, choreographed by K. Printer, came in second. Color Wars was next--the most fierce day of the week! The entire school was ablaze in bright colors. After school, the juniors faced the close competition at ping pong, but the stars, K. Ferrara and R. Ivone, performed admirably and will forever remain in our memories. Happily, the juniors captured first place in the formal day and a placed a strong second at the suspenseful Class Feud. Once again placing first for Red and White Day, the juniors and the rest of the school came together to celebrate our Oaker Pride! The Bake Off was another success, with junior bakers C. Jones and D. Fiske coming in second. Later on at the Lip Sync, all those who attended viewed the soloist in her "Always Classy, Never Trashy" R&B mix and "The Decades" group lip sync. Placing fourth and second respectively, everybody enjoyed the fantastic entertainment provided by the juniors. The junior team, compiled of V. Ward, H. Denard, and M. Anything Goes competition. Red & White Day

This year, the Class of 2015 really stepped it up and displayed our Spirit Week potential in the future. Although we lacked participation during the day, we made up for the points at the after school activities. Starting off the week, we came in last for pajama day, yet dominated the after school event by earning first place. At the Spirit Week dance competition, we **made h15tory** by enjoying the high level of excitement from the enthusiastic audience. Sophomores took it to a whole new level by wearing pink tutu's and blue faces to make sure we were noticed. When all four classes came together to show their school spirit on Friday, red and white swarmed the halls of CHS. Friday night held the solo and group lip sync. Our class received second place in solo lip sync due to an outstanding performance by C. Cerio. The theme we chose to enact for our group lip sync was **making h15tory**. We had a lot of fun and enjoyed the positive energy from the crowd. On Saturday, Spirit Week

Red & White Day

This year, the Freshman Class of 2016 showed the other grades what we really had to offer and proved that we are different from any other Freshman Class. This Spirit Week, we won and lost activities and spirit days, but we never gave up and knew that we had tried our best. Before Spirit Week began, many students and the Freshman Class Advisor, Ms. Luzier stayed almost everyday for countless hours during February vacation to work on the dance and lip syne. Although we put so much effort into everything we did, we didn't know what to expect. During Spirit Week, a few people from the Executive Board visited all the Freshman advisories to motivate and encourage students to participate. It can be the best week in high school. On color wars, we came in 3rd place, successfully beating the juniors. Many of the students realized that Spirit Week was not all about doing embarrassing things, but that it is fun to participate. After the dance and lip sync, many people were complementing the class on how well we did for only being freshman. The last day of spirit week, Almost Anything Goes, was the best. The

of 2013.

Theme of The Knotty Oak 2013 is Pieces of Memories. Memories are powerful reminders of who we once were; and our memories also help us develop into who we become. I am sure many of you have great memories of your high school years. You remember being scared your first day of school, only to be quickly comforted by friendly faces. You remember sitting in that class you thought could never be exciting, and having that great teacher enliven the subject. You remember making a varsity team, and that first athletic victory. You remember your participation in drama club, and speaking your first stage lines in a performance. You remember the first dance at your Senior Ball, and you remember the craziness of Senior Supper.

High school memories include laughs, tears, joy and sorrow. I hope your high school memories include friendships that will last a lifetime, events that will always make you smile, and experiences that allow for great possibilities. As you piece together the memories you have made over the years, as you reflect on the pages of this beautiful book, the 79th edition of the Knotty Oak, my hope for the Class of 2013 is that your future holds more pieces of happiness: the memories of a successful life. I wish you all the very best. It has been my pleasure to be but a small piece of your memories of CHS.

A Talk With The Cheerleaders...

Skylar Betzold
Class of 2016

"The seniors were all amazing this year! As a freshman, and not knowing any of the cheers, they were all helpful and supportive. By the end of the season, I caught up to everyone and made so many senior friends along the way. I look up to all of them as leaders and will miss them so much next year. It won't be the same without them to joke around with and enlist their help during the season."

Jasmine Edwards
Class of 2015

"Cheerleading may look easy, but you have no idea. It takes hard work and dedication. Being apart of the football cheerleading team was unforgettable. Having so many great times, with our ups and downs-- that has made our team stronger. I love my cheerleading family and I'm very excited for next season!"

Brittany Verdecchia
Class of 2014

I won't forget the **memories** I have with them. Now it's my turn to take their place and follow their footsteps as a leader, and be there for the new and younger cheerleaders like the seniors were for me. I'm never going to forget all the fun times I had with each one of them. They will be missed and looked up to by us upcoming seniors."

Captain Megan Quattrucci
Class of 2013

"As the 2012 CHS football season wrapped up, it finally flashed that the last 4 years of my life with this team was actually coming to an end. One thing I knew for sure, I was able to grow a family I will treasure until eternity. Being able to be your captain this season has been an opportunity of a lifetime. I am very grateful to have had this opportunity. It was all thanks to each and everyone one of you! You all have shown a great improvement throughout. It makes me proud. This season would have not been possible without you all! It's sad to leave so soon; I will miss you all. With everything you've shown throughout this season, you will do amazing in the future. And to Coaches Teixeira and Jaimie, through the thick and thin, you guys never gave up on us. I am so grateful for you all."

One Team...One Dream....All Heart!!!!

After winning Back-to-Back Division 2 Championships, the 2012-13 Varsity Hockey Team made the jump to Division 1. The Oakers continued their excellence on the ice by winning the Division 1 - Eccleston Regular Season Championship, earning the title of the best Public School team in RI - including a historic 2-0 shutout victory over Mount St. Charles in January. With their regular season championship, the Oakers were seeded 3rd in the RI State Championship. Unfortunately, after two spirited playoff battles with Mount St. Charles, the Oaker season came to an end. This senior class finished with a record of 81-13-3 and three championships.

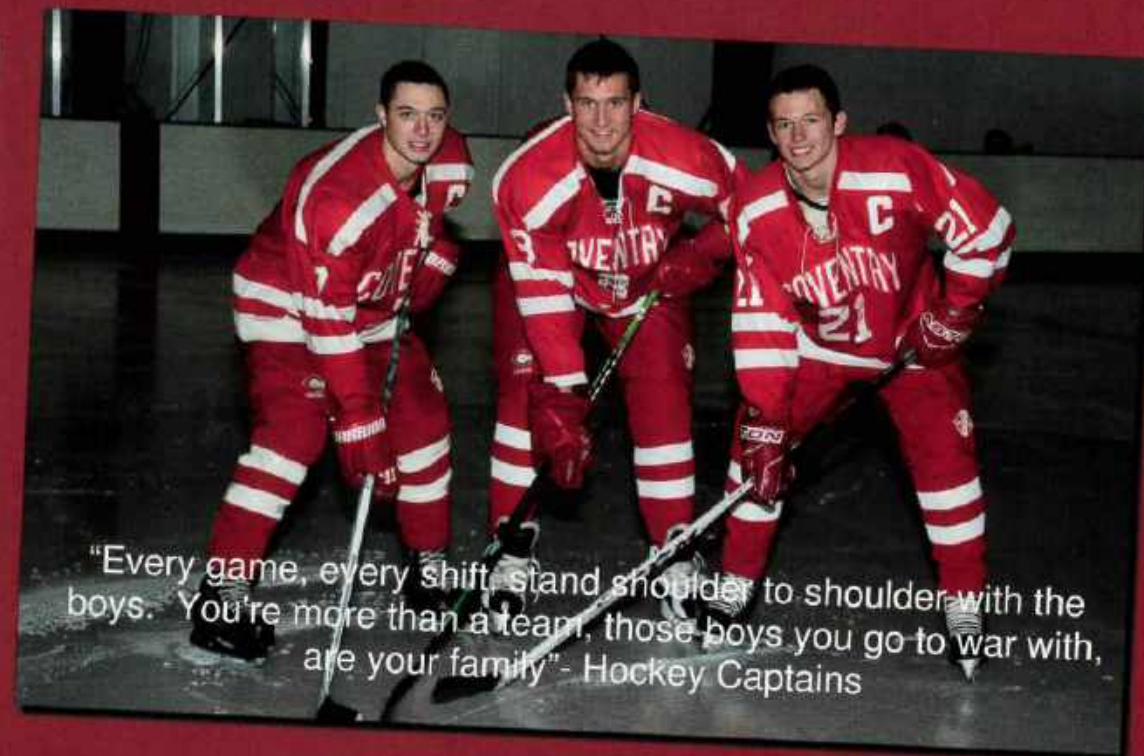

During the regular season, the Oaker squad finished with a 12-6 record. The team was lead by its Captains Mike Pesola, Jake Harrington, and Brian Skorski. Leading the offensive output was Mike Pesola (25 pts), Jacob Harrington (19 pts), Corey Rogers (18 pts), Brian Skorski (17 pts), Eric Pesola and Matt Tanksley (16 pts) and Zack Woods (15 pts). Contributing to the league leading offensive output was Brandon Hassell, Bobby Beaudoin, Drew Strychasz, Kyle Marquis, Jake Anderson, Caleb Carr and Ethan Tryhubczak. Teams found it very difficult to penetrate the defensive walls of Matt Tanksley, Joe Stringfellow, Zach Cooney, Mark Lasorsa, Mitchell Jones, Adam Hassell and Kurt Marquis. Anchoring the defensive efforts were Junior-tandem goaltenders Steven Schmitt (league leading 1.65 GAA) and Vincent Zannella (2.81 GAA). The Oakers were represented well on the Division 1 All-Division team with 1st team honors going to Mike Pesola, Matt Tanksley and Steven Schmitt, 2nd team honors to Joe Stringfellow, and 3rd team honors going to Jake Harrington and Zack Cooney.

Chris Hebert
 Class of 2014

"This has been an exciting wrestling season, the team has worked very hard and we have all done a good job and accomplished many medals and wins whether it was tournaments or dual meets. We did well at states and worked hard to get stronger and better in the off season. I am excited that almost our whole line up will be returning and hopefully win states next year."

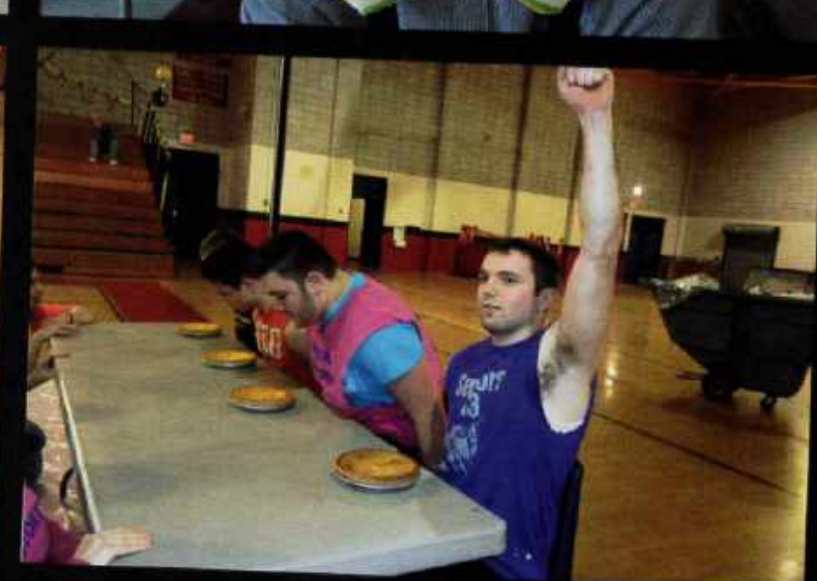

Austin Raposa
 Class of 2013

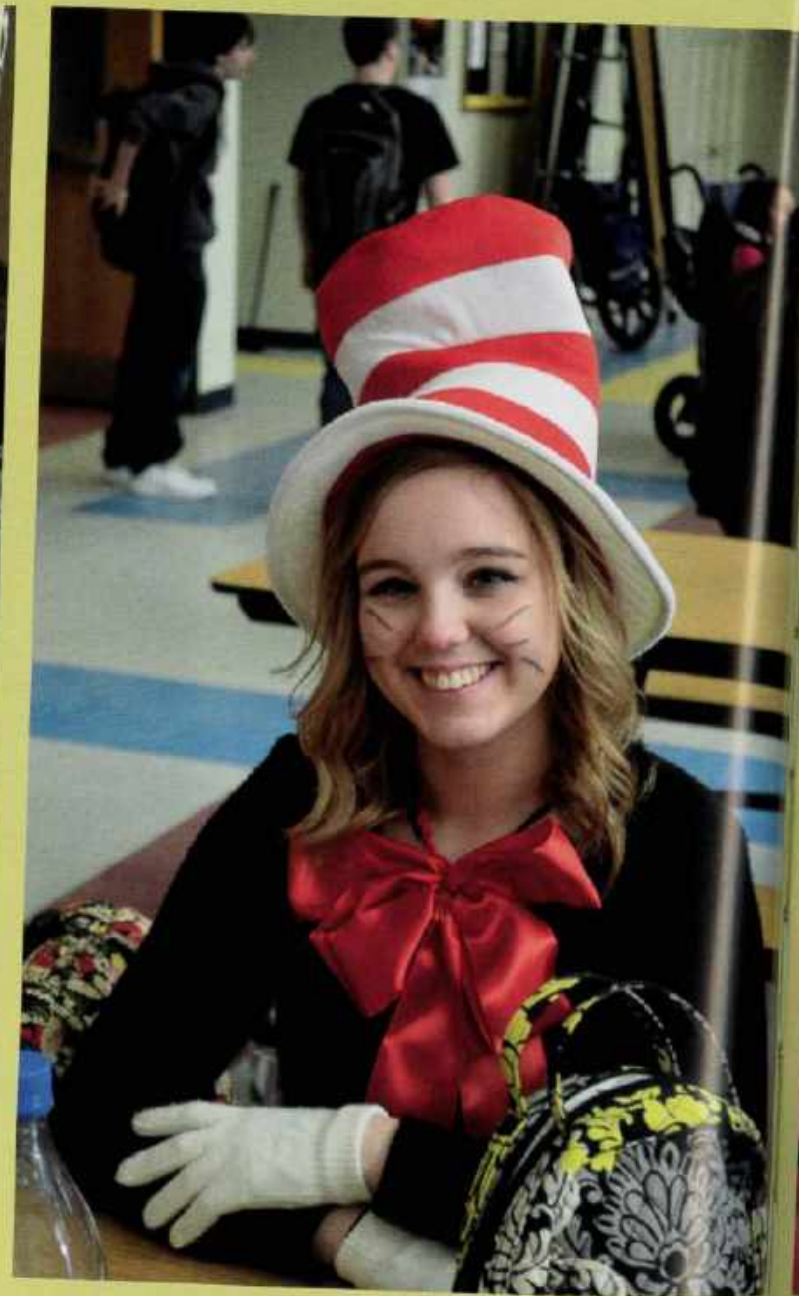

"Once you've wrestled everything else in life is easy."

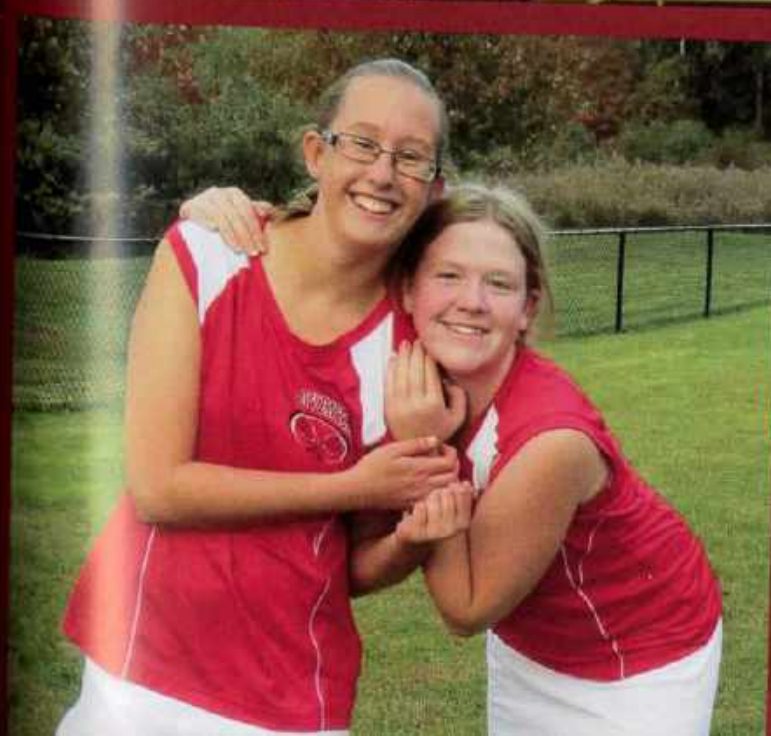

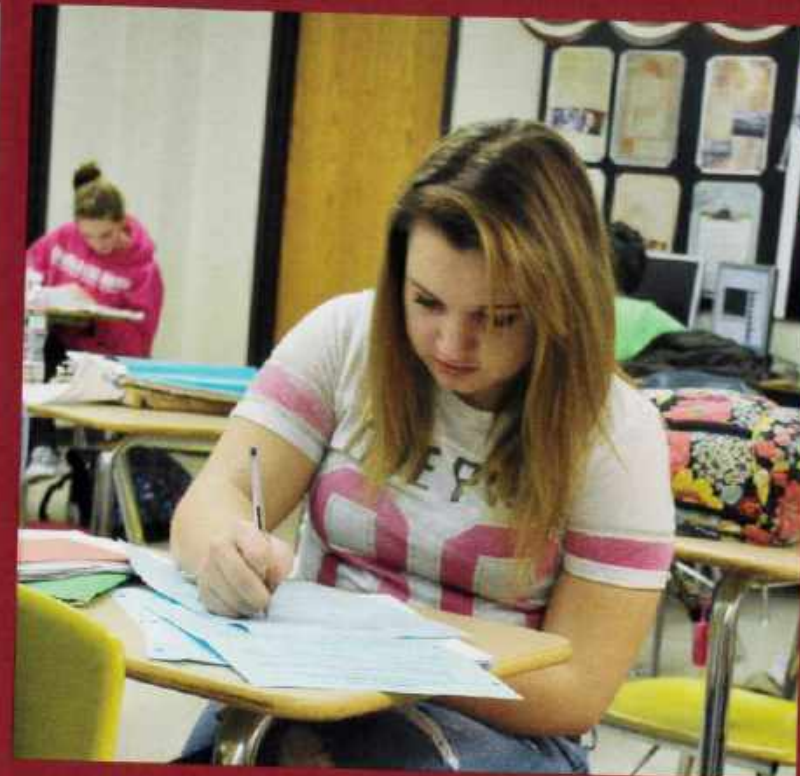

Mike Rocchio
 Class of 2014

"I thought this season, as a young team, went very well. The team as a whole did great and every individual wrestler worked hard every practice. At meets, we left everything on the mat, win or lose. I hope that next year we can continue to improve and come back even stronger."

"Our Princess Lindsay"

We could never put into words how proud of you we are to call you our daughter. You have blossomed into an amazing young woman. As a little girl, you knew what your dreams were and you have worked hard to reach and accomplish them. We know you will continue to succeed as you enter college. You are mom's best friend, dad's little princess and the best sissy in the world to Jordan. As you go off to college there will be hurdles and life changes but we know you will endure them all. One thing that will never change is that we will ALWAYS be in your corner cheering you on, laughing with you or letting you have a shoulder to cry on. Never give up on your dreams you can accomplish anything in life if you want it.

Love you forever and always!
Mom, Dad, and Jordan

Senior History

Stepping into the hallways at Coventry High School as Freshmen seemed as if it was the beginning of the end. Everyone was nervous as the first bell rang and it was time to meet the who was in all of our classes. We were ready to take on the next four years with determination and confidence. The school year flew by and by March it was already Spirit Week! We were given the difficult colors of black and orange and during color wars we flooded the halls, gaining the nickname "Halloween". At the end of the year, we survived final exams for the first time and were ready to become Sophomores. In 2011, the Capstone Project and Portfolio were sprung upon us as graduation requirements. To add onto the anxiety, that year we were required to complete our Story Day projects. For the second year in a row, March approached and we were given the color orange for Spirit Week, but was accompanied by green which only opened the door for us to be called carrots and pumpkins. Coming in third was expected, but we were ready to dominate as we shed our underclassman status and became Juniors! Being able to sit in the "Senior Cafeteria" was a big change. Having ECAP and science fair to conquer added many layers of stress onto our shoulders, but we were ready to take on anything coming our way. Junior year Spirit Week was to remember! Winning the Dance Competition and Almost Anything Goes gave us the confidence we needed to push through to the end. For Junior Prom, held at Wadnessett Country Club, our theme "A Night in Paris" made everlasting memories. Senior Day came around and it was time to say goodbye to our senior friends. Turning 18 signified the transition for the class of 2013 becoming Seniors. Our final first year of high school was something to remember forever. We were older, more mature, and prepared for whatever was to come. Between the good and the bad times, we always managed to have the Senior Class become one big family. Our last Spirit Week was our time to do what we have been preparing for during the past four years. Winning the Dance Competition as well as Solo and Group Lip Sync pushed us far ahead of the competition and we ended up victorious! The theme of "Mardi Gras" for the Senior Ball was a night that we will remember for the rest of our lives, while dancing the night away at Crowne Plaza with our fellow classmates. It was the highlight of our Senior year. The Class of 2013 has made many lasting memories at CHS that will be remembered forever. As we go on to college and start our lives, we will never forget what shaped us into the young adults that we are today.

Once and Oaker, Always an Oaker.
